

THE WEIGHTS AND MEASURES ACT.

Statutory Instrument 103—28.

The Weights and Measures (Prohibition of the Derived System) (Forest Industry) Order. *(Under section 46 of the Act.)*

1. Citation.

This Order may be cited as the Weights and Measures (Prohibition of the Derived System) (Forest Industry) Order.

2. Transactions by weight and measure in forest industry.

The forest industry, except where it relates to the export of any forest produce, is specified to be an industry in which weights, measures or weighing and measuring instruments of the derived system or any system other than the metric system are prohibited by way of trade.

History: S.I. 121/1970.
