The purpose of these Regulations is to give further effect in Irish law to Article 3 and Articles 2 to 4 of Directive No. 2011/92/EU of the European Parliament and of the Council of 13 December 2011 on the assessment of the effects of certain public and private projects on the environment insofar as it applies to certain licensable activities that require both a land-use consent and an integrated pollution prevention and control licence.

These Regulations amend the Environmental Protection Agency Act 1992 (No. 7 of 1992) and the Planning and Development Act 2000 (No. 30 of 2000) so as to ensure that an environmental impact assessment is carried out, where required under Directive No. 2011/92/EU, in relation to relevant decisions of the Environmental Protection Agency to grant an integrated pollution prevention and control licence.
