FAUNA CONSERVATION ORDINANCE, 1963
(No. 11 of 1963)

An Ordinance to consolidate and amend the law for the protection and conservation of certain species of wild animals and birds; and for purposes connected therewith and incidental thereto.

[15th July, 1964]

ENACTED by the Legislature of North Borneo as follows:—

PART I

PRELIMINARY

1. This Ordinance may be cited as the Fauna Conservation Ordinance, 1963, and shall come into operation upon such date as the Governor may, by notice in the *Gazette*,* appoint. Short title and commencement.

2. (1) In this Ordinance, unless the context otherwise requires— Interpretation.

“Assistant Game Warden” means a District Forest Officer in respect of his Forest District and any other public officer whom the Chief Minister may, by notice in the *Gazette*, appoint to be an Assistant Game Warden;

FAUNA CONSERVATION

7

3. None of the provisions of this Ordinance shall apply in any area for the time being included in the area of a national park constituted as such under the provisions of the National Parks Ordinance.

Non-application.

5/62.

PART II

ADMINISTRATIVE

4. (1) The Chief Game Warden may, with the approval of the Minister, appoint fit and proper persons to be Honorary Game Wardens for the purpose of assisting in the carrying into effect of the provisions of this Ordinance.

Honorary Game Wardens.

(2) An Honorary Game Warden shall, unless his appointment be sooner revoked, hold office for a period of three years but at the end of any period of office shall be eligible for re-appointment.

5. The Chief Game Warden may, with the approval of the Minister, appoint such numbers of Game Rangers as he may consider necessary for carrying into effect the provisions of this Ordinance.

Game Rangers.

6. (1) The Chief Game Warden shall be charged with the responsibility for the protection and conservation of the wild fauna of Sabah and shall, subject to the provisions of this Ordinance, have the general superintendence of all matters within the provisions of this Ordinance.

Responsibilities etc. of officers.

(2) All Deputy Game Wardens, Assistant Game Wardens, Honorary Game Wardens and Game Rangers shall, in the exercise of the powers and performance of the duties conferred or imposed upon them by or under the provisions of this Ordinance, conform with any lawful instructions or directions, whether general or special, which may be given to them in respect of such exercise or performance by the Chief Game Warden.

(3) Game Wardens and Game Rangers shall be deemed to be public servants within the meaning of the Penal Code.

3/59.

"Declaration of authority."

6A. (1) When any game officer exercises any of his powers or performs any of his duties under this Ordinance he shall declare his office or authority (as the case may be) and produce for inspection an authority card (describing his office or authority) as the Chief Game Warden may direct to be carried by such officer if—

- (a) his act or office or authority is challenged;
- (b) he is acting against any person; or
- (c) he exercises his powers of search seizure or arrest without a warrant to do so.

(2) Notwithstanding anything to the contrary in this Ordinance it shall not be an offence for any person to refuse to comply with any directions given by any game officer if the officer fails to comply with the requirements of subsection (1)."

7. (1) Upon the recommendation of the Chief Game Warden, the Yang di-Pertua Negara may, after such inquiry as he may deem necessary, declare* any area to be a Game Sanctuary or a Bird Sanctuary. Declaration of Sanctuaries.

(2) A declaration under subsection (1) of this section shall be published in the *Gazette* and shall not have effect until after the expiration of a period of four weeks from the date of such publication.

*See G.N. 504/72.

(3) Nothing in this section shall be construed as preventing an area from forming a part or the whole of both a Game Sanctuary and a Bird Sanctuary.

(4) Any bird sanctuary declared as such under the provisions of the Wild Animals and Birds Preservation Ordinance and in existence as such at the date of commencement of this Ordinance shall be deemed to have been so declared under the provisions of subsection (1) of this section.

(5) Upon the recommendation of the Chief Game Warden, the Yang di-Pertua Negara may, by notice in the *Gazette*, declare that any Sanctuary shall cease to be a Sanctuary and may alter the boundaries of any Sanctuary:

Provided that the provisions of subsection (1) of this section shall apply to any such alteration of boundaries which has the effect of including in a Sanctuary any area which was not so included prior to such alteration.

PART III

LICENCES

Issue of
licences.

8. (1) Subject to the provisions of subsection (2) of section 6 of this Ordinance, the following licences may be issued to any person by a Game Warden in his* absolute discretion—

(a) a “game licence” which shall authorise the licensee to hunt the types and numbers of game animals specified therein:

Provided that no game licence shall authorise the hunting of female elephant;

(b) a “forest game licence” which shall authorise the licensee to hunt, in a reserved forest, the types and numbers of wild animals and wild birds specified therein;

(c) a “megapode egg licence” which shall authorise the licensee to take the eggs of the Megapode;

(d) a “turtle licence” which shall authorise the licensee to hunt the types and numbers of turtles specified therein;

(e) a “turtle egg licence” which shall authorise the licensee to take the eggs of such types of turtle as may be specified therein.

(2) Notwithstanding any other provisions of this Ordinance, the Chief Game Warden may, in his absolute discretion and upon such conditions as he may deem fit, issue to any person or group of persons a “special licence” which

shall entitle the holder thereof to hunt the animals or birds specified therein for the purpose of scientific research or the collection of specimens for zoological gardens, museums and similar institutions:

Provided that no special licence shall authorise the hunting of rhinoceros or orang hutan.

9. (1) For the purpose of computing the number of animals or birds which may be hunted under a licence all animals or birds which are killed, wounded or captured shall be taken into account. General provisions as to licences.

(2) Subject to the provisions of this Ordinance relating to the cancellation of licences, a licence shall only be valid for such period as may be specified therein:

Provided that a licence shall cease to be valid if the total number of animals specified therein have been killed, wounded or captured.

(3) Every licence shall be personal to the person to whom it was issued and shall not be transferable.

(4) A licence shall only be valid in such area or areas as may be specified therein, and no licence shall be issued in respect of any Sanctuary.

(5) Every holder of a licence shall carry such licence with him when engaged upon any of the activities authorised by such licence and any person who fails so to carry such licence shall be guilty of an offence and liable to a fine of two hundred dollars.

(6) A person to whom a game licence, forest game licence or special licence has been issued shall, within seven days after such licence ceases to be valid by virtue of the provisions of subsection (2) of this section, report to a Game Warden the number of head of animals killed, wounded or captured under such licence and the location of each such killing, wounding or capture, and any person who fails to comply with the provisions of this subsection shall be guilty of an offence.

PART IV

REGULATION OF HUNTING

10. Any person who, otherwise than in accordance with a special licence, hunts any protected animal shall be guilty of an offence and liable to imprisonment for five years and a fine of five thousand dollars. Hunting of protected animals.

Hunting of
protected
birds etc.

11. (1) Any person who, otherwise than in accordance with a special licence, hunts any protected bird, or takes the eggs of any protected bird other than the Megapode, shall be guilty of an offence.

(2) Any person who, otherwise than in accordance with a megapode egg licence, takes any eggs of the Megapode shall be guilty of an offence.

(3) Any person guilty of an offence under the provisions of this section shall be liable to imprisonment for three months and a fine of five hundred dollars.

Hunting of
game
animals.

12. Any person who, otherwise than in accordance with a game licence, hunts any game animal shall be guilty of an offence.

Hunting in
reserved
forest.

13. Any person who, otherwise than in accordance with a forest game licence, hunts any wild animal or wild bird in a reserved forest shall be guilty of an offence.

Hunting etc.
of turtles.

14. Any person who, otherwise than in accordance with a turtle licence, hunts any turtle or who, otherwise than in accordance with a turtle egg licence, takes, disturbs or removes any turtle egg shall be guilty of an offence.

Prohibited
methods etc.
of hunting.

15. (1) No person, whether the holder of a licence or not, shall—

(a) discharge any firearm at or in the direction of any animal from any aeroplane or motor vehicle;

(b) wilfully use any aeroplane or motor vehicle so as to drive, stampede or otherwise unduly disturb any protected animal;

(c) hunt any animal within half a mile of any salt lick, that is to say a mineral spring or any ground containing or bearing salt or other mineral which is attractive to animals, or, for the purpose of hunting any animal, wait or build any platform within half a mile of any such salt lick;

(d) for the purpose of hunting any animal, set, place or prepare any set-gun, spring gun, spring trap, engine, sharpened stake, game-pit or pitfall or any contrivance whatsoever likely to endanger human life or cause bodily injury to any person;

(e) hunt any animal by any method, in any manner or by any means that the Chief Game Warden may, by notice in the *Gazette*, declare to be prohibited.

(2) Any person who contravenes any of the provisions of this section shall be guilty of an offence.

FAUNA CONSERVATION

11

16. (1) Nothing in this Ordinance shall make it an offence to kill or injure by any means any animal in immediate defence of human life: Defence of life and property.

Provided that this subsection shall not apply to the killing or injuring of any animal by a person committing any unlawful act or under circumstances amounting to deliberate provocation or enticement of such animal by, or with the knowledge and consent of the person killing or injuring such animal.

(2) Where any protected animal or bird has done, is doing or is about to do any material damage to or upon any building or any land which is for the time being under cultivation or which is fenced or otherwise enclosed for any agricultural purposes, including the maintenance of domestic stock, it shall, notwithstanding any other provisions of this Ordinance, be lawful for the occupier of such land or any person duly authorised by him to hunt and destroy any such animal:

Provided that this subsection shall not authorise the hunting or destruction of any rhinoceros or orang hutan.

(3) Where any protected animal is killed or injured in any of the circumstances mentioned in this section—

(a) the person so killing or injuring such animal shall report the circumstances thereof as soon as possible to the nearest authorised officer; and

(b) the onus of proof that such killing or injuring was justified under the provisions of this section shall lie upon such person:

Provided that this subsection shall not apply to the killing or injuring of any animal by the game officer.

(4) Any person failing to make any report required by paragraph (a) of subsection (3) of this section shall be guilty of an offence.

(5) Where a report is made under subsection (3) of this section to an authorised officer who is not a Game Warden such officer shall, as soon as is practicable, forward the same to the nearest Game Warden.

17. Notwithstanding any other provisions of this Ordinance, any game officer may kill or authorise the killing of any animal in any place and in any manner if he considers such killing necessary in the interests of public safety or of the protection of property. Destruction of dangerous animals.

PART V
TROPHIES ETC.

Government trophies.

18. (1) The following shall be Government trophies and the property of the Government—

- (a) any ivory or rhinoceros horn found without an owner;
- (b) any scheduled species found dead or killed by mistake or under the provisions of section 16 of this Ordinance;
- (c) any scheduled species killed or captured unlawfully;
- (d) any trophy in respect of which any breach of the provisions of this Ordinance has been committed;
- (e) the meat of any animal referred to in paragraph (c) of this subsection.

(2) Any person who by any means obtains possession of a Government trophy shall forthwith make a report thereof to the nearest authorised officer and shall, if so required, hand such trophy over to such officer.

(3) Any person who—

- (a) fails to make a report required by subsection (2) of this section; or
- (b) is unlawfully in possession of or who unlawfully deals in, any Government trophy,

shall be guilty of an offence.

Ownership, sale etc. of trophies.

19. (1) Any game officer may issue a certificate of ownership to any person who is in lawful possession of a trophy.

(2) No person shall transfer by gift, sale or otherwise to any person any trophy unless he is in possession of a certificate of ownership in respect thereof, and such certificate shall be handed to the transferee at the time of transfer.

(3) No person shall receive by gift, purchase or otherwise any trophy unless he receives, together with such trophy, the certificate of ownership in respect thereof.

(4) Nothing in this section shall make it an offence for any person to have in his possession without a certificate of ownership any trophy, or any article manufactured from such trophy, being, or being part of, an animal killed by himself under the authority of a licence, but the onus of proof that such animal was so killed shall lie on such person.

FAUNA CONSERVATION

(5) Any person who contravenes any of the provisions of subsection (2) or (3) of this section shall be guilty of an offence.

20. (1) No person shall keep in captivity any live animal or bird of any scheduled species except in accordance with a permit issued by a Game Warden in that behalf, and any person contravening the provisions of this subsection shall be guilty of an offence.

Permit to keep live animals etc.

(2) A permit issued under this section—

(a) shall be in addition to any certificate of ownership required by section 19 of this Ordinance;

(b) shall be valid for a period of one year from the date of issue thereof;

(c) shall be personal to the person to whom it is issued and shall not be transferable.

(3) Any animal or bird kept under the authority of a permit issued under this section shall be made available for inspection, together with the cage or other enclosure in which it is normally kept, by any game officer at all reasonable times, and any person who fails to allow a game officer to make such inspection when so required shall be guilty of an offence.

(4) If upon an inspection made under this section a game officer is satisfied that the animal or bird concerned is not being adequately cared for or that the conditions under which such animal or bird is kept are not reasonably healthy or humane the game officer may forthwith cancel the permit concerned and confiscate such animal or bird.

21. Notwithstanding any of the provisions of the Animals Ordinance, no licence to import or export any animal or bird of any scheduled species shall be issued by any officer under the said Ordinance without the approval of a Game Warden.

Import and export under Animals Ordinance 16/62.

22. (1) Save as hereinafter provided, any person who buys, sells or exports, or is found in circumstances showing that it is his intention to buy, sell or export, the meat of any scheduled species shall be guilty of an offence.

Sale etc. of game meat.

(2) A native resident in any area other than an urban area may barter with any other native resident in such area for food to be consumed by himself or his dependants the meat of any deer lawfully obtained by him.

(3) In this section “buy” and “sell” include exchange and barter and “sell” includes offering or exposing for sale.

PART VI

OFFENCES, PENALTIES ETC.

Powers of search, seizure and arrest.

23. (1) If any authorised officer or District Officer has reasonable grounds for believing that any person has committed an offence against this Ordinance, he may—

- (a) require any such person to produce for inspection any animal, bird, meat or trophy in such person's possession, or any fire-arm or other weapon, trap, net, or other instrument, material or thing whatsoever in relation to or in connection with which an offence appears to such officer to have been committed, or any licence or other document required to be kept by such person under the provisions of this Ordinance;
- (b) enter and search, with or without assistance, any land, building, tent, vehicle or boat in the occupation or possession of such person and open and search any baggage or any other thing in the possession of such person:
Provided that no dwelling-house shall be entered without a warrant;
- (c) seize and detain any animal, meat or trophy which appears to such officer to be the property of the Government, or any vehicle, boat, firearm or other weapon, trap, net, or other instrument, material or thing whatsoever in relation to or in connection with which such offence appears to such officer to have been committed, whether or not it is in immediate possession of any person;
- (d) arrest or detain any such person unless such officer is satisfied that the person concerned will appear and answer any charge which may be preferred against him.

(2) Any person detained or thing seized under the powers conferred by subsection (1) of this section shall forthwith be taken before a competent court to be dealt with according to law:

Provided that wherever any apparently unlawful means of hunting cannot practicably be removed from its location such means of hunting may forthwith be rendered inoperative.

(3) Any person who—

- (a) without reasonable excuse, fails to produce anything which under the powers conferred by this section he is required to produce; or

FAUNA CONSERVATION

(b) resists or obstructs any officer in the exercise of the powers conferred upon such officer by this section, shall be guilty of an offence.

(4) An authorised officer may stop and detain any person whom he sees doing an act for which a licence or permit is required under the provisions of this Ordinance for the purpose of requiring such person to produce such licence or permit, and if such person fails to produce such licence or permit he may be arrested by such officer without a warrant unless he furnishes his name and address and otherwise satisfies such officer that he will duly answer any summons or other proceedings which may be taken out or instituted against him.

(5) The Government shall not be responsible for any loss or damage which may occur to any property during an act of seizure or whilst such property is detained under subsection (1) of this section, and no officer shall be responsible for any such loss or damage unless he shall have caused the same maliciously or fraudulently or by gross negligence.

24. Any Game Warden may, subject to the directions of the Attorney-General, conduct any prosecution for an offence against this Ordinance. Prosecutions.

25. (1) Where any person is convicted of an offence against this Ordinance, or, in default of a conviction, where no person has within three months of a seizure of anything mentioned in paragraph (c) of subsection (1) of section 23 of this Ordinance appeared to answer a charge preferred against him in relation thereto, a court may order that any animal, bird, meat, trophy, firearm or other weapon, trap, net, or other instrument, material or thing whatsoever in relation to or in connection with which the offence has been committed shall be forfeited to and become the property of the Government. Powers of court on conviction, etc.

(2) Any conviction of the holder of any licence or permit issued under this Ordinance for any offence against the provisions of this Ordinance shall, unless the court otherwise directs, have the effect of cancelling any licence or permit with effect from the date of such conviction.

(3) Where any person is convicted of a second or subsequent offence against this Ordinance the court may direct that such person be disqualified from holding any licence for a period not exceeding three years from the date of such conviction, and any person who, whilst so disqualified, obtains or attempts to obtain any licence shall be guilty of an offence.

(4) Where any person is convicted of an offence against this Ordinance in respect of any pitfall, game-pit or similar excavation or any device fixed to the ground which such person has made for the purpose of hunting, the court may, in addition to or in lieu of any other punishment, order that such pitfall, game-pit, excavation or device shall be destroyed or obliterated in such manner as the court may specify, and any expenditure incurred on account of such order shall be recoverable from such person as a civil debt.

Summary
imposition
of penalties.

26. (1) A Game Warden may, if he is satisfied that any person is guilty of an offence against this Ordinance or any regulations made thereunder, summarily demand from such person a fine in respect of such offence not exceeding five hundred dollars or one-half of the maximum fine prescribed for such offence, whichever is the less.

(2) Any person from whom payment of a fine has been demanded under the provisions of this section may elect to admit his liability and pay the fine or dispute his liability and await prosecution, and he shall be so informed at the time by the Game Warden making the demand.

(3) The payment forthwith, or within such time as the Game Warden may specify, of any fine demanded under the provisions of this section shall operate as a bar to any further penal proceedings against the person making such payment in respect of the offence concerned.

(4) Should the person from whom a fine is demanded under the provisions of this section fail to pay such fine forthwith, or within the time specified, as the case may be, such summary demand shall not in any way relieve such person of any liability which he may have incurred or be a bar to his conviction and punishment by a competent court in respect of the offence alleged.

(5) The payment of a fine demanded under the provisions of this section shall not, for the purposes of this or any other written law, be deemed to be a conviction in respect of the person making such payment.

(6) A Game Warden receiving payment of a fine from any person under the provisions of this section shall give a receipt to such person in such form as may be prescribed and shall pay such fine into the general revenue.

Offences in

with
Sanctuaries
and reserved
forest.

27. (1) Subject to the provisions of subsection (4) of this section, any person who, whether the holder of a licence or not—

(a) hunts, or is found in circumstances showing that it is his intention to hunt, any wild animal in a Game Sanctuary, or

FAUNA CONSERVATION

17

(b) hunts, or is found in circumstances showing that it is his intention to hunt, any wild bird, or disturbs or removes the nest or eggs of any wild bird, in a Bird Sanctuary,
shall be guilty of an offence.

(2) Save as is hereinafter provided, any person who carries, or has in his possession, in any Sanctuary or reserved forest any firearm or any net, snare, trap or other apparatus for hunting shall be guilty of an offence.

(3) Subsection (2) of this section shall not apply to—

- (a) any game officer or public officer on duty requiring his presence in the Sanctuary or reserved forest concerned;
- (b) any resident in a Sanctuary or reserved forest who, in such Sanctuary or forest, carries or is in possession of a firearm or apparatus in accordance with a permit in that behalf issued by a Game Warden;
- (c) the holder of a forest game licence who, in any reserved forest specified in such licence, carries or in possession of such firearms or apparatus as may reasonably be required for the purpose of hunting any animals or birds specified in such licence;
- (d) any person carrying a firearm or apparatus whilst travelling through a Sanctuary or reserved forest along a public road or along any route authorised by a Game Warden.

(4) The Chief Game Warden, if he is satisfied that any animal or bird should be hunted in a Sanctuary for the better preservation of other fauna or for other good and sufficient reason, may authorise any person to hunt, subject to the directions of the Chief Game Warden, such animal or bird in such Sanctuary, and the foregoing provisions of this section and the provisions of this Ordinance relating to hunting of scheduled species without a licence shall not apply to such person whilst so hunting.

28. Any person guilty of an offence against this Ordinance for which no other penalty is provided shall be liable to imprisonment for six months and a fine of one thousand dollars.

General
penalty.

29. Any Government trophy and anything which is confiscated or forfeited to the Government under the provisions of this Ordinance shall be destroyed or otherwise disposed of in accordance with any general or special directions which the Chief Game Warden may issue.

Disposal of
confiscated

property.

PART VII

GENERAL

Cancellation
of licences
etc. by Chief
Game
Warden.

30. (1) Notwithstanding any other provision of this Ordinance, the Chief Game Warden may, in his absolute discretion and without assigning any reason therefor, suspend or cancel any licence, permit or authorisation issued under the provisions of this Ordinance.

(2) Where a licence or permit is cancelled under the provisions of this section the Chief Game Warden may, if he thinks fit, refund the whole or any part of any fee paid in respect of such licence or permit.

Fees.

31. The fees set forth in the Second Schedule to this Ordinance shall be payable in respect of the matters therein stated.

of First
Schedule.

32. The Yang di-Pertua Negara may, by order published in the *Gazette*, delete from, vary or add to the First Schedule to this Ordinance any wild animal or wild bird.

Special
provisions
as to
turtle eggs.

33. (1) The Yang di-Pertua Negara may, by notice in the *Gazette*—

- (a) specify* areas which shall be reserved for the collection of turtle eggs by natives;
- (b) constitute† turtle farms wherein exclusive rights may be granted for the collection of turtle eggs.

(2) Notwithstanding any other provision of this Ordinance, where any area has been specified under paragraph (a) of subsection (1) of this section—

- (a) turtle eggs may, subject to any regulations or rules made under this Ordinance, be collected by natives without a turtle egg licence;
- (b) no turtle egg licence shall be issued to any person in respect of such area.

Power to
make
regulations.

34. The Yang di-Pertua Negara may make regulations‡—

- (a) prescribing close seasons within which it shall not be lawful to hunt all or any particular animals;
