11. Penalties

First Schedule  
 Second Schedule  
 Third Schedule  
 Fourth Schedule

1. These Regulations may be cited as the Aquatic Weeds (Control) Regulations.

2. In these Regulations, unless the context otherwise requires — Inter-pretation  
 "aquatic apparatus" includes outboard motors, fishing nets, keep nets, fishing bags, oars, sails, masts and rigging but does not include fishing rods and lines;

"authorized officer" means a public officer to whom the Minister has in writing either generally or specially assigned duties under these Regulations;

"movement certificate" means a movement certificate issued by a Customs officer or an authorized officer enabling the holder thereof to move the boat or aquatic apparatus to which it relates within Botswana.

3. Boats and aquatic apparatus may be brought into Botswana by road only through the designated road ports of entry listed in the First Schedule. Entry of boats etc. by road

4. Boats and aquatic apparatus brought into Botswana by rail may be unloaded from rail trucks only at the rail depots listed in the Second Schedule. Entry of boats etc. by rail

5. Boats and aquatic apparatus may be brought into Botswana by air only through the airports of entry listed in the Third Schedule. Entry of boats etc. by air

6. (1) When any boat or aquatic apparatus is imported into Botswana by road, rail or air the owner or person in charge of such boat or aquatic apparatus shall, immediately after it has been brought in or unloaded, as Inspection by Customs officers

*Aquatic Weeds (Control) Regulations*

the case may be, present such boat or aquatic apparatus for inspection to a Customs officer.

(2) The Customs officer to whom the boat or aquatic apparatus has been presented shall, if he is satisfied that the owner or person in charge of the boat or aquatic apparatus will comply with the directions given to him, issue a movement certificate in the form set out in the Fourth Schedule directing the owner or person in charge of the boat to remove the boat or aquatic apparatus directly to such place as may be stated in the movement certificate for examination thereat by an authorized officer.

(3) An authorized officer to whom a boat or aquatic apparatus is submitted for inspection shall examine the boat or aquatic apparatus for the purpose of discovering whether it may have collected or been exposed to aquatic weed or infested waters.

(4) If upon examination any boat or aquatic apparatus is found to have any aquatic weed thereon the boat or aquatic apparatus shall be treated at the expense of the owner or person in charge thereof, in the manner prescribed by, and to the satisfaction of, the examining authorized officer, so as to eradicate the aquatic weed.

(5) The owner or person in charge of the boat or aquatic apparatus shall afford the examining authorized officer every facility for conducting the examination and treatment thereof.

(6) Whenever in respect of any boat or aquatic apparatus an authorized officer is satisfied that the provisions of these Regulations have been complied with, he shall, at the request of the owner or person in charge thereof and after receiving the fees due, deliver or transmit to him a certificate to that effect in the form prescribed in the Fourth Schedule.

Movement  
of boats etc.  
from surface  
water

7. No person shall move or transport any boat or aquatic apparatus from any surface water to any place in Botswana except under and in accordance with the provisions of a movement certificate.

Movement  
of boats etc.  
from infested  
waters

8. No person shall move or transport any boat or aquatic apparatus from any infested waters to any other surface waters in Botswana without prior inspection and except under and in accordance with the provisions of a movement certificate, and upon completion of his journey shall present his movement certificate to an authorized officer before placing his boat or aquatic apparatus on any other surface water:

Provided that in the case of outboard motors a movement certificate may be issued by an authorized officer after inspection, cleaning and treatment including the running of the outboard motor in a tank of disinfectant under the supervision of the officer. Before issuing the movement certificate the authorized officer must be satisfied that the treatment has been effective in eradicating any aquatic weed.

Certificate to  
be produced  
on demand by  
authorized  
officer

9. Any person who moves or transports any boat or aquatic apparatus from infested waters or from any surface water to any other part of Botswana shall be required to produce a movement certificate on demand by any authorized officer.

---

*Aquatic Weeds (Control) Regulations*

**10.** (1) The fees payable for the issue of a movement certificate under these Regulations shall be fifty cents.

(2) The fee for treating a boat or aquatic apparatus shall be the actual cost of such treatment subject to a minimum of R2 and a maximum of R5.

**11.** Any person who contravenes any of the provisions of these regulations shall be guilty of an offence and liable to a fine of R1 000 and to imprisonment for 12 months.
