

SUBSIDIARY LEGISLATION

to the Gazette of the United Republic of Tanzania, No. 43, Vol. LYI, dated 17th October, 1975

Printed by the Government Printer, Dar es Salaam, by Order of Government.

GOVERNMENT NOTICE No. 233 published on 17/10/75

**THE WATER UTILIZATION (CONTROL AND REGULATION)
ACT, 1974
(No. 42 OF 1974)**

REGULATIONS

Made under section 38 (2)

THE WATER UTILIZATION (GENERAL) REGULATIONS, 1975

**PART I
PRELIMINARY**

1. These Regulations may be cited as the Water Utilization (General) Regulations, 1975.

2. In these Regulations, unless it is otherwise provided—

“Board” depending on the context, means either of the Board established by section 5 of the Act; Interpreta-
tion

“Chairman” means the Chairman of the Board and includes a person elected to preside at a meeting of the Board;

“hearing” means a sitting of the Board for the purpose of taking evidence or receiving submissions or representations relating to a matter referred to it;

“member” means a member of the Board and includes the Chairman;

“the Act” means the Water Utilization (Control and Regulation) Act, 1975;

“water right” includes an existing right.

**PART II
APPLICATIONS**

3. Where an application is made in accordance with section 15 of the Act, the Water Officer shall prepare a notice setting out the particulars of the application and cause it to be Notification
of
applications
under
section 15

(a) published in the *Gazette*;

(b) served upon all persons named in the application as being liable to be affected by the grant of the right for which the application is made, and upon such other persons as he thinks fit; and

(c) displayed at the District Office of the district in which the right for which the application is made will, if granted, be exercised.

Water Utilization (General)

G.N. No. 233 (contd.)

Notification
of
applications
under
section 16 (3)

4. Where in consequence of any transfer, lease or partition of land under section 16 (3) of the Act and the person who becomes entitled to the possession of part of the land to which a water right or existing right has been declared appurtenant applies to the Water Officer to determine the proportion of the water which he may abstract and use, the Water Officer shall cause a copy of the application to be served upon every person who is entitled to possession of the remainder of the land to which the water right, of which the applicant seeks an apportioned part, is appurtenant.

Time
within
which to
tender
objections

5.—(1) A Water Officer may refuse to consider any objection to an application for a water right, the apportionment of water right, or an easement if the objection reaches him forty days after the relevant date.

(2) In this regulation the expression “relevant date” means—

(a) in the case of an objector served with a notice under regulation 3 or copy of an application under regulation 4, the date on which such notice or copy was served upon him;

(b) in the case of an objector who is not entitled under regulation 3 to have notice of an application served upon him, the date on which particulars of the application were first published in the *Gazette*; and

(c) in the case of an objector to an application for and easement, the date upon which notice was served on him under section 27 (2) of the Act.

Service of
objections
upon
applicants

6. The Water Officer shall cause to be served upon every applicant for a water right, the apportionment of a water right or an easement a copy of every objection received by him within the period specified in regulation 5 together with a copy of any other objection which he proposes to take into consideration or, in the case of an application which is referred to a Board, which is sent to the Board.

PART III

REFERENCE TO BOARDS

Documents
to be sent to
the Board
in relation to
application

7. Where a Water Officer refers any application to a Board, he shall send to the Chairman of the Board—

(a) a copy of the application;

(b) a copy of every objection received within the period specified in regulation 5, and such other objections as he thinks fit; and

(c) such other information relevant to the application as the Water Officer deems necessary for the Board to give full consideration to the application and the objections thereto, and the Chairman shall lay the same before the Board.

Documents
to be sent to
the Board
in other
cases

8.—(1) Where a Water Officer refers to a Board any matter, other than a matter referred to in paragraph (2), concerning—

(a) the determination, revision, diminution or modification of a water right; or

(b) the specification of a quantity of water under section 21 of the Act,

Water Utilization (General)

G.N. No. 233 (contd.)

he shall inform the Chairman of the Board whether or not the holder of any water right liable to be affected by such determination, revision, diminution, modification or specification has been notified that the right is being referred to the Board, and, if such holder has been notified, inform the Chairman of any representations the holder has made.

(2) Where a Water Officer refers to a Board any matter concerning the determination, diminution or modification of a water right under section 24 of the Act, he shall send to the Chairman of the Board a copy of the notice served by him under subsection (1) of section 24 of the Act and a copy of any statement made by the holder of the water right under subsection (3) of that section.

(3) In addition to the information and documents specified in paragraphs (1) and (2), the Water Officer may send to the Chairman of the Board such information relevant to the matter as he deems necessary for the Board to give full consideration to the matter referred to it.

(4) The Chairman shall lay before the Board all documents and information received by him under this regulation.

PART V

WATER ADVISORY BOARDS

9. The Minister shall appoint one of the members of the Central Appointment Water Advisory Board to be Chairman of the Board. The Regional of Chairman Commissioner shall appoint one of the members of the Regional of a Board Water Advisory Board to be Chairman of the Board.

10.—(1) The Chairman shall, by giving to all members not less than seven days' notice, convene all meetings of the Board. Convening
and
quorum at
meetings of
Board

(2) The Chairman shall preside at all meetings of the Board at which he is present.

(3) In the absence of the Chairman from a meeting of the Board a member elected by the members present shall preside at that meeting.

(4) At a meeting of the Board—

(a) not less than one third of the members, one of them being the Secretary, shall form a quorum; or

(b) if the Board consists of less than fifteen members, five members, one of them being the Secretary, shall form a quorum.

(5) Where the Chairman receives a requisition signed by two members or by a Water Officer calling upon him to convene a meeting he shall do so within twenty-one days of the receipt of the requisition.

Water Utilization (General)

G.N. No. 233 (contd.)

Conduct of
business by
and
decisions of
Board

11 (1) Subject to paragraphs (2) and (3), the Board may conduct its business either at meetings or by circulation of papers.

(2) A decision of the Board at a meeting shall be by a majority of votes of the members present and voting. A decision of the Board on a circulation of papers shall be by the concurrence of the majority of the members.

(3) When any business is conducted by circulation of papers any member may require much business to be referred to a meeting of the Board.

(4) In the event of an equality of votes at a meeting of the Board, the person presiding at the meeting shall have, in addition to his deliberative vote, a casting vote.

Notification
of meetings
of Board

12. Where the Board proposes to meet to consider any application or other matter referred to it, the Chairman shall give reasonable notice of the time and place at which the Board is to meet to—

(a) every person who has made an objection to the application within the prescribed time and given notice that he wishes to be heard;

(b) any other person whom the Board considers fit to be given an opportunity of appearing; and

(c) the applicant the objector to whose application is given notice.

Persons
entitled to
appear and
be heard

13.—(1) Whenever the Board meets to consider any application or other matter referred to it—

(a) every person who has made an objection to an application;

(b) every person to whom the Board has given notice in accordance with paragraph (b) of regulation 12; and

(c) the applicant the objector to whose application appears.

shall be entitled to appear at the meeting and be heard, as the case may be, in support of his objection, or on the application or other matter to which the notice relates, or in support of his application.

(2) Any person who is entitled, under this regulation to appear may appear in person or by advocate and be heard and shall have the right to give evidence, or call witnesses to give evidence, cross-examine witnesses, and to make submissions to the Board.

Summoning
of witnesses,
administra-
tion of
oaths, etc.

14. The Board shall have, as regards the attendances, swearing and examination of witnesses, the production and inspection of documents, and other matters necessary or proper for the due performance of its functions, all such power, rights and privileges as are vested in a superior court of record and, without limiting the generality of the foregoing, may—

(a) on its own motion or on the application of a person entitled to be heard, by notice signed by the Chairman, require any person to appear at the time and place mentioned therein to testify to all matters within his knowledge relative to a subject

Water Utilization (General)

G.N. No. 233 (contd.)

matter before the Board, and to bring with him and produce any documents, book or paper that he has in his possession or under his control relative to the subject matter of the hearing;

- (b) administer oaths and examine any person upon oath, affirmation or otherwise; and
- (c) during the hearing receive such additional information as it may consider credible or trustworthy and necessary for dealing with the subject-matter before it.

15. The Board may, on its own motion or on application of a person entitled to be heard, permit any person appearing or required to appear as a witness before the Board to give evidence by tendering, and verifying by oath, a written statement. Written representations

16. The Board may receive in evidence any statement, document, information, or matter that may in its opinion assist it to deal effectually with the subject-matter before it, whether or not the same would be admissible in a court of law. Admissibility of evidence

17.—(1) Subject to paragraph (2), the Board shall govern its own procedure at any hearing. Procedure of hearings

(2) At any hearing, the Board shall observe the rules of natural justice, and shall hear all evidence tendered and representations made by or on behalf of the persons entitled to appear and be heard which it considers relevant to the subject matter or the hearing, save that at any time during the hearing it may, if it has sufficient evidence to arrive at a decision on the subject matter, decide not to receive further evidence or representations.

17A. A person required to appear and give evidence before the Board shall be paid such appropriate subsistence allowance as are paid to government officers travelling on duty and shall be reimbursed any monies spent on transport, food and accommodation on production of *bona fide* documents in proof thereof. Expenses

18.—(1) The Board shall cause to be kept and maintained a book in which are recorded minutes of each meeting and proceedings at each hearing showing adequate details of— Record of minutes of meetings and evidence at hearings

- (a) the business conducted or transacted;
- (b) all evidence received;
- (c) all arguments heard; and
- (d) all findings made by the Board concerning any act, matter or thing authorized or required to be done or decided by the Board.

(2) The minutes of each meeting shall be read at the next ensuing meeting and, if passed as correct, shall be confirmed by the signature of the Chairman.

(3) The Chairman shall cause a copy of the minutes, after confirmation, to be dispatched to the Water Officer.

Water Utilization (General)

G.N. No. 233 (contd.)

(4) Before the close of every meeting a summary of the resolutions made by the Board at the previous meeting shall be approved by the Board, signed by the Chairman, and a copy thereof shall forthwith be dispatched to the Water Officer.

(5) A copy of a summary of resolutions dispatched to the Water Officer shall be sufficient notification to him, for all purposes, of every resolution made at the meeting.

PART V

APPEALS

Notice of
intention to
appeal

19.—(1) Any person wishing to appeal under section 32 of the Act shall give to the Water Officer and to the appellate authority a notice of his intention to appeal within thirty days of the notification to him of the decision of the Water Officer or the service upon him of the certificate or the grant in respect of which the appeal is to be made or, if he is not a person upon whom the Water Officer is required by the Act or by these Regulations to serve notice of such decision, within thirty days of the decision.

(2) Notwithstanding paragraph (1), the appellate authority may, for good cause, extend the period within which notice of appeal may be given.

Preparation
of case

20. Upon receipt of a notice of intention to appeal and within twenty-one days of the receipt of the notice, the Water Officer shall cause to be prepared and transmitted to the appropriate appellate authority—

- (a) in the case of an appeal against a decision given in respect of any application, three copies of—
 - (i) a written statement showing the name and address of the applicant and every objector to the application, and the decision appealed against;
 - (ii) the application in respect of which the decision appealed against was given;
 - (iii) the relevant portion of the minutes showing the advice of the Board, if any was given;
 - (iv) any objection which was referred to the Board;
 - (v) all other documents which were considered by the Water Officer in arriving at the decision appealed against; and
 - (vi) a written statement signed by the Water Officer indicating concisely the grounds of the decision appealed against and any conclusion of fact arrived at by him.
- (b) in every other case, three copies of the documents specified in sub-paragraphs (iii), (v) and (vi) of paragraph (a), together with any notice relevant to the matter served by the Water Officer on the appellant and any representation or statement made by him to the Water Officer.

Water Utilization (General)

G.N. No. 233 (contd.)

21. The appellant shall, within twenty-one days after giving notice of appeal, transmit to the appellate authority and the Water Officer three copies of his memorandum of appeal setting out concisely and under distinct and consecutively numbered heads the grounds of his objection to the decision of the Water Officer.

22.—(1) Subject to paragraph (2), upon receipt of the memorandum of appeal, the appellate authority shall proceed to consider and determine the appeal.

(2) The appellate authority may, if it thinks it desirable, give an opportunity to the appellant to be heard in support of his memorandum of appeal.

(3) When the appellate authority decides to hear the appellant in support of his memorandum of appeal, it shall give an opportunity to be heard to—

(a) the Water Officer; and

(b) if the appeal is against the decision of the Water Officer on an application—

(i) all objectors to the application if the appellant was the original applicant; or

(ii) the original applicant if the appellant was an objector to the application.

(4) In deciding on the appeal the appellate authority shall not confine its considerations to the grounds of appeal set out in the memorandum of appeal.

PART VI

GENERAL

22A.—(1) The Water Officer shall, in addition to each case where he is required by the Act to give notice, give notice of every decision from which an appeal lies under section 32 of the Act to—

(a) the person whose application has been determined by such decision or whose water right, easement, or works have been so affected;

(b) all persons who have objected to the application where an application may be objected to; and

(c) all persons on whom the Water Officer is required to serve notice of the making of an application.

(2) Notwithstanding paragraph (1), the Water Officer may not give notice under this regulation to any person on whom, as a result of the decision, he has already served a certificate or grant under the Act.

23.—(1) The Water Officer may call upon any person who he has reason to believe to be in possession of information relevant to any application or matter before him to give him such information either orally or in writing or by the production of a document.

Water Utilization (General)

G.N. No. 233 (contd.)

(2) Where information is to be given orally a notice signed by the Water Officer shall be sent to the person required to attend requiring him to attend and give the information.

(3) Where a person is required to attend and give information to a Water Officer he shall be treated in all respects as is provided for persons summoned as witnesses before a Water Advisory Board.

Forms,
copies and
annexures

24.—(1) The forms set out in the First Schedule to these Regulations shall be used in all matters to which they refer with such adaptation and modifications as the circumstances require and in such number of copies as may be specified therein.

(2) Whenever it is provided in a form that there be annexed thereto any document, the form shall be deemed to be not properly completed if the document specified therein is not annexed thereto.

Fees

25.—(1) The fees set out in the Second Schedule to these Regulations shall be payable to the Water Officer in respect of the matters specified in that Schedule.

(2) Where an appellate authority allows an appeal under section 32 of the Act, it may, if it deems it fit, direct the Water Officer to refund any fee or any part thereof paid in respect of the appeal and the Water Officer shall give effect to the direction.

Offences

26.—(1) Any person who, having been given notice, as prescribed, to appear and give evidence before a Board or, as the case may be, to give information to a Water Officer, without reasonable excuse—

(a) fails to attend as required by the notice; or

(b) fails or refuses to appear and report himself from day to day until excused or released from further attendance,

shall be guilty of an offence and liable, on conviction, to a fine not exceeding two thousand shillings.

(2) If a person appearing as required before a Board, without reasonable excuse—

(a) refuses or fails to be sworn or make an affirmation;

(b) refuses or fails to answer a question that he is required to answer by or with the concurrence of the Chairman; or

(c) refuses or fails to produce a document that he was required to produce by a notice under these Regulations served on him as prescribed,

he shall be guilty of an offence and liable on conviction to a fine not exceeding two thousand shillings.
