EXPLANATORY NOTE

(This note is not part of the Regulations)

1. These Regulations apply in relation to England only. They implement in relation to England the provisions of Council Directive 85/73/EC on the financing of veterinary inspections and controls that, following reforms to the Community regime on food hygiene that take effect on 1st January 2006, require fees to be collected for inspections of and controls on fishery products under Annex III to Regulation (EC) No. 854/2004 of the European Parliament and of the Council laying down specific rules for the organisation of official controls on products of animal origin intended for human consumption (OJ No. L139, 30.4.2004, p.206; the revised text of Regulation (EC) No. 854/2004 is now set out in a Corrigendum, OJ No. L226, 25.6.2004, p.83). An amended and consolidated text of Council Directive 85/73/EC is annexed to Council Directive 96/43/EC at OJ No. L162, 1.7.96, p.1.

2. Prior to 1st January 2006, Council Directive 85/73/EC requires fees to be collected for inspections of and controls on fishery products under Council Directive 91/493/EEC (OJ No. L268, 24.9.91, p.15). In the light of the reforms mentioned in paragraph 1 above, Directive 2004/41/EC of the European Parliament and of the Council (OJ No. L157, 30.4.2004, p.33; the revised text of Directive 2004/41/EC is now set out in a Corrigendum, OJ No. L195, 2.6.2004, p.12) modifies Council Directive 85/73/EEC with effect from 1st January 2006 so that from that date it requires fees to be collected for inspections of and controls on fishery products under Annex III to Regulation (EC) No. 854/2004.

3. The reforms mentioned in paragraph 1 above will also lead to the revocation on 1st January 2005 of the Food Safety (Fishery Products and Live Shellfish) (Hygiene) Regulations 1998 (S.I. 1998/994) in so far as they apply in relation to England. Those Regulations implement in relation to Great Britain the provisions of Council Directive 85/73/EEC that currently require fees to be collected for inspections of and controls on fishery products under Council Directive 91/493/EEC.

4. These Regulations —

- (a) state what costs constitute the actual costs of exercising official controls for the purposes of the Regulations (*regulation 3*);
- (b) provide the rates to calculate the sterling equivalent of any sums which are specified in Euros in the Regulations (*regulation 4*);
- (c) prescribe how the length of an “account period” for the purposes of the Regulations is to be determined (*regulation 5*);
