EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which extend to England only, further amend the Sweeteners in Food Regulations 1995, which extend to Great Britain, by bringing up to date a reference to Directive 95/31/EC on specific purity criteria so as to cover its amendment by Directive 2000/51/EC insofar as that Directive substituted new specifications for maltitol syrup and by bringing up to date references to the 1995 Regulations in other Regulations.

No regulatory impact assessment has been prepared in relation to these Regulations.
