#### What you need to know

If you pay the infringement fee in full as shown above, no further action will be taken. For a more detailed statement of your rights, *see* below. This includes—

- what happens if you are late paying the fee or do not pay the fee at all (see paragraphs 4 to 6):
- what to do if you want to query this notice (see paragraphs 7 to 15).

#### Statement of rights

If there is anything in this statement you do not understand, you should consult a lawyer.

1 This notice sets out an alleged infringement offence.

#### Payments

- 2 If you pay the infringement fee in full as shown above in **Payment of infringement fee**, no further enforcement action will be taken for the offence. Please note that unless you have an arrangement as described in paragraph 3, part payment of an infringement fee is not sufficient to avoid further enforcement action for the offence.
- 3 If [*name of enforcement agency*] offers the ability to pay an infringement fee by instalments and you enter into an instalment arrangement,—
  - (a) the time to pay will be agreed with [*name of enforcement agency*]:
  - (b) the enforcement action in paragraphs 4 to 6 may be taken if you default on a payment:
  - (c) you cannot request a court hearing about the infringement offence (*see* paragraph 14).

#### What happens if you do not pay on time

4 If you do not pay the infringement fee on time as shown above and do not request a hearing (*see* paragraph 9 for your ability to do this), you will be served with a reminder notice (unless [*name of enforcement agency*] decides to take no further action to require payment for the alleged offence). Please note that in some circumstances if you do not receive a reminder notice you may still become liable to pay a fine and court costs as set out in paragraph 5.

- (a) [*name of enforcement agency*] may, unless it decides to take no further action to require payment for the alleged offence, provide particulars of the reminder notice for filing in the District Court; and
- (b) if so, you will become liable to pay court costs as well as a fine.
- 6 The fine will be equal to the amount of the infringement fee or the amount of the infringement fee remaining unpaid.

#### Defences

- 7 You have a complete defence against proceedings for the alleged infringement offence if the infringement fee has been paid in full to [*name of enforcement agency*] in the manner specified in this notice before, or within 28 days after, a reminder notice for the alleged offence is served on you. Late payment or payment made in any other manner is not a defence.
- 8 You may have a further defence against any proceedings for the alleged infringement offence under section 241 of the Fisheries Act 1996 (the Act). If you believe you have a defence, you should refer to the Act.
- 8A Apart from the defence in section 241 of the Act, you may also have a defence under section 72(5) of the Act against any proceedings for infringement offences under section 72(4) of the Act for failing to comply with section 72(1), (2)(a), (b) or (3)(b) of the Act. If you believe you have a defence, you should refer to the Act.

#### Further action you may take

- 9 You may—
  - (a) ask [*name of enforcement agency*] to consider any matter relating to the circumstances of the alleged offence; or
  - (b) deny liability for the alleged offence and request a court hearing; or
  - (c) admit liability for the alleged offence, but have a court consider written submissions as to penalty or otherwise.
- 10 To take an action listed in paragraph 9, you must write to [*name of enforcement agency*] at the address shown on this notice. You must sign the written communication and it must be delivered within 28 days after you have been served with this notice, or within any further time that [*name of enforcement agency*] allows.
- 11 If, in your written communication to [*name of enforcement agency*] referred to in paragraph 9, you deny liability for the alleged offence and request a court hearing, [*name of enforcement agency*] will serve you with a notice of hearing that sets out the place and time at which the court will hear the matter (unless

[*name of enforcement agency*] decides to take no further action to require payment for the alleged offence).

**Note 1**: If the court finds you guilty of the offence, the court is entitled to take into account any maximum fine for the offence, and not just the infringement fee. So the court may impose a fine that is greater than the infringement fee. Also, if the court finds you guilty of the offence, costs will be imposed in addition to any penalty and you will be required to pay a hearing fee. You cannot get a conviction for an infringement offence.

Note 2: Section 252(3A) of the Act applies if, within any 3-year period, the court finds you guilty (whether in the same or separate proceedings) of 2 or more offences against section 72(4) of the Act for failing to comply with section 72(1), (2)(a), (b), or (3)(b) of the Act. This means the court may, but is not required to, impose a fine of up to \$250,000 for the second offence, and any subsequent offence within those 3 years. (See also Notes 3 and 4 below for further consequences if section 252(3A) applies.)

**Note 3**: Under section 375 of the Criminal Procedure Act 2011 and section 257(1A) of the Act, the court may, but is not required to, also make an order that you forfeit any licence, approval, permission, or fishing permit obtained under the Act and that you are prohibited for a period of 3 years from—

- holding the same:
- engaging in fishing, or any activity associated with the taking of fish, aquatic life, or seaweed:
- deriving any beneficial income from activities associated with the taking of fish, aquatic life, or seaweed.

Note 4: Further, under section 375 of the Criminal Procedure Act 2011 and section 255C(1)(aa) and (3) of the Act, the court may, but is not required to, order forfeiture of the following:

- any fish, and proceeds from the sale of such fish:
- any illegal fishing gear in respect of which the offence was committed:
- any property used in the commission of the offence:
- any quota or associated quota.
- 12 If you admit liability for the alleged offence but want the court to consider your submissions as to penalty or otherwise, you must, in your written communication to [name of enforcement agency],—
  - (a) request a hearing; and
  - (b) admit liability for the offence; and
  - (c) set out the submissions you wish the court to consider.
- 13 If you take the action in paragraph 12, [name of enforcement agency] will file your written communication with the court (unless [name of enforcement agency] decides to take no further action to require payment for the alleged

offence). If you follow this process, there will be no oral hearing before the court.

**Note**: The court is entitled to take into account any maximum fine for the offence, and not just the infringement fee. So the court may impose a fine that is greater than the infringement fee. Also, costs will be imposed in addition to any penalty. You cannot get a conviction for an infringement offence. (*See also notes 2, 3, and 4 in paragraph 11.*)

14 If [*name of enforcement agency*] offers the ability to pay an infringement fee by instalments and you enter into an instalment arrangement, paragraphs 9(b) and (c) and 10 to 13 do not apply, and you are not entitled to request a hearing to deny liability or to ask the court to consider any submissions (as to penalty or otherwise).

#### Contacting the enforcement authority

- 15 When writing, please specify—
  - (a) the date of the alleged infringement offence; and
  - (b) the infringement notice number; and
  - (c) your full name and address for replies.

**Note**: All correspondence regarding the infringement offence must be directed to [*name of enforcement agency*] at the address shown on this notice.

The last day for payment of the infringement fee is [*date*], being 28 days after the date of service of this notice.

The infringement fee may be paid to [name of enforcement agency] by [specify method(s)].

#### What you need to know

If you pay the infringement fee in full as shown above, no further action will be taken. For a more detailed statement of your rights, *see* below. This includes—

- what happens if you are late paying the fee or do not pay the fee at all (*see* paragraphs 3 and 4):
- what to do if you want to query this notice (*see* paragraphs 5 to 13).

#### Statement of rights

If there is anything in this statement you do not understand, you should consult a lawyer.

1 You have not paid the infringement fee described in this notice, or asked for a hearing, within 28 days after you were served with the infringement notice. That is why you have been served with this reminder notice.

#### Payments

2 If you pay the infringement fee in full within 28 days after you are served with this notice, no further enforcement action will be taken for the offence. Payments should be made to [*name of enforcement agency*] as shown above in **Payment of infringement fee**.

#### What happens if you do not pay on time

- 3 If you do not pay the infringement fee on time as shown above and do not request a hearing (*see* paragraph 7 for your ability to do this), you will become liable to pay court costs as well as a fine (unless [*name of enforcement agency*] decides to take no further action to require payment for the alleged offence).
- 4 The fine will be equal to the amount of the infringement fee or the amount of the infringement fee remaining unpaid.

#### Defences

- 5 You have a complete defence against proceedings for an alleged infringement offence if the infringement fee has been paid in full to [*name of enforcement agency*] in the manner specified in this notice before, or within 28 days after, this reminder notice is served on you. Late payment or payment made in any other manner is not a defence.
- 6 You may have a further defence against any proceedings for the alleged infringement offence under section 241 of the Fisheries Act 1996 (the Act). If you believe you have a defence, you should refer to the Act.
- 6A Apart from the defence in section 241 of the Act, you may also have a defence under section 72(5) of the Act against any proceedings for infringement offences under section 72(4) of the Act for failing to comply with section 72(1), (2)(a), (b), or (3)(b) of the Act. If you believe you have a defence, you should refer to the Act.

#### Further action you may take

- 7 You may—
  - (a) ask [*name of enforcement agency*] to consider any matter relating to the circumstances of the alleged offence; or
  - (b) deny liability for the alleged offence and request a court hearing; or
  - (c) admit liability for the alleged offence but have a court consider written submissions as to penalty or otherwise.
- 8 To take an action listed in paragraph 7, you must write to [*name of enforcement agency*] at the address shown on this notice. You must sign the written communication and it must be delivered within 28 days after you have been served with this notice, or within any further time that [*name of enforcement agency*] allows.
- 9 If, in your written communication to [*name of enforcement agency*] referred to in paragraph 8, you deny liability for the alleged offence and request a court hearing, [*name of enforcement agency*] will serve you with a notice of hearing that sets out the place and time at which the court will hear the matter (unless [*name of enforcement agency*] decides to take no further action to require payment for the alleged offence).

**Note 1**: If the court finds you guilty of the offence, the court is entitled to take into account any maximum fine for the offence, and not just the infringement fee. So the court may impose a fine that is greater than the infringement fee. Also, if the court finds you guilty of the offence, costs will be imposed in addition to any penalty and you will be required to pay a hearing fee. You cannot get a conviction for an infringement offence.

Note 2: Section 252(3A) of the Act applies if, within any 3-year period, the court finds you guilty (whether in the same or separate proceedings) of 2 or more offences against section 72(4) of the Act for failing to comply with sec-

tion 72(1), (2)(a), (b), or (3)(b) of the Act. This means the court may, but is not required to, impose a fine of up to \$250,000 for the second offence, and any subsequent offence within those 3 years. (See also notes 3 and 4 below for further consequences if section 252(3A) applies.)

**Note 3**: Under section 375 of the Criminal Procedure Act 2011, and section 257(1A) of the Act, the court may, but is not required to, also make an order that you forfeit any licence, approval, permission, or fishing permit obtained under the Act, and that you are prohibited for a period of 3 years from—

- holding the same:
- engaging in fishing, or any activity associated with the taking of fish, aquatic life, or seaweed:
- deriving any beneficial income from activities associated with the taking of fish, aquatic life, or seaweed.

Note 4: Further, under section 375 of the Criminal Procedure Act 2011 and section 255C(1)(aa) and (3) of the Act, the court may, but is not required to, order forfeiture of the following:

- any fish, and proceeds from the sale of such fish:
- any illegal fishing gear in respect of which the offence was committed:
- any property used in the commission of the offence:
- any quota or associated quota.
- 10 If you admit liability for the alleged offence but want the court to consider your submissions as to penalty or otherwise, you must, in your written communication to [name of enforcement agency],—
  - (a) request a hearing; and
  - (b) admit liability for the offence; and
  - (c) set out the submissions you wish the court to consider.
- 11 If you take the action in paragraph 10, [name of enforcement agency] will file your written communication with the court (unless [name of enforcement agency] decides to take no further action to require payment for the alleged offence). If you follow this process, there will be no oral hearing before the court.

**Note**: The court is entitled to take into account any maximum fine for the offence, and not just the infringement fee. So the court may impose a fine that is greater than the infringement fee. Also, costs will be imposed in addition to any penalty. You cannot get a conviction for an infringement offence. (*See also notes 2, 3, and 4 in paragraph 9.*)

12 If [*name of enforcement agency*] offers the ability to pay an infringement fee by instalments and you enter into an instalment arrangement, paragraphs 7(b) and (c) and 8 to 11 do not apply, and you are not entitled to request a hearing to deny liability or to ask the court to consider any submissions (as to penalty or otherwise).

#### Contacting the enforcement authority

- 13 When writing, please specify—
  - (a) the date of the alleged infringement offence; and
  - (b) the number of this reminder notice; and
  - (c) your full name and address for replies.

**Note**: All correspondence regarding the infringement offence must be directed to [*name of enforcement agency*] at the address shown on this notice.
