

Royal Proclamation of 6 October 1966 Establishing  
the Breadth of Territorial Waters

Whereas Thailand always maintains that the sovereignty of Thailand extends, beyond its land territory and its internal waters, to a belt of sea adjacent to the coast, described as the territorial sea, including the air space over the territorial sea as well as its bed and subsoil;

Whereas it is deemed appropriate to establish the breadth of the coastal territorial waters;

It is hereby proclaimed that the breadth of the territorial waters of Thailand is established at twelve nautical miles measured from a baseline used for measuring the breadth of the territorial sea.
