Creation of State Forests

23. The Minister may, on the recommendation of the Board, by notice in the Gazette declare - (a) any unalienated Government land; (b) any land purchased or otherwise acquired by the Government, to be a state forest.

Creation of Local Authority forests

24. Upon the recommendation of the forest conservation committee for the area within which a forest is situated, the local authority and the Board, the Minister shall declare any land under the jurisdiction of a local authority to be a local authority forest where - (a) the land is an important catchment area, a source of water springs, or is a fragile environment; (b) the land is rich in biodiversity or contains rare, threatened or endangered species; (c) the forest is of cultural or scientific significance; or (d) the forest supports an important industry and is a major source of livelihood for the local community.

Private and farm forestry

25. (1) A person who owns a private forest, including a forest in the course of establishment, on land owned by the person may apply to the Service for registration under this section. (2) The Board shall register a forest under subsection (1) where the forest meets the criteria prescribed in regulations made under this Act. (3) Upon registration under subsection (2), the owner of a private forest shall be entitled to receive from the Service - (a) technical advice regarding appropriate forestry practices and conservation; (b) subject to availability of funds, loans from the Fund for the development of the forest, provided that the funds are obtained and utilised in accordance with the procedures set out by the Service; (4) A person who establishes or owns a private forest may apply to the relevant authorities for exemption from payment of all or part of the land rates and such other charges as may be levied in respect of the land on which the forest is established. (5) In this section, "private forest" includes arboreta and recreational parks.

Declaration of provisional Forest

26.(1) Upon the recommendation of the Board, the Minister may, by order published in the Gazette, declare any local authority forest or private forest, which in the opinion of the Board is mismanaged or neglected, to be a provisional forest. (2) A declaration under sub-section (1) of this section shall only be made where (a) the forest - is an important catchment area or a source of water springs; (ii) is rich in biodiversity and contains rare, threatened or endangered species; (iii) is of cultural or scientific significance; or (iv) supports an important industry and is a source of livelihood for the surrounding forest communities; and (b) the Director has issued a notice requiring the local authority or private owner, as the case may be, to undertake specific silvicultural practices to improve the forest, and such notice has not been complied with, or the forest owner is unable to undertake the specified practices. (3) A provisional forest shall be managed by the Service, in collaboration with the owner thereof, for a period of three years, which period shall be subject to review and any profits accruing therefrom shall be paid to such owner less the expenses incurred by the Service in managing the forest concerned.

Reversion of provisional forests

27.(1) A provisional forest shall revert to the owner where the Board is satisfied that it has been adequately rehabilitated and the owner has given an undertaking to efficiently manage it. (2) The Board may upon reversion of a provisional forest, prescribe for observance by the owner such conditions as may be necessary to ensure compliance with the provisions of this Act.

variation of boundaries or revocation of state or local authority forests

28.(1) A notice under this Part which it is proposed: (a) to vary the boundaries of a state or a local authority forest; or (b) to declare that a forest shall cease to be a state or local authority forest shall only be published where the proposal is recommended by the Service in accordance with subsection (2) and is subsequently approved by resolution of Parliament. (2) The Service shall not recommend any such proposal unless - (a) it has been approved by the forest conservation committee for the area in which the forest is situated; (b) it is satisfied that such variation of boundary or cessation of forest proposed by the notice - (i) shall not endanger any rare, threatened or endangered species; (ii) does not adversely affect its value as a water catchment area; and (iii) does not prejudice biodiversity conservation, cultural site protection of the or its use for educational, recreational, health or research purposes. (d) public consultation in accordance with the Third Schedule has been undertaken and completed in relation to the proposal.

Exchange of forests area with private land

29) Subject to section 29 (2), the Board may exchange part of a forest area with private land with the consent of the owner of such land where - (a) the exchange enhances the efficient management and protection of the forest; (b) the exchange is equitable to the Service and the land owner, according to an independent valuation, (c) an independent Environmental Impact Assessment has been conducted and has shown that such exchange shall not adversely affect the environment; and (d) the forest area to

be exchanged does not contain rare, threatened or endangered species and is not a water catchment area or a source of springs. (2) The Service or a local authority may, with the approval of the Minister, acquire by purchase any land suitable to be declared a state or local authority forest under this Act. (3) No purchase or exchange shall be transacted under this section unless prior public consultation is carried out in accordance with the Third Schedule. 30. (1) Every local authority shall establish and maintain arboreta, mini-forests or recreational parks for the non-consumptive use of persons residing within its area of jurisdiction.

Arboreta. Recreational Parks Mini-forests

30. (1) Every local authority shall establish and maintain arboreta, mini-forests or recreational parks for the non-consumptive use of persons residing within its area of jurisdiction. (2) For the purposes of subsection (1), every local authority shall cause housing estate developers within its jurisdiction to make provision for the establishment of mini-forests at the rate of at least five percent of the total land area of any housing estate intended to be developed. (3) Every local authority shall establish and maintain a recreational park in every market centre within its area of jurisdiction. (4) The Service shall facilitate and initiate the provision of technical assistance in the establishment and maintenance of mini-forests, recreational parks and arboreta by local authorities. (5) No arboretum, mini forest or recreational park shall be converted to any other use unless the local authority consults the residents of the area in the jurisdiction within which such arboretum, mini forest or recreational park is situated. (6) For purposes of this section, a local authority may in consultation with the Service prescribe conditions as to the species of trees to be planted in a mini-forest, arboretum or recreational park jurisdiction.

Donations and Bequests

31. (1) Any person who is registered as proprietor of land in accordance with the provisions of any written law may donate or bequeath all or part of that land to the state, a local authority, an educational institution, an association or a non-Governmental organisation for the development of forestry and the conservation of biodiversity. (2) The forest established on the land so donated or bequeathed to the State shall be gazetted in accordance with this Act and named after the person who has made the donation or bequest unless the instrument of bequest states otherwise. (3) The forest or land so donated or bequeathed shall not be used for any purpose other than the establishment and conservation of forests as originally desired by the previous owner.

Declaration of a nature reserve

32. (1) Upon the recommendation of the Service, the Minister may, in consultation with the Minister responsible for local authorities where appropriate, by notice in the Gazette declare any forest area, or woodland or any part thereof, which has a particular environmental, cultural, scientific, or other special significance, to be a nature reserve for the purpose of preserving its biodiversity and natural amenities thereof. (2) Where a nature reserve declared as such under subsection (1) occurs within a private forest, the Minister shall make such arrangements for compensation to the owner of such forest as may be arrived at by an independent valuer appointed by the Board on the recommendation of the relevant professional body. (3) No cutting, grazing, removal of forest produce, hunting or fishing, shall be allowed in a nature reserve except with the permission of the Director granted in consultation with other conservation agencies, which permission shall only be given with the object of facilitating research.

Special use of nature reserve

33(1) Any forest community, or person who is desirous of utilising or conserving any grove or forest which is part of a nature reserve for cultural, religious, educational, scientific or other reasons shall submit an application, in the prescribed form, to the Board through the forest conservation committee for the area in which the nature reserve occurs. (2) Upon receipt of the application referred to in subsection (1), the Board shall make inquiries regarding the application, including the

authenticity of the application and the suitability of the site vis-a-vis the activities for which the application is made, and, based on such inquiry, the Board may within three months of receipt of the application - (a)grant the application as requested; (b)grant the application on specified terms and conditions; or (c)refuse to grant the application, giving reasons for such refusal. (3) Where an application has been submitted under subsection (1), a person aggrieved by the decision of the Board may appeal to the National Environment Tribunal established under the National Environmental Management and Co-ordination Act. (4) Sacred groves found in any state forest, nature reserve, local authority forest or private forest shall not be interfered with and any person who, without lawful authority, fells, cuts, damages or removes any such grove or tree or regeneration thereof, or biodiversity therein, or abets in the commission of any such act commits an offence.

Presidential protection of trees

34.(1) The President may, on the advice of the Minister, by order published in the Gazette, declare any tree, species or family of tree species to be protected in the whole country or in specific areas thereof, and the Minister shall cause this information to be disseminated to the public.

(2) Any person who fells, cuts, damages or removes, trades in or exports or attempts to export any protected tree, species or family of trees or regeneration thereof or abets in the commission of any such act commits an offence.

(3) The provisions of subsection (1) shall be reversed when the President is, on the advice of the Minister, satisfied that the protection is no longer necessary.

Management plans

35.(1) Every state forest, local authority forest and provisional forest shall be managed in accordance with a management plan that complies with the requirements prescribed by rules made under this Act.

(2) The Service shall be responsible for the preparation of a management plan with respect to each state forest and provisional forest.

(3) A local authority shall be responsible for the preparation of a management plan with respect to each local authority forest within its jurisdiction.

Joint management of forests

36.(1) The Director may, with the approval of the Board, enter into an agreement with any person for the joint management of any forests. (2) The agreement referred to in subsection (1) may enjoin such person to use or refrain from using such forest or any part thereof in a particular manner in order to ensure the conservation of biodiversity: Provided that where an agreement enjoins such person to use or refrain from using the forest in any particular manner, it shall contain modalities of payment of compensation to such person for any loss incurred thereby. (3) Where any person enters into an agreement with the Director in accordance with sub-section (1) of this section, the agreement shall be enforceable against such person or his successors in title, assignees or any or all other persons deriving title from him. (4) Nothing in this section shall render enforceable any conservation agreement entered into under sub-section (1) where the use of such forest in accordance with such agreement contravenes the provisions of any law for the time being in force, or is inconsistent with any prior agreement relating to the use of such forest and which is binding on such owners, their successors in title or persons deriving title from them.

(3) A local authority shall be responsible for the preparation of a management plan with respect to each local authority forest within its jurisdiction.

(4) The Service or a local authority may discharge its responsibilities under this section by preparing any requisite plan and adopting it or by adopting a plan prepared by another person or body.

- (5) In preparing and adopting a management plan, the Service or the local authority shall consult with the local forest conservation committee.
- (6) The Director may, with the approval of the Minister, make rules to give effect to the provisions of management plans.

Management of plantation forests owned by the state

37. (1) All plantation forests owned by the state shall be managed by the Service on a sustainable basis with the primary objective being the production of wood and other forest products and services for commercial purposes. (2) Where the Board is satisfied that all or part of a state forest which is a plantation forest may be efficiently managed through a licence, concession, contract, joint agreement, it may place an advertisement in two daily newspapers of national circulation calling for applications from interested persons for the management of the same. (3) An applicant under subsection (2) shall submit to the Board together with his application, a proposed management plan in respect of the forest which is the subject of the application. (4) Where the Board approves an application submitted under subsection (3) and intends to enter into a management agreement as specified under sub-section (2), it shall publish its intention in two daily newspapers of national circulation at least thirty days before the agreement is due to take effect. (5) A management agreement entered into by the Board with the successful applicant shall specify among other things - (a) the duration of agreement; (b) the terms and conditions under which the applicant shall manage the forest; (c) any charges payable to the Service; (d) a management plan to be followed by the applicant; (e) the mechanism for settlement of disputes arising in respect of the agreement, and (f) the circumstances under which the agreement may be terminated. (6) The Board shall, before entering into an agreement, call for an independent inventory of the forest and other relevant data to enable it determine the true value of such forest. (7) Management agreements may be entered into or renewed subject to such conditions as may be prescribed by the Board: Provided that: (a) no part of a state forest which contains rare, threatened or endangered species, or which has particular environmental, cultural or scientific significance, or which has been declared a nature reserve under this Act, shall be included in such agreements. (b) no applicant may assign, exchange, transfer or convey the agreement or any part of his rights or interests therein without the prior written consent of the Board; (8) The applicant may assign, exchange, transfer or convey the agreement only where - (a) the agreement has been in existence for at least six (6) years; (b) he has not violated any provisions of this Act, and has complied with the terms and conditions of the agreement; (c) the assignee would himself qualify to be an applicant under this section; and (d) the Board has approved such assignment, exchange or transfer. (9) Where the applicant assigns, exchanges, or transfers his agreement without the approval of the Board, the agreement shall lapse and the management of the forest shall revert to the Service. (10) Any person aggrieved by the decision of the Board to enter into a management agreement for a plantation forest under this section may, within the period specified in subsection (4), make representations to the Board, and the Board shall consider such objections and take such action as is justified in the circumstances.

Management of local authority forests

38. (1) Each local authority shall, with the assistance of the Service, be responsible for the protection and management of all forests and woodlands under its jurisdiction, and shall ensure that such forests are managed on a sustainable basis in accordance with an approved management plan. (2) The provisions contained in this Act regarding the management of indigenous forests shall apply to the management of indigenous forests situated within the jurisdiction of a local authority. (3) A forest officer responsible for the area shall, in consultation with the forest conservation committee, make inspection visits at least twice a year, and shall make a report thereon to the Director as to whether such forests are managed in accordance with the provisions of this Act.

(4) The Director shall report to the Board on a forest officer's report received under subsection (3), and the Board may, if it is satisfied that it is in the public interest for a local authority forest to be managed by the Service, make appropriate recommendations to the Minister.

(5) The Minister may declare a local authority forest in respect of which a report is received under this section to be a provisional forest.

Local authority forest management agreements

39.(1) A local authority may, upon application by a company, government agency, a forest community, a professional association, an educational institution, or non Governmental organisation, a co-operative society, or an individual, and after approval by the Board has been obtained, enter into an appropriate management agreement for all or part of any forest within its jurisdiction.

(2) A management agreement entered into under subsection (1) shall specify

(3) The Board may enter into a joint management agreement for the management of any state indigenous forest or part thereof with any person, institution, government agency or forest association.

Consent for mining and quarrying

42.(1) The Board shall only give its consent for mining and quarrying operations in a forest area where -

- (a) the area does not contain rare, threatened or endangered species;
 - (b) the forest does not have any cultural importance or contain sacred trees or groves;
 - (c) an independent Environmental Impact Assessment has been carried out;
 - (d) the miner has undertaken through execution of a bond the value of which will be determined by the Board, to rehabilitate the site upon completion of his operation to a level prescribed by the Board;
 - (e) the forest is not an important catchment area or source of springs:
provided that that minister may, on the recommendation of the board, and in consultation with the minister responsible for mining, publish rules to regulate and govern mining operations in such forest areas; and
 - (f) the carrying on of the mining and quarrying operations shall not contravene any rules made under this Act.
- (2) Subject to subsection (1), mining and quarrying may be carried out in a state or local authority forest under the authority of a licence issued by the Service and the local authority.
- (3) A licence under subsection (2) shall not be issued unless the applicant has implemented safety measures to prevent injury to human beings, livestock and wildlife traversing the forest, and consent therefor has been obtained from the Commissioner of Mines.

Requirement for re-vegetation

43. (1) The conditions on which a licence for mining and quarrying, or any other activity carried out in the forest, shall, where the activity concerned is likely to result in the depletion of forest cover in any forest, include a condition requiring the licensee to undertake compulsory re-vegetation immediately upon the completion of the activity.

(2) Re-vegetation shall be undertaken in consultation with the Service, which shall determine the seeds and seedlings proposed to be used in such re-vegetation.

Offences in relation to mining, quarrying or re-vegetation

44. Any person who contravenes the provisions of this Act in relation to activities in forest areas relating to mining, quarrying or re-vegetation commits an offence and shall be liable on conviction to imprisonment for a term of not less than six months, or to a fine of not less than one hundred thousand shillings, or to both such fine and imprisonment.

Activities outside management plans

45. (1) Any activities within a forest area which are not included in a management plan shall only be undertaken with the consent of the Board granted in accordance with this section. (2) A person

intending to undertake any activity referred to in subsection (1) within a forest area shall apply in that behalf to the Board, and the application shall be accompanied by the results of an independent Environmental Impact Assessment conducted in respect of the proposed activity. (3) Where the Board intends to grant its approval under this section, it shall cause a notice of such intention to be published in the Gazette and in at least two newspapers of national circulation, and posting a notice in such manner as to bring to attention of the persons likely to be directly affected by such activity, and giving a period of not less than ninety days within which any person may make objections to the Board. (4) The Board shall deliberate on any objection received and deliver its decision to the objector within a period of sixty days from the date of receipt thereof. (5) Any objector aggrieved by a decision of the Board under this section may within sixty days after receipt of such decision appeal to the High Court.

Application for Community participation

46.(1) A member of forest community may, together with other members or persons resident in the same area, register a community forest association under the Societies Act. (2) An association registered under subsection (1) may apply to the Director for permission to participate in the conservation and management of a state forest or local authority forest in accordance with the provisions of this Act: Provided that no application under this subsection shall be made where there is an existing prior agreement or licence. (3) The application referred to in subsection (2) shall be in the prescribed form and shall contain - (a) a list of the members of the association and its address; (b) the Constitution of the association; (c) the association's financial regulations; (d) the area of forest for which the association proposes to undertake conservation and management; (e) the association's proposals concerning - (i) use of forest resources; (ii) methods of conservation of biodiversity; (iii) methods of monitoring and protecting wildlife and plant populations and enforcing such protection; and (f) such other information as the Director may require. (4) Where there is no management plan in respect of the area, or where the association proposes that there be a new management plan, the application shall be accompanied by a draft management plan. (5) The provisions of this Act regarding management plans shall apply in respect of the draft management plan submitted under subsection (4). (6) The Director shall cause to be kept an up to date record of all associations participating in the conservation or management of forests.

Functions of a forest association

1) An association approved by the Director under section 46 to participate in the management or conservation of a forest or part of such forest shall - (a) protect, conserve and manage such forest or part thereof pursuant to an approved management agreement entered into under this Act and the provisions of the management plan for the forests (b) formulate and implement forest programmes consistent with the traditional forest user rights of the community concerned in accordance with sustainable use criteria; (c) protect sacred groves and protected trees; (d) assist the Service in enforcing the provisions of this Act and any rules and regulations made pursuant thereto, in particular in relation to illegal harvesting of forest produce; (e) with the approval of the Board enter into partnerships with other persons for the purposes of ensuring the efficient and sustainable conservation and management of forests; (f) keep the Service informed of any developments, changes and occurrences within the forest which are critical for the conservation of biodiversity; (g) help in fire fighting; and (h) do any other act that is necessary for the efficient conservation and management of the forest.
