EXPLANATORY NOTE

(This note is not part of the Regulations)

The Producer Responsibility Obligations (**Packaging Waste**) Regulations 1997 impose on producers obligations to recover and recycle **packaging waste**, and related obligations, in order to attain the targets in article 6(1) of Directive 94/62/EC.

These Regulations amend the fee which is to be charged by the Environment Agency on an application for registration of a scheme under regulations 14 and 15 of those Regulations. The fee is now calculated at the rate of £460 per member of the scheme, rather than on a scale (from £760 to £126 per member) according to the number of members of the scheme. They also increase the targets from 2001 onwards to 56% for recovery and 18% for recycling.
