(b) if the charging year is changed under this Schedule by a further order--the period between the end of one charging year and the beginning of the next.

(b) if specifically authorised by the regulations.

This Schedule continues revenue raising provisions under the *Catchment Management Act 1989* relating to catchment management trusts (which are replaced by authorities under this Act).

3 Orders for purposes of levying catchment contributions

- (1) The Minister may, by order published in the Gazette, declare any land described in the order (being the whole or any part of the area of operations of an authority) to be a catchment contribution area for the purposes of this Schedule.
- (2) The Minister may, by order published in the Gazette, declare a period of 12 months to be the charging year for an authority.

4 Basis of levying catchment contributions

- (1) The regulations are to specify the basis or bases according to which an authority may levy catchment contributions.
- (2) Without limiting the generality of subclause (1), the regulations may provide that an authority may levy catchment contributions according to any one or more of the following factors:
 - (a) the land value of land within the meaning of the *Valuation of Land Act 1916*,
 - (b) the area of the land,
 - (c) the degree of benefit that accrues to land as a result of the authority's programs.

 - (b) the expenditure to be incurred during the charging year.
- (2) The estimates are to be in such form as the Minister requires and are to contain particulars in respect of each item of expenditure and the catchment contributions to be levied.

6 Determinations relating to catchment contributions

 - (c) is to be published in the Gazette before the commencement of the charging year to which it relates, and
 - (d) is to take effect on the commencement of the charging year to which it relates.
- (4) A determination does not fail merely because it is not published in the Gazette before the commencement of the charging year to which it relates but, in that event, a person is not liable for payment of the catchment contribution to which the determination relates until the determination is published in the Gazette.
- (5) A catchment contribution determined under this clause is levied on publication of the determination in the Gazette.
- (6) If, for any reason:

- (a) a determination under this clause is not made before the charging year to which it relates, or
- (b) there is any irregularity or alleged irregularity in the making of any such determination,

the Minister may extend the time for making the determination (whether or not that time has expired) and may authorise the authority concerned to do anything necessary to cure any irregularity and to make a valid determination.

For determinations under this clause see Gazettes No 104 of 25.6.2004, p 4807; No 69 of 10.6.2005, p 2252; No 75 of 9.6.2006, p 4247; No 81 of 22.6.2007, p 3852 and No 72 of 20.6.2008, p 5485.
