EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Cattle Identification Regulations 1998 (S.I. 1998/871) which make provision for the enforcement of Title 1 of Council Regulation (EC) No. 820/97 (establishing a system for the identification and registration of bovine animals and regarding the labelling of beef and beef products, OJ No. L117, 7.5.97, p. 1). They

amend regulation 3 of those Regulations so as to extend the time for applying the second eartag to a bovine animal in a dairy herd from 36 hours to 30 days in the case of an animal born before 1st January 2000, and 20 days in the case of an animal born on or after that date. They make a consequential amendment to regulation 13 to make it clear that the time limit for applying for a cattle passport runs from the date that the second tag is applied.

A regulatory impact assessment has not been prepared for these Regulations.
