These Regulations implement for Wales Commission Directive 2003/14/EC (OJ No.L41, 14.2.2003, p.37) amending Directive 91/321/EEC (OJ No.L175, 4.7.91, p.35) on infant formulae and follow-on formulae. (b) make some consequential amendments (regulations 3 and 6).

3. In implementation of the final sentence of Article 6(2) of Directive 91/321/EEC as substituted by Commission Directive 1999/50/EC, provision is made as to analytical methods for determining levels of pesticide residues (regulation 7).

4. The Regulations also -

(a) give port health authorities a role in enforcement (regulation 8); and

(b) make some technical changes to the provision applying various provisions of the Food Safety Act 1990 (regulation 9).

5. A regulatory appraisal has been prepared and placed in the Library of the National Assembly for Wales together with a Transposition Note setting out how the main elements of Directive 2003/14/EC are transposed in these Regulations.
