ARTIFICIAL INSEMINATION OF DOMESTIC ANIMALS (JERSEY) ORDER 2008

THE MINISTER FOR PLANNING AND ENVIRONMENT, in pursuance of Article 2 of the Artificial Insemination of Domestic Animals (Jersey) Law 1952¹, orders as follows –

Commencement [[see endnotes](#)]

1 Application

Nothing in this Order applies in respect of the semen of cattle.

2 Semen of domestic animals – restrictions

A person must not collect, store, distribute or sell the semen of a domestic animal except with and in accordance with a licence granted by the Minister.

3 Male animal to be approved

A person must not collect semen from a male domestic animal for use for artificial insemination unless the animal has been approved for that purpose by the Minister.

4 Premises for storage of semen to be approved

A person must not –

- (a) use premises or equipment for storing the semen of domestic animals; or
- (b) employ a method for storing such semen,

unless the premises, equipment or method have been approved for that purpose by the Minister.

5 Citation

This Order may be cited as the Artificial Insemination of Domestic Animals (Jersey) Order 2008.
