HOUSE OF REPRESENTATIVES
FIFTEENTH NORTHERN MARIANAS COMMONWEALTH LEGISLATURE
FIFTH SPECIAL SESSION, 2006

PUBLIC LAW NO. 15-92
H. B. NO. 15-192, SD1

AN ACT

To repeal and reenact 2 CMC § 4743(f) to restore the prioritization of land compensation claims; and for other purposes.

BE IT ENACTED BY THE FIFTEENTH NORTHERN MARIANAS COMMONWEALTH
LEGISLATURE:

1 **Section 1. Findings and Purpose.** The Legislature finds that Public Law No. 13-17,
2 the "Land Compensation Act of 2002," prioritized compensation in order to balance the need
3 to compensate landowners with the need to address critical infrastructure needs, namely,
4 issues of right of way and road construction. Compensation was prioritized as follows: (1)
5 Right of Way purposes, including but not limited to public road construction; (2) Public
6 Ponding Basin construction; (3) Wetland; and (4) Other claims. The Legislature further finds
7 that Public Law No. 14-29 removed this prioritization with the intent to treat all claims
8 equally. However, the Legislature now finds that many capital improvement road projects are
9 at a standstill as landowners still have not been compensated for their lands. In fact, millions
10 of dollars were used to compensate wetland and ponding basin claims first. The government
11 neglected to address critical right of way claims thus continuing to leave many road
12 construction projects in limbo. Therefore, the purpose of this Act is to restore the
13 prioritization of land compensation claims so that the Commonwealth can proceed with its
14 crucial road construction projects.

15 **Section 2. Amendment.** 2 CMC § 4743 (f) is hereby repealed and reenacted as
16 follows:

17 “(f) In implementing this Act, the Department of Public Lands shall first
18 compensate the acquisition of private lands for right of way purposes, including but
19 not limited to public road construction by date order first certified. After those claims
20 have been compensated, the Department of Public Lands shall then compensate those

1 claims involving the acquisition of private land for the purpose of constructing public
2 ponding basins. Wetland and other claims shall be entertained only after claims
3 involving right of way and ponding basin acquisitions have been compensated."

4 Appendix 1 is a listing from DPL of all currently existing uncompensated land
5 claims. All claims on this list shall be settled by date order first certified prior to any
6 other.

7 **Section 3. Severability.** If any provision of this Act or the application of any such
8 provision to any person or circumstance should be held invalid by a court of competent
9 jurisdiction, the remainder of this Act or the application of its provisions to persons or
10 circumstances other than those to which it is held invalid shall not be affected thereby.

11 **Section 4. Savings Clause.** This Act and any repealer contained herein shall not be
12 construed as affecting any existing right acquired under contract or acquired under statutes
13 repealed or under any rule, regulation, or order adopted under the statutes. Repealers
14 contained in this Act shall not affect any proceeding instituted under or pursuant to prior law.
15 The enactment of the Act shall not have the effect of terminating, or in any way modifying,
16 any liability, civil or criminal, which shall already be in existence on the date this Act
17 becomes effective.

18 **Section 5. Effective Date.** This Act shall take effect upon its approval by the
19 Governor or becoming law without such approval.
