EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Medicated Feedingstuffs Regulations 1998 (SI 1998/1046) in Scotland, England and Wales. The 1998 Regulations implement Council Directive 90/167/EEC (OJ No. L 902, 7.4.90, p. 42) laying down the conditions governing the preparation, placing on the market and use of medicated feedingstuffs in the Community.

These Regulations raise the fees charged for applications for approvals and for renewals of approvals in respect of premises carrying out or proposing to carry out various activities involving the manufacture of certain medicated feedingstuffs and other such products. It also increases the fee charged for applications for the approval or renewal of approval of persons as distributors of medicated feedingstuffs.

These Regulations also revoke (by regulation 3) the Medicated Feedingstuffs (Amendment) Regulations 2003 (SI 2003/546), which were incompletely cited in the citation regulation. Those Regulations included amendments to the 1998 Regulations identical to those made by these Regulations and were stated to come into force at the same time as these Regulations. Consequential provision is made in these Regulations to deal with the cross-referencing affected by the revocation.

A Regulatory Impact Assessment has been carried out in respect of the measures effected by these amending Regulations, and has been placed in the library of each House of Parliament. Copies may be obtained from the Veterinary Medicines Directorate, Woodham Lane, New Haw, Addlestone, Surrey KT15 3LS.
