Summary of rights

Note: If, after reading this summary, you do not understand anything in it, you should consult a lawyer immediately.

Payment

- 1 If you pay the infringement fee within 28 days after the service of this notice, no further action will be taken against you in respect of this infringement offence. Payments should be made to the enforcement authority at the address shown on the front of this notice.

Note: If, under section 21(3A) or (3C)(a) of the Summary Proceedings Act 1957, you enter or have entered into a time to pay arrangement with an informant in respect of an infringement fee payable by you, paragraphs 3 and 4 below do not apply and you are not entitled either to request a hearing to deny liability or to ask the court to consider any submissions (as to penalty or otherwise) in respect of the infringement.

Further action

- 2 If you wish to raise any matter relating to circumstances of the alleged offence, you should do so by writing a letter and delivering it to the enforcement authority at the address shown on the front of this notice within 28 days after the service of a reminder notice in respect of the offence.

- 3 If you deny liability and wish to request a hearing in the District Court in respect of the alleged offence, you must, within 28 days after the service of a reminder notice in respect of the offence, deliver to the enforcement authority at the address shown on the front page of this notice a letter requesting a court hearing in respect of the offence. The enforcement authority will then, if it decides to commence court proceedings in respect of the offence, serve you with a notice of hearing setting out the place and time at which the matter will be heard by the court.

Note: If the court finds you guilty of the offence, costs will be imposed in addition to any penalty.

- 4 If you admit liability in respect of the alleged offence but wish to have the court consider submissions as to penalty or otherwise, you must, within 28 days after the service of a reminder notice in respect of the offence, deliver to the enforcement authority at the address shown on the front page of this notice a letter requesting a hearing in respect of the offence **and** in the same letter admit liability in respect of the offence **and** set out the submissions that you would wish to be considered by the court. The enforcement authority will then, if it decides to commence court proceedings in respect of the offence, file your letter with the court. There is no provision for an oral hearing before the court if you follow this course of action.

Note: Costs will be imposed in addition to any penalty.

Non-payment of fee

- 5 If you do not pay the infringement fee and do not deliver a letter requesting a hearing within 28 days after the service of this notice, you will be served with a reminder notice (unless the enforcement authority decides otherwise).
- 6 If you do not pay the infringement fee and do not deliver a letter requesting a hearing in respect of the alleged infringement offence within 28 days after the service of the reminder notice, you will become liable to pay **costs in addition to the infringement fee** (unless the enforcement authority decides not to commence court proceedings against you).

Defence

- 7 You will have a complete defence against proceedings relating to the alleged offence if the infringement fee is paid to the enforcement authority at the address shown on the front page of this notice within 28 days after the service of a reminder notice in respect of the offence. Late payment or payment made to any other address will not constitute a defence to proceedings in respect of the alleged offence.
- 8 (1) This paragraph describes a defence additional to the one described in paragraph 7. This defence is available if you are charged with an infringement offence against any of sections 9, 12, 13, 14, and 15 of the Resource Management Act 1991.
- (2) You must prove either of the following to have the defence:
- (a) that—
- (i) the action or event to which the infringement notice relates was necessary for the purposes of saving or protecting life or health, or preventing serious damage to property, or avoiding an actual or likely adverse effect on the environment; and
 - (ii) your conduct was reasonable in the circumstances; and
 - (iii) you adequately mitigated or remedied the effects of the action or event after it occurred; or
- (b) that—
- (i) the action or event to which the infringement notice relates was due to an event beyond your control, including natural disaster, mechanical failure, or sabotage; and

 - (iii) you adequately mitigated or remedied the effects of the action or event after it occurred.

- (3) Subparagraph (2) does not apply unless—
 - (a) you deliver a written notice to the enforcement agency; and
 - (b) in the notice, you—
 - (i) state that you intend to rely on subparagraph (2)(a) or (b); and
 - (ii) specify the facts that support your reliance on subparagraph (2)(a) or (b); and
 - (c) you deliver the notice—
 - (i) within 7 days after you receive the infringement notice; or

 - (4) If you do not comply with subparagraph (3), you may ask the District Court to give you leave to rely on subparagraph (2)(a) or (b).

 - (b) that you took all reasonable steps to—
 - (i) prevent the commission of the offence; and
 - (ii) remedy any effects of the act or omission giving rise to the offence.
 - (3) If you are not a natural person (for example, you are a body corporate), you must prove either of the following to have the defence:
 - (a) that—
 - (i) neither the directors (if any) nor any person involved in your management knew, or could reasonably be expected to have known, that the offence was to be, or was being, committed; and
 - (ii) you took all reasonable steps to remedy any effects of the act or omission giving rise to the offence; or
 - (b) that you took all reasonable steps to—
 - (i) prevent the commission of the offence; and
 - (ii) remedy any effects of the act or omission giving rise to the offence.
- 8B (1) This paragraph describes a defence additional to the defences described in paragraphs 7, 8, and 8A. This defence is available if you are charged with an infringement offence against section 15A(1)(a) of the Resource Management Act 1991 (relating to dumping waste or other matter in the coastal marine area from a ship, aircraft, or offshore installation).
- (2) In order to have the defence, you must prove all of the following in relation to the act or omission that is alleged to constitute the offence:

- (a) that the act or omission was necessary—
 - (i) to save or prevent danger to human life; or

 - (d) that the act or omission was taken or omitted in such a way that the likelihood of damage to human or marine life was minimised.
- 8C (1) This paragraph describes a defence additional to the defences described in paragraphs 7, 8, 8A, and 8B. This defence is available if you are charged with an infringement offence against section 15B(1) or (2) of the Resource Management Act 1991 (relating to certain discharges of a harmful substance, a contaminant, or water in the coastal marine area from a ship or offshore installation).
- (2) You must prove either of the following to have the defence:
 - (a) that the harmful substance, contaminant, or water was discharged for the purpose of securing the safety of a ship or an offshore installation, or for the purpose of saving life and that the discharge was a reasonable step to effect that purpose; or
 - (b) that the harmful substance, contaminant, or water escaped as a consequence of damage to a ship or its equipment or to an offshore installation or its equipment, and—
 - (i) such damage occurred without your negligence or deliberate act; and
 - (ii) as soon as practicable after that damage occurred, all reasonable steps were taken to prevent the escape of the harmful substance, contaminant, or water or, if any

such escape could not be prevented, to
minimise any escape.

Notes

1 General

This is a reprint of the Resource Management (Infringement Offences) Regulations 1999. The reprint incorporates all the amendments to the regulations as at 30 September 2010, as specified in the list of amendments at the end of these notes.

Relevant provisions of any amending enactments that contain transitional, savings, or application provisions that cannot be compiled in the reprint are also included, after the principal enactment, in chronological order. For more information, see <http://www.pco.parliament.govt.nz/reprints/>.

2 Status of reprints

Under section 16D of the Acts and Regulations Publication Act 1989, reprints are presumed to correctly state, as at the date of the reprint, the law enacted by the principal enactment and by the amendments to that enactment. This presumption applies even though editorial changes authorised by section 17C of the Acts and Regulations Publication Act 1989 have been made in the reprint.

This presumption may be rebutted by producing the official volumes of statutes or statutory regulations in which the principal enactment and its amendments are contained.

3 How reprints are prepared

A number of editorial conventions are followed in the preparation of reprints. For example, the enacting words are not included in Acts, and provisions that are repealed or revoked

are omitted. For a detailed list of the editorial conventions, see <http://www.pco.parliament.govt.nz/editorial-conventions/> or Part 8 of the *Tables of New Zealand Acts and Ordinances and Statutory Regulations and Deemed Regulations in Force*.

4 *Changes made under section 17C of the Acts and Regulations Publication Act 1989*

Section 17C of the Acts and Regulations Publication Act 1989 authorises the making of editorial changes in a reprint as set out in sections 17D and 17E of that Act so that, to the extent permitted, the format and style of the reprinted enactment is consistent with current legislative drafting practice. Changes that would alter the effect of the legislation are not permitted. A new format of legislation was introduced on 1 January 2000. Changes to legislative drafting style have also been made since 1997, and are ongoing. To the extent permitted by section 17C of the Acts and Regulations Publication Act 1989, all legislation reprinted after 1 January 2000 is in the new format for legislation and reflects current drafting practice at the time of the reprint.

In outline, the editorial changes made in reprints under the authority of section 17C of the Acts and Regulations Publication Act 1989 are set out below, and they have been applied, where relevant, in the preparation of this reprint:

- omission of unnecessary referential words (such as “of this section” and “of this Act”)
- typeface and type size (Times Roman, generally in 11.5 point)
- layout of provisions, including:
 - indentation
 - position of section headings (eg, the number and heading now appear above the section)
- format of definitions (eg, the defined term now appears in bold type, without quotation marks)
- format of dates (eg, a date formerly expressed as “the 1st day of January 1999” is now expressed as “1 January 1999”)

- position of the date of assent (it now appears on the front page of each Act)
- punctuation (eg, colons are not used after definitions)
- Parts numbered with roman numerals are replaced with arabic numerals, and all cross-references are changed accordingly
- case and appearance of letters and words, including:
 - format of headings (eg, headings where each word formerly appeared with an initial capital letter followed by small capital letters are amended so that the heading appears in bold, with only the first word (and any proper nouns) appearing with an initial capital letter)
 - small capital letters in section and subsection references are now capital letters
- schedules are renumbered (eg, Schedule 1 replaces First Schedule), and all cross-references are changed accordingly
- running heads (the information that appears at the top of each page)
- format of two-column schedules of consequential amendments, and schedules of repeals (eg, they are rearranged into alphabetical order, rather than chronological).
