**ANAMBRA STATE OF NIGERIA****2015, NO. 9**

A Law to establish the Anambra State Waste Management Authority and to provide for related matters.

The House of Assembly of Anambra State ENACTS as follows:

PART I – PRELIMINARY PROVISIONS

1. This Law may be cited as the Anambra State Waste Management Authority Law, 2015, and shall come into force on **4th day of June, 2015.** Citation and Commencement.

2. In this Law: Interpretations.
 - “abandoned vehicle”** means any vehicle not in use and parked in an inappropriate manner and obstructing free flow of traffic or causing nuisance;
 - “authority”** means the Anambra State Waste Management Authority established under Section 3 of this Law;
 - “built up area”** means an area where there are structures or buildings either inhabited or uninhabited;
 - “commercial vehicle”** means taxis, buses and trucks of all descriptions used in conveying commuters and goods for a fee;
 - “commissioner”** means the Honourable Commissioner for Environment;
 - “company”** means a business organization or corporate body duly registered as such under the Companies and Allied Matters Act, Cap. C23, Laws of the Federation of Nigeria, 2004, and may be Unlimited or Limited Liability (Public or Private) Company;
 - “constitution”** means the Constitution of the Federal Republic of Nigeria, Cap. C20, Laws of the Federation of Nigeria, 2004;
 - “court”** or **“sanitation court”** means the Environmental Sanitation Court established under Section 30 of this Law;
 - “deposit”** means to put or lay down in a particular place;
 - “disposal”** means getting rid of waste;
 - “domestic waste”** means garbage and other discarded solids resulting from private dwelling, or residential home or premises or educational establishment, or a nursing home and includes liquid waste;
 - “dump site”** means designated place approved by the Authority for the discarding of specified type of waste;

“employees” means officers in the public service of the State or in the service of a Local Government and who are transferred to the authority;
“essential services” includes services in Hospitals, Media Houses, Fire Services, Law Enforcement Agencies and other services as may be declared to be essential services from time to time by the authority;

“firm” means a business organization other than a Company;

“governor” means the Executive Governor of Anambra State;

“hackney carriage” has the meaning assigned to that expression in Section 2 of the Road Traffic Law, Cap. 120, Revised Laws of Anambra State, 1991;

“hazardous waste” means any waste possessing the following qualities:

- (a) a liquid waste which has a flash point of less than or equal to 140 degrees F (60 degrees C) as determined by an approved test method;
- (b) a non-liquid waste which, under standard conditions, is capable of causing a fire through friction, absorption of moisture or a spontaneous chemical change and when ignited, turns vigorously and persistently and causes hazard;
- (c) an ignitable compressed gas or oxidizer;
- (d) waste which may pose a substantial present or potential hazard to human health or the environment when improperly treated, stored or disposed of, or otherwise mismanaged; or
- (e) waste which may cause or contribute to an increase in mortality, or an increase in irreversible or incapacitating illness;

“industrial and commercial waste” means garbage and other discarded solid matters resulting from industrial and commercial operations and include liquid waste and waste from mines and quarry;

“law officer” means the Attorney-General, the Solicitor-General, the Director of Public Prosecution or any other Legal Practitioner in the State Ministry of Justice;

“managing director” means the Managing Director and Chief Executive Officer of the Authority;

“ministry” means Ministry of Environment;

“person” includes an individual, his legal representative, agent or assignee;

“premises” includes buildings, land hereditaments, or places opened, covered or closed;

“prescribed form” means any form as may be provided by the Authority from time to time for any specific purpose;

“pollution” means man-made or man-aided alteration of chemical, physical or biological quality of the environment to the extent that is detrimental to that environment beyond acceptable limits and “pollute” shall be construed accordingly;

“**public sanitation department**” means the Public Sanitation Department of the Agency;

“**public service**” means the service of the State in a civil capacity in respect of the Government of the State;

“**refuse**” means garbage, waste and other discarded materials resulting from domestic, industrial, commercial or agricultural operations or from other activities;

“**secretary**” means the Legal Adviser of the Authority;

“**state**” means Anambra State of Nigeria;

“**street cleaning**” includes the removal of refuse from streets, highways, public ways, pedestrian walks, drains, gutters and other places;

“**undeveloped plot**” means an area where there are no structures or buildings;

“**urban cities**” include Awka, Ekwulobia, Onitsha, Nnewi, Ihiala, Ogidi, Obosi, Nkpor, Abagana, Enugu-Ukwu and any other settlement as may be designated as urban by the State Government, from time to time;

“**waste**” means any scrap material, or any effluent or other unwanted surplus substance arising from any process and includes any substance or article which requires to be disposed of as being broken, worn out, contaminated or otherwise spent.

PART II – ESTABLISHMENT OF WASTE MANAGEMENT AUTHORITY

3. (1) There is hereby established for the State an authority to be known as the Anambra State Waste Management Authority. Establishment of the Anambra State Waste Management Authority.
- (2) The Authority shall:
- (a) be a body corporate with perpetual succession and a Common Seal;
 - (b) have power to sue and be sued in its corporate name; and
 - (c) be capable of holding, purchasing, acquiring and disposing of movable and immovable property for the purpose of carrying out its functions under this law.
4. (1) There is established for the authority a Governing Board which shall be responsible for the day to day administration of the Authority. Establishment and membership Authority.
- (2) The following shall be Members of the Board:
- (a) a Chairman appointed by the Governor;
 - (b) a representative of the office of the Governor who

shall not be below Grade Level 15;

- (c) a representative of a community based organization;
- (d) one Local Government Chairman or Head of Local Government Administration from each of the three senatorial zones in the State;
- (e) a representative of the private sector;
- (f) the Honourable Commissioner for Environment;
- (g) the Honourable Commissioner for Local Government Affairs;
- (h) the Managing Director of the Authority; and
- (i) a representative of the health care industry conversant with waste management.

Tenure of
office and
Remuneration
of Board Members.

5.

(1)

A member of the Board who is not an ex-officio member shall, unless he previously relinquished his membership on the Board:

- (a) hold office for four years on such terms as may be specified in his letter of appointment; and
- (b) be eligible for re-appointment for a further term of four years and no more.

(2)

A member of the Board is not entitled to appoint an alternate or deputy to represent him at a meeting.

(3)

Members of the Board, other than ex-officio members, shall be paid out of moneys at the disposal of the Board such remuneration and allowances as the Governor may determine.

Functions of
the Authority.

6.

- (o) apprehend any person selling goods or any articles of trade in places not authorized for that purpose and seizing all such goods or articles of trade for eventual disposal in such manner as the Authority may deem fit;
- (p) develop and maintain open spaces;
- (q) make provisions for waste management services to State agencies, local governments, industries, business entities and private persons within the State by receiving waste at the Authority's facilities pursuant to agreements between the Authority and such other parties;
- (r) control pests;
- (s) approve and monitor all waste disposal systems in the State;
- (t) issue, renew and revoke licenses of Private Waste Collectors;
- (u) prescribe the sizes, shapes and makes of dustbins or refuse bins to be kept in residential buildings, hackney carriages and stage carriages;
- (v) provide necessary procedure to be followed in refuse disposal;
- (w) provide, subject to such conditions as it deems fit, the location and use of private refuse disposal systems;
- (x) in consultation with the Board prepare long term plans in relation to its functions and duties;
- (y) conduct research in relation to refuse collection and disposal systems; and
- (z) do all such acts as appear to it to be required or convenient for the proper discharge of its functions under this law;

- (2) The Authority may carry out its functions in association with any other person or body lawfully empowered to do so in accordance with the provisions of this law.
- Powers of the Board. 7. (1) The Board shall have powers to:
- (a) employ such staff as it may consider necessary for the purpose of carrying out its functions under this law and may in accordance with the procedure applicable in respect of transfer of officers in the public service, accept officers on secondment to the Authority;
 - (b) determine the remuneration of its staff;
 - (c) promote and exercise disciplinary control over such staff;
 - (d) determine the fees payable for issuance and renewal of licenses to Private Waste Collectors;
 - (e) engage in the sealing off of all premises that do not conform with sections 11, 16, and 19 of this law;
 - (f) authorize and delegate any officer, employee or servant of the Authority to act as an agent of the Authority in respect of any function, service or facility which may be exercised, performed or produced by the authority under this law;
 - (g) set, collect and revise from time to time, rates, rentals and charges for the use of facilities or services provided by the Authority subject to the approval of the Board;
 - (h) establish and manage an organizational structure for recycling activities in the State;
 - (i) acquire, purchase, lease, hold, construct, manufacture or maintain any property whatsoever whether movable or immovable in accordance with the existing laws of the State;
 - (j) acquire any land for the purpose of planning, designing, transferring, managing, constructing, operating and maintaining waste disposal and processing facilities in accordance with the Land Use Act;
 - (k) enter into or take over existing agreements which may be necessary for and incidental to the discharge of its functions under this or any other law;
 - (l) enter into contracts with Local Governments, State agencies, regional authorities and private persons to provide waste management services in accordance with the provisions of this Law and to plan, design, construct, manage, operate and maintain solid waste disposal and processing facilities on their behalf;

- (m) accept or acquire and hold any security of any form whatsoever, excluding security in any company that has an interest in waste management or related activities such as operations, manufacture and sale of equipment and services including consultancy services;
- (n) surrender, transfer or re-convey any security held by the Authority whether in exchange for any other security or upon discharge;
- (o) adopt an official seal;
- (p) collect, in co-operation with public or private organizations and make available, through publications and other appropriate means, basic scientific data and other information pertaining to pollution and environmental protection matters in the State;
- (q) enter into contracts with public or private organizations and individuals for the purpose of executing and fulfilling its functions and responsibilities under this law;
- (r) establish, encourage and promote training programs for its staff and for such other individuals from public or private organizations as may be appropriate;
- (s) enter into agreements with public or private organizations and individuals to develop, utilize, co-ordinate and share environmental monitoring programs, research, basic data on chemical, physical and biological effects of various activities on the environment;
- (t) establish advisory bodies composed of administrative, technical or other experts in such environmental areas as the Authority may consider useful and appropriate to assist it in carrying out the purposes of this law;
- (u) advise the Government on policies for the protection of the State's environment, subject to the laid down criteria, guidelines and standards of the Federal Ministry of Environment;
- (v) make with the approval of the Governor other subsidiary legislations for the purposes of this law;
- (w) fix the Charges and Tariffs for collection and removal of wastes and refuse which may vary from area to area and make other direct charges on users for services rendered where such circumstances may arise;
- (x) with the approval of the Governor, make regulations for the efficient implementation of the provisions of

this Law and with respect to all or any of the following matters:

- (i) the conditions and related fees for issuance and renewal of licenses;
 - (ii) the conditions and fees for other related services that may be provided by the Authority;
 - (iii) the nature and form of all notices required to be given or sent under this Law and the issuance and service of same;
 - (iv) the condition of service of its employees;
 - (v) the grant of pensions, gratuities and other retiring benefits to its employees and their dependants, and the grant of gratuities to the estates or dependants of its deceased employees;
 - (vi) the establishment and maintenance of medical benefit funds, superannuation funds, provident funds and the contributions (if any) payable thereto and the benefits receivable therefrom; and
 - (vii) any other incidental matter necessary for the performance of its functions under this law; and
- (y) prescribe penalties for offences against any regulation made under this section.

Meetings of the 8.
Board/Standing
Orders.

- (1) The Board shall meet not less than four times in each year and on such other occasions as the Board may consider necessary.
- (2) Every meeting of the Board shall be presided over by the Chairman and if the Chairman is unable to attend any particular meeting, a member may be appointed by the members present to act as the Chairman for that particular meeting.
- (3) A quorum at a meeting of the Board shall consist of four members of whom at least one shall be a member appointed under paragraph (e) of section 4 (2) of this law.
- (4) The decisions at a meeting of the Board shall be taken by a majority of its members present and voting provided that the Chairman shall have a second or casting vote.

- (5) The Board may make Standing Orders regulating its proceedings or any of its Committees.
- (6) Where Standing Orders made under subsection (5) of this Section provide for the Board to co-opt persons who are not members of the Board, such persons may advise the Board on any matter referred to them by the Board, but shall not be entitled to vote at a meeting of the Board.
- (7) The validity of any proceedings of the Board shall not be affected by:
- (a) any vacancy in the membership of the Board;
- (b) any defect in the appointment of a member of the Board; or
- (c) by reason that a person not entitled to do so took part in the proceedings.
- Validity of proceedings of the Board.

PART II - STAFF OF THE AUTHORITY

9. (1) The Governor shall appoint a Managing Director who shall be the Chief Executive Officer of the Authority. Managing Director and Secretary.
- (2) The Managing Director shall be responsible for the execution of the policies of the Authority and for the day to day administration of its affairs in accordance with the provisions of this law.
- (3) The Board shall appoint for the Authority, on the recommendation of the Attorney-General, a Secretary who shall be a Legal Practitioner of not less than 10 years post-call experience.
- (4) The Secretary shall:
- (a) keep the records and conduct the correspondence of the Board;
- (b) make arrangement for the meetings of the Board; and
- (c) carry out such other duties as the Managing Director may from time to time assign to him.

PART VI - ESTABLISHMENT OF THE ENVIRONMENTAL SANITATION COURT:

The
Sanitation
Court.

30.

(1)

There is hereby established for the State a Court to be known as the Environmental Sanitation Court.

(2)

The Chief Judge shall in respect of each Senatorial Zone within the State designate any number of Magistrate Courts as Environmental Sanitation Courts to hear and determine:

- (a) any charge brought against any person for the commission of any offence created by or under this law; or

- (b) other matters pertaining to sanitation in relation to which jurisdiction is conferred on him by this or any other law.
31. (1) Notwithstanding the provisions of the Magistrate Court Law the Sanitation Court shall, to the exclusion of any other Court have original jurisdiction over all matters specified under this law. Jurisdiction of the Sanitation Court.
- (2) The Sanitation Court shall have summary jurisdiction to try sanitation offences committed on Sanitation and other days.
32. The practice and procedure of the Sanitation Court shall be in conformity with practice and procedure obtainable in Magistrate Courts in the State except that such practice and procedures may be subject, to such modifications as may be necessary to carry into effect the provisions of this law. Practice and procedure.
33. All offences under this law are quasi-criminal offences and shall be summarily prosecuted as such in the Sanitation Courts established under section 30 of this law.
34. A prosecution for an offence against the provisions of this law, or any regulations made thereunder, shall not operate as a bar to any civil proceedings that may be instituted for damages or injury caused by the offender's contravention or non-compliance with the provision of this law. Prosecution not to operate as a bar to civil action.
35. (1) The Sanitation Court shall sit in all Magisterial Districts of the State on such days as the Court may by notice specify. Venue of Sitting.
- (2) In exercise of its jurisdiction specified under subsection (1) of section 31 of this law, the Court shall sit at venues to be designated by the Authority for the purpose.
36. The Magistrates presiding over the Sanitation Courts on sanitation days shall be paid such extra allowances for sitting on sanitation days as may be approved by the Authority. Allowances.
37. Appeals from the decision of the Sanitation Court shall lie to the High Court of the State. Appeals.

Services of
Notices on
premises.

38.

(1)

A notice, order, court process or other document required to be served on the owner, caretaker or occupier of any premises shall have the address and description of the owner, caretaker or occupier and shall be deemed to be sufficient notice if it is delivered on the premises or is affixed in a conspicuous part of the premises.

(2)

A notice shall constitute a notice in respect of a joinder of parties within the same premises if the notice is given to any person on the premises or is affixed in a conspicuous part of the premises.

Limitation of
Suits against
the Authority.

39.

(1)

Notwithstanding the provisions of any other law, no suit shall lie against the Authority, the Managing Director or any other officer or employee of the Authority for any act done in pursuance or execution of this or any other law, or of any public duty or authority or in respect of any alleged neglect or default in the execution of this law or any regulations made under it unless:

- (a) it is commenced within 6 months next after the act, neglect or default complained of; or
- (b) in the case of a continuation of damage or injury, within 6 months next after ceasing thereof.

(2)

A suit shall not be commenced against the Authority, the Managing Director or any officer or employee of the Authority unless one month written notice of the intention to commence the suit has been served upon the Authority by the intending plaintiff or his agent.

(3)

The notice referred to in subsection (2) of this section shall clearly and explicitly state:

- (a) the cause of action;
- (b) the particulars of the claims;
- (c) the name and address of the intending plaintiff; and
- (d) the relief which he claims.

Service of
documents.

40.

A notice, summons, or other documents required or authorized to be served upon the Authority under the provisions of this or any other law may be served by delivering it to the Managing Director or the Secretary or by sending it by registered post to the Managing Director at the principal office of the Authority.

41. In any suit by or against the Authority, the Authority maybe represented at any stage of the proceedings by:
- (a) any servant of the Authority who shall satisfy the court that he is duly authorized in writing by the Managing Director in that behalf; or
 - (b) a legal practitioner authorized in writing in that behalf; or
 - (c) a Law Officer.
42. Any sums of money which may by the judgment of the Court be awarded against the Authority shall, subject to any directions given by the court where no notice of appeal of the said judgment has been given, be paid from the funds of the Authority.
43. The Managing Director, any officer or employee or agent of the Authority for the time being, shall be indemnified out of the assets of the Authority against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour, or in which he is acquitted, if any such proceeding is brought against him in his capacity as the Managing Director, or employee or agent of the authority.
44. (1) The fixing of the seal of the Authority shall be authenticated by the signature of the Chairman or the Managing Director and any other person authorized in that behalf by the Board.
- (2) Any contract or instrument, which if made or executed by any person not being company or firm would not be required to be under seal, may be made or executed on behalf of the Authority by any person generally or specifically authorized to act for that purpose by the Board.
- (3) Any document purporting to be a contract, instrument or other document duly signed or sealed on behalf of the Authority shall be received in evidence and, unless the contrary is proved, be presumed without further proof to have been so signed and sealed.
45. A member of the Board who has any interest in any company or other concern with which the Authority proposes to make any contract or arrangement or any interest in such contract or arrangement shall disclose to the Board the fact of such interest and the nature thereof, and such disclosure shall be recorded in the minutes of the Board, and such member shall take no part in any deliberation or decision of the Board relating to such contract or arrangement.
