PART VI. – SETTLEMENT PAYMENTS.

39. CLAIMS FOR SETTLEMENT PAYMENTS.

(1) Within the prescribed time after the publication of a declaration under Section 9, or within such further time as the Commission, in special and unusual circumstances, allows, a person who is aggrieved by the declaration under Section 9 may make a claim to the Commission for a settlement payment in respect of the land the subject of the declaration.

(2) A claim under Subsection (1) shall be made in the prescribed manner, but this subsection does not prevent the Commission from accepting, on such conditions as to notice or further particulars or otherwise as it thinks proper, a claim made in any manner.

40. ADMISSIBILITY OF CLAIMS.

(1) In this section, “**prescribed person**” in relation to a claim under Section 39, means–

- (a) the claimant; or
- (b) a customary group which the claimant represents or by virtue of his membership of which he makes the claim; or
- (c) a person or customary group who or which is the predecessor in title of the claimant or of the group referred to in Paragraph (b), as the case may be; or
- (d) a person or group acting on behalf of, or claiming as co-owner of a right with, any such person or group referred to in Paragraphs (a), (b) or (c).

(2) A claim under Section 39 is admissible only if–

- (a) subject to Subsection (3), a prescribed person had made, before Independence Day, a previous claim to the land or to the right the subject of the claim, under a law by virtue of which a claim to the land might have been made; and
- (b) subject to Subsection (4), no payment (including *ex gratia* payment) for the land or for the right was made to the prescribed person in respect of a purported acquisition by a pre-Independence Administration in Papua New Guinea.

(3) Where, in the opinion of the Commission–

- (a) there were special reasons which made it reasonable that no previous claim referred to in Subsection (2)(a) was made; and
- (b) in the circumstances of the particular case it would not be just to enforce the provisions of that paragraph,

the Commission may admit a claim which is otherwise admissible under Subsection (2).

(4) For the purposes of Subsection (2)(b)–

(a) it is irrelevant whether or not a payment was made in cash; and

(b) no account shall be taken of any payment the amount or value of which was, in the opinion of the Commission, insignificant when compared with the value of the land at the time when the payment was made, whether or not the value can be precisely estimated.

41. PRELIMINARY DECISION AS TO ADMISSIBILITY OF CLAIMS.

(1) Before proceeding further in the matter of a claim under Section 39, the Commission shall decide whether the claim is admissible in accordance with Section 40.

(2) A person by whom a claim was made under Section 39 and who is aggrieved by a decision of the Commission under Subsection (1) may appeal to the National Court.

42. JOINDER OF OTHER PARTIES.

(1) Where in its opinion it would be just and convenient to do so, the Commission may order that a person or group who did not make a claim under Section 39 but was entitled to make such a claim be joined in any proceedings under this Part as a claimant.

(2) An order under Subsection (1) may be made subject to such conditions as the Commission thinks just.

(3) A person or group joined under Subsection (1) shall be deemed to have made a claim under Section 39 within the period prescribed for the purposes of that section.

43. CONFLICTING CLAIMS.

(1) Where more than one claim is made under Section 39 in respect of any land and the claims are conflictory or inconsistent, then unless the claims are amended to remove the conflict or inconsistency the Commission shall–

(a) order that the matter of the conflict or inconsistency be dealt with under the *Land Disputes Settlement Act 1975* as if it were a dispute as to the ownership of an interest in customary land within the meaning of that Act; and

(b) adjourn the proceedings until the matter of the conflict or inconsistency has been dealt with accordingly.

(2) Where an order is made in accordance with Subsection (1)(a)–

(a) the provisions of the *Land Disputes Settlement Act 1975* (other than Sections 40 and 44 of that Act) apply accordingly; and

(b) any order made under that Act as between the claimants is binding on the Commission in the proceedings under this Act so far as it relates to the matter of the conflict or inconsistency.

44. AWARD OF SETTLEMENT PAYMENTS.

(1) Where the Commission is satisfied in relation to a claim under Section 39 that the claimant is a person–

- (a) who would be; or
- (b) who is a representative of a customary group who would be,

the owner of a customary right in any land that has been the subject of a declaration under Section 9 if no acquisition of the land by a pre-Independence Administration in Papua New Guinea had taken place, the Commission shall, subject to Subsections (2) and (3), make an order for payment by the State of a settlement payment in accordance with Section 45 to—

- (c) the claimant; or
- (d) where the claim is made by the claimant as a representative of a customary group—to the group or to a member or representative of the group authorized by the group to accept payment.

(2) Where an order is made under Subsection (1) in favour of a group, or of a number of persons or groups, the Commission may make a further order concerning the distribution of the settlement payment between the persons, groups and members of the groups, or any of them, concerned.

(3) Subject to Section 43, where there are more claims than one under Section 39 in respect of a parcel of land, for the purposes of an order under Subsection (1) or (2) the Commission shall consolidate the claims or treat them as consolidated.

(4) The settlement payment shall be made by the Minister on behalf of the State, out of moneys lawfully available for the purpose and payment may be made in cash or, on agreement between the Minister and the person or group entitled to payment in terms of Subsection (1)(c) or (d), in goods or services in lieu of cash.

45. AMOUNT OF SETTLEMENT PAYMENTS.

(1) Subject to this section, the total amount of settlement payments under this Act in respect of any parcel of land shall be an amount, calculated by the Commission, in accordance with Schedule 2.

(2) For the purposes of calculating the amount of compensation, any parcel of land shall be deemed to be in a town if it was situated in a town as at the date of the publication of the declaration under Section 9.

(3) Where in the opinion of the Commission it is just to do so in the case of a particular claim, for the reason that although the amount of land the subject of the declaration under Section 9 was relatively small it would, had it been acquired on the date of the claim, have represented a large proportion of the total land available for use to the owners, relative to their then and likely future needs, the Commission may recommend to the Minister that the amount of a settlement payment calculated in accordance with Subsection (1) be increased by an amount not exceeding 50%.

(4) The Minister may accept or reject, wholly or in part, a recommendation by the Commission under Subsection (3), and, in the event that he accepts a recommendation, the amount of the settlement payment is increased accordingly.

46. APPEALS AGAINST DECISIONS OF THE COMMISSION.

Subject to Section 155 (*the National Judicial System*) of the *Constitution*, and to Section 41, no appeal lies against any decision of the Commission under this Act, otherwise than on the ground of a failure to comply with the principles of natural justice as required by Section 34(2).

PART VII. – APPLICATION OF OTHER LEGISLATION TO DECLARATION OF NATIONAL LAND.

47. APPLICATION OF LAND TITLES COMMISSION ACT.

(1) When a declaration is made under Section 9 in relation to any land–

(a) subject to Section 44, the Land Titles Commission ceases to have jurisdiction in and in relation to the land; and

(b) The Land Titles Commission shall, as soon as practicable, notify the Commission of all claims or proceedings in relation to the land or any part of the land that are pending before the Land Titles Commission.

(2) Subject to Sections 48 and 50, on the date of publication in the National Gazette of a declaration under Section 9 in relation to any land all parties to any proceedings before the Land Titles Commission in relation to the land or any part of the land shall be deemed to have made a claim under Section 39.

48. APPEALS, ETC., UNDER THE LAND TITLES COMMISSION ACT.

(1) Where, immediately before a declaration is made under Section 9 in relation to any land–

(a) an appeal under Section 38 of the *Land Titles Commission Act 1962* (Adopted) was pending–the National Court shall hear and determine the appeal; or

(b) an application under Section 34 of the *Land Titles Commission Act 1962* (Adopted) was pending–the Commission shall deal with the application,

as if the declaration had not been made.

(2) In a case to which Subsection (1) applies the Registrar shall not take action in accordance with Section 18 until the appeal or application has been finally dealt with.

49. APPLICATION OF LAND DISPUTES SETTLEMENT ACT.

(1) Where a declaration is made under Section 9 in relation to any land–

(a) subject to Section 43, Land Mediators, Local Land Courts and Provincial Land Courts cease to have jurisdiction in and in relation to the land; and

(b) the senior Provincial Land Magistrate of the province in which the land, or any part of the land, is situated shall, as soon as practicable, notify the Commission of all proceedings in relation to the land or any part of the land that are pending before a Land Mediator or Local Land Court, or the Provincial Land Court, in the province.

(2) Subject to Section 50, on the date of publication in the National Gazette of a declaration under Section 9 in relation to any land all parties to any proceedings before a Land Mediator,

a Local Land Court or a Provincial Land Court in relation to the land or any part of the land shall be deemed to have made a claim under Section 39.

50. SAVING OF SECTIONS 40 AND 41.
