## EXPLANATORY NOTE.

(This note is not part of the instrument and does not purport to be a legal interpretation)

These Regulations give legal effect to Directive 2004/41/EC and Regulations (EC) No. 852/2004, 853/2004, 854/2004, 882/2004 and 183/2005 concerning food and feed hygiene legislation (the Hygiene Package), insofar as they relate to the Department of Agriculture and Food. The Hygiene Package revises and consolidates legislation in relation to food and feed hygiene in relation to the production, control and marketing of food and feed. It requires, inter alia, that primary producers of food and feed products be registered with the Department of Agriculture and Food and that certain activities are subject to formal approval.
