## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations implement provisions in Directive [2009/21/EC](#) of the European Parliament and of the Council of 23rd April 2009 on compliance with flag State requirements (OJ No L 131, 28.5.2009, p 132).

*Regulation 3* implements Article 6 of the Directive and requires the Secretary of State to ensure that certain information in respect of United Kingdom ships is kept and remains readily accessible.

*Regulation 4* implements Article 4(2) of the Directive and requires the Secretary of State to provide information relating to a former United Kingdom ship upon request from the State whose flag the ship is now entitled to fly.

*Regulation 5* requires the Secretary of State to review the operation and effect of these Regulations and publish a report within five years after they come into force and within every five years after that. Following a review it will fall to the Secretary of State to consider whether the Regulations should remain as they are, or be revoked or be amended. A further instrument would be needed to revoke the Regulations or to amend them.
