

**COMMISSION REGULATION (EC) No 776/2004**  
**of 26 April 2004**  
**amending Regulation (EC) No 349/2003 suspending the introduction into the Community of**  
**specimens of certain species of wild fauna and flora**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 338/97 of 9 December 1996 on the protection of species of wild fauna and flora by regulating trade therein <sup>(1)</sup>, and in particular Article 19(2) thereof,

After consulting the Scientific Review Group,

Whereas:

- (1) Article 4(6) of Regulation (EC) No 338/97 provides that the Commission may establish restrictions to the introduction of certain species into the Community in accordance with the conditions laid down in points (a) to (d) thereof.
- (2) A list of species for which the introduction into the Community is suspended was last established in Commission Regulation (EC) No 349/2003 of 25 February 2003 suspending the introduction into the Community of specimens of certain species of wild fauna and flora <sup>(2)</sup>.
- (3) On the basis of recent information, the Scientific Review Group has concluded that the conservation status of certain species listed in Annexes A and B to Regulation (EC) No 338/97 will be seriously jeopardised if their introduction into the Community from certain countries of origin is not suspended.
- (4) On the basis of further recent information, the Scientific Review Group has also concluded that the suspension of the introduction into the Community of the *Lama guanicoe* from Chile is no longer warranted by virtue of its conservation status.

- (5) The countries of origin of the species subject to the new restrictions referred to in paragraph 3 have been consulted.
- (6) Article 41 of Commission Regulation (EC) No 1808/2001 of 30 August 2001, laying down detailed rules concerning the implementation of Council Regulation (EC) No 338/97 of the protection of species of wild fauna and flora by regulating trade therein <sup>(3)</sup>, contains provisions for the implementation by the Member States of the restrictions established by the Commission.
- (7) Regulation (EC) No 349/2003 should therefore be amended accordingly.
- (8) The necessity to avoid the disturbance of trade justifies that this Regulation enters into force on the third day following its publication.
- (9) The measures provided for in this Regulation are in accordance with the opinion of the Committee on Trade in Wild Fauna and Flora,

HAS ADOPTED THIS REGULATION:

*Article 1*

The Annex to Regulation (EC) No 349/2003 is replaced by the Annex to this Regulation

*Article 2*

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 26 April 2004.

*For the Commission*
