**PROTOCOL**

of the First Session of the Joint Greek-Egyptian Committee for Economic and Technical Cooperation

Upon invitation of the Minister of National Economy of the Hellenic Republic Mr. Constantinos Simitis, H.E. Deputy Prime-Minister and Minister of Planning and International Cooperation of the Arab Republic of Egypt Dr. Kamal El Ganzoury, paid an official visit to Athens from July 7 to July 12, 1987.

During his stay in Athens H.E. Deputy Prime Minister of the Arab Republic of Egypt and Minister of Planning and International Cooperation Dr. Kamal El Ganzoury, accompanied by H.E. Mr Ahmed kadry Salama, Ambassador of the Arab Republic of Egypt to Greece, was received by H.E. the Prime Mi-

Minister of the Hellenic Republic Mr. Andreas Papandreou. H.E. Dr. Ganzoury delivered a message from H.E. President Hosni Mubarak to H.E. Mr. Papandreou, both dignitaries also had fruitful exchange of views which reflected the excellent official and personal relationship between the two countries. H.E. Dr. Ganzoury accompanied by H.E. Mr. Ahmed Kadry Salama, also called upon the Minister of Foreign Affairs Mr. Carolos Papoulias, the Minister of National Economy Mr. Constantinos Simitis, the Minister of Industry, Energy, and Technology Mr. Anastasios Peponis and the Minister of Commerce Mr. Panagiotis Roumeliotis.

On the occasion of this visit the Joint Greek-Egyptian Committee for Economic and Technical Cooperation, held its 1st Session in Athens from July 6-12, 1987 according to article 8 of the Agreement for Economic and Technical Cooperation signed in Cairo on February 26, 1986.

The Hellenic Delegation was headed by Mr. Ioannis Papantoniou, First Undersecretary of National Economy

The Egyptian Delegation was headed by Mr. Abdel Aziz Zahwy, First Undersecretary of the Ministry of Planning and International Cooperation.

Lists of the members of the Delegations are attached herewith under Annexes I and II.

The two Delegations agreed upon the Agenda for their talks and confirmed the will of their Governments to reflect in the economic sector, the climate of excellent political relations and traditionally friendly bonds existing between the two countries.

Both Delegations proceeded to an exchange of information concerning their economic and respective policies and formed two working groups for further deliberations in the fields of :

I. Industry, construction, agriculture, sponge fishing and tourism.

II. Trade, finance, transport and other matters.

#### INDUSTRY

The two sides reiterated their desire to cooperate in various fields of industry.

The two sides indentified and selected the following sectors for further exploration :

##### 1. Ship building

The Egyptian side informed the Greek side on the capability of the Alexandria shipyard in building and repairing ships and of the following available Projects to be realised in the said shipyard for eventual cooperation with the Greek side :

- renewal of the Egyptian fishing fleet including the construction of 40 off-shore and coastal vessels,

- building and delivery of about 20 units for servicing the El Dekheila new port (tugs, service boats, mooring launches, skimmers, buoy-aids),

- manufacturing ships' cargo-containers 20 and 40 FTSCU in accordance with the containers-terminal at Alexandria port.

The Greek side informed the Egyptian side on the capabilities of the Greek shipyard industry and expressed its readiness to receive an Egyptian Delegation of experts for delated discussions.

2. Agriculture Machinery (tools and equipment)

3. Electrical and electronic components

4. Food industry (canned food, fruit juices, tomato-paste etc)

5. Chemical industry and fertilizers

6. Manufacturing of industrial machinery, in-particular cement machinery and equipment

7. Shoe manufacturing

8. Aluminium products

9. Metal tubes

10. Trucks (Adaptation of truck bodies for special cargoes and containers)

11. Engineering and designing of capital goods (machinery and equipment)

Both sides agreed on the usefulness of further exchange of information as well as of the exchange of experts to discuss the necessary steps for cooperation in the above mentioned fields, including joint ventures.

The Greek side handed to the Egyptian Delegation information material on firms and organisations involved in the above mentioned industrial production sectors.

The Egyptian side handed to the Greek Delegation an updated booklet on industrial investment opportunities in Egypt and the results of the preliminary studies on the local market for some essential industrial goods for the new Five Year Plan 1987/88 - 1991/92, identifying the needs of industrial joint venture projects to be established in Egypt.

Both sides agreed to forward the above exchanged information to interested parties for study and further follow-up.

Both sides expressed their interest to promote and encourage joint venture projects in the above identified sectors of industrial cooperation, including projects for exports to third countries.

The Greek side invited and the Egyptian side accepted that a high level delegation from the Egyptian Ministry of Industry and representatives of private sectors would visit Greece in order to be acquainted with the production capabilities of the Greek industries and to explore possibilities of bilateral cooperation in various forms especially in the sectors identified above.

The above mentioned visit of Delegation as well as the meetings of experts will take place within 1987 on dates to be agreed upon through diplomatic channels.

#### CONSTRUCTION (DEVELOPMENT, NEW COMMUNITIES, HOUSING AND PUBLIC UTILITIES)

The Egyptian side informed the Greek side of the procedure followed on international open tenders issued by the public sector for major construction projects.

Both sides agreed to explore the possibility of cooperation in projects of :

- construction and management of touristic villages

The Egyptian side expressed its interest in getting acquainted with Greek expertise in touristic villages management for those existing in the Mediterranean Coast (North Coast).

- construction of neighbourhoods in new communities

- construction of cement factories and building materials production units.

The Egyptian side asked the Greek side to participate in international open tenders for :

- the construction and management of a touristic village in the Mediterranean coast.

- the construction of a neighbourhood of about 5000 housing units, including infrastructure, service buildings etc.

The Greek side requested the Egyptian side to provide timely further information on the above projects as well as on any relevant, international tender in the future in order to facilitate the participation of Greek firms.

#### AGRICULTURE

Both sides reviewed with satisfaction the relations between the two countries in the field of agriculture and agreed to support the continuation of that cooperation by signing the protocol on Technical Cooperation in the Agricultural sector, in the soonest possible time,

in the framework of the Agreement on Economic and Technical Cooperation between the two countries signed on February 26, 1986.

#### Sponge Fishing :

The Greek side informed the Egyptian side of the Greek offer for sponge fishing in the Mediterranean side of Egyptian waters, which has been discussed between the parties concerned of both countries and requested to finalise the Agreement for this purpose.

The Egyptian side took note and will contact the Egyptian concerned organisation for quick answer in this respect.

#### TOURISM

Both sides expressed their willingness to promote their fruitful cooperation in the sector of tourism and agreed to explore various possibilities and identify effective ways and means for such cooperation.

The Egyptian side proposed that the idea of combined tours for both Greece and Egypt among others can be discussed during the coming visit of the high level official tourist delegation and the scheduled session for the Greek-Egyptian Committee of Tourist Co-operation.

#### TRADE AND FINANCE

a) Outstanding balance of the clearing account between Greece and Egypt about 6.6 million clearing U.S. Dollars.

The Greek side requested the settlement of the clearing account balance according to the Agreed Minutes of May 23, 1986.

The Egyptian side promised to recontact the Egyptian Competent Authorities to increase its exports of cotton and cotton yarn, among other items to Greece to fulfill the above mentioned balance within one year.

#### b) Tobacco :

The Egyptian side informed the Greek side that they have contacted the Eastern Company and undertook to solve the problem of contracted quantities of Greek Burley tobacco. Both sides agreed to support their traditional relations in the trade of tobacco.

#### c) Cement.

The Greek side requested :

- The settlement of the problem that has arisen between the Greek Cement Company AGET and the Egyptian Authorities regarding the transfer of the Distribution Station (cement depot ship) of the above company from Port Said.

- The Egyptian side stated that the Egyptian Competent Authorities will be duly informed and promised to settle the said problem in the spirit of existing cooperation between the two countries as soon as possible.

d) The Egyptian side requested the Greek side to use its positive efforts to facilitate the importation of diversified Egyptian exports into the Greek Market in general.

The Greek side promised to make efforts to assist the Egyptian side in its efforts to promote a wider range of Egyptian products in the Greek market.

e) The Joint Committee reviewed the present situation of bilateral trade and expressed its determination to make every possible effort in expanding trade between the two countries.

The Egyptian side informed the Greek side of the deficit in the balance of trade between the two countries on the Egyptian side's exports. Accordingly the Egyptian side asked the expansion of trade with Greece should be on a balanced basis.

f. The Egyptian side requested the Greek side to

look at reported problems related to the implementation of EEC Egyptian tariff Agreement concerning certain Egyptian commodities.

The Greek side promised to consider the subject as soon as possible.

g) The Egyptian side expressed the belief that the Greek market can absorb certain Egyptian non traditional exports like phosphate, ammonium nitrate, rock salt, glass sand and metallurgical coke.

The Greek side promised to inform concerned companies of said items.

Both sides exchanged indicative lists of items which could be traded between the two countries for further commercial transactions.

These lists are attached under annexes III and IV.

Both sides agreed to circulate these indicative lists to their respective business communities in order to promote bilateral trade for their mutual benefit.

#### TRANSPORTS

The Greek side requested the quick settlement of pending matters between Olympic Airways and the Egyptian Banks. Also between the Greek Telecommunication Organization and the Egyptian General Organization for Telecommunications.

The Egyptian side took notice of this request as described in the relevant letters and will inform the Greek side with the results of its investigation in due time.

#### OTHER MATTERS

#### a) Egyptian wakfs.

Both sides reiterate their commitments in accordance with the provisions of the Agreement signed in Athens 23.5.1986 and the Agreed Minutes signed on August 1st 1984, concerning the Egyptian Wakfs regarding the Greek commitment to convert in U.S. dollars and transfer to Egypt the equivalent in dollars of 72.220.000 drs as compensation to the Wakfs properties in Greek possessions and the proceeds of the future sales of Egyptian Wakfs properties in Kavala and Thassos.

b) Both sides agreed to support the establishment of closer contacts and cooperation between the business committees of the two countries and will study the form such cooperation could take.

The Egyptian side suggested the creation of a Joint Egyptian Greek business council and submitted a draft agreement to this end.

#### c) Indemnisation of Greek interest and Pensions

The Greek side requested that the Egyptian Competent Authorities will take necessary measures for the prompt and unimpeded implementation of the provisions of the Agreement of September 26, 1966 concerning the indemnisation of Greek interests in Egypt, in conformity with the obligations undertaken by the Egyptian side in the agreed Minutes of May 23, 1986. As the period of extension of one year for the implementation of the above Agreement, agreed by letters exchanged between the two parties on July 10th, 1986 is to be expired on July 10th 1987, the Greek side proposed the extension of the afore mentioned period for one more year from the date of the exchange of letters, during which all pending cases of applications submitted by Greek nationals in the period mentioned in 1966 Agreement will be settled.

An exchange of letters for the agreement on extending the said period for another year was signed by the two Heads of Delegations.

The Greek side also requested that the Egyptian Competent Authorities will take the necessary measures

for the regular and unimpeded transfer to Greece of all amounts of pensions deposited in Egyptian banks, and due to Greek citizens, residents of Egypt who had left to settle in Greece.

The Egyptian side took notice of this request.

d) Egyptian sailors.

The Egyptian side requested that the Greek Competent Authorities will facilitate the contacts between the Greek Shipowners Unions and the Egyptian Competent Authorities to negotiate outstanding problems of Egyptian sailors.

The Greek side promised to make every effort on this matter.

e) Egyptian Residents in Greece.

The Egyptian side requested and the Greek side agreed to facilitate through the Greek Competent Authorities all pending problems concerning residence and working permits issues of Egyptian nationals in Greece.

The deliberations between the two sides were held in a warm and friendly atmosphere and in a spirit of mutual understanding.

Both sides agreed that the next Session of the Joint Committee will be held in Cairo, on dates to be agreed upon through diplomatic channels.

Done and signed in Athens on the 9th of July 1987 in two originals in English.
