Signed by authority of the Secretary of State for Health

Hazel Blears

Parliamentary Under Secretary of State Department of Health

21st October 2002

EXPLANATORY NOTE

(This note is not part of the Regulations)

1. These Regulations amend Part V of Schedule 2 to the Products of Animal Origin (Third Country Imports) (England) Regulations 2002 (S.I. 2002/1227, as already amended) in order to give effect in England to Commission Decision 2002/794/EC concerning certain protective measures with regard to poultrymeat, poultrymeat products and poultrymeat preparations intended for human consumption and imported from Brazil (OJ No. L276, 12.10.2002, p. 66).

2. These Regulations also correct an earlier defect in S.I. 2002/1227 by including in Part V of Schedule 2 to that instrument a reference to Commission Decision 2002/251/EC concerning certain protective measures with regard to poultrymeat and certain fishery and aquaculture products intended for human consumption and imported from Thailand (OJ No. L84, 28.3.2002, p. 77). That Decision is already listed in section H of Part IX of Schedule 2 (protective measures - fishery products).

3. The Products of Animal Origin (Third Country Imports) (England) Regulations 2002 implement for England Council Directive 97/78/EC laying down the principles governing the organisation of veterinary checks on products entering the Community from third countries (OJ No. L24, 30.1.98, p. 9).

4. The products to which S.I. 2002/1227 applies are defined in regulation 2(1) of and Schedule 3 to that instrument.

5. Schedule 2 to S.I. 2002/1227 lays down the conditions, by reference to the Community legislation listed in it, for the import of those products into England from third countries.

6. No regulatory impact assessment has been prepared in relation to these Regulations.
