

**THE ORDER OF CONSIDERATION  
BY BODIES OF STATE COMMITTEE OF UKRAINE  
ON THE LAND RESOURCES OF OCCASIONS  
ABOUT ADMINISTRATIVE VIOLATIONS OF THE LAND LEGISLATION**

**IS AFFIRMED  
BY THE ORDER OF STATE COMMITTEE OF UKRAINE  
ON LAND RESOURCES  
from April 8, 1993 , № 25**

**ORDER OF CONSIDERATION  
BY BODIES OF STATE COMMITTEE OF UKRAINE  
ON THE LAND RESOURCES OF OCCASIONS  
ABOUT ADMINISTRATIVE VIOLATIONS OF LAND LEGISLATION  
(With changes introduced according to the Order of State Committee of Land ordering № 37 from 06.03.1993)**

**1. The general provisions:**

This Order is established according to the Law of Ukraine from 3.02.1993, № 2977-XII " About entering the changes and additions to Criminal code of Ukraine and Code of Ukraine about administrative breaches " and Law of Ukraine from 06.03.1993, № 37 " About entering the changes and additions to some legislative acts of Ukraine on protection of environment and environment". (With changes introduced according to the Order of State Committee of Land ordering № 37 from 06.03.1993). Code of Ukraine about administrative violations (an item 238 to 1 bodies of State committee of Ukraine on land resources) right is given to consider businesses about administrative violations stipulated by the articles 53, 53 (2), 55, 56 of the Code (addition № 1). 2. Registration of the documents at revealing infringements of land legislation

**2.1.** The registration of the documents (instructions and protocols) at revealing infringements of land legislation is carried out by the experts of the central device of State Committee of Land ordering and its bodies on places, on which according to the accomplishments of the state control on using and protection of grounds are fixed and which are the state inspectors on using and protection of grounds. The list of the service persons, on which fixed functions of the state inspectors on using and protection of grounds, affirms by the Main state inspector on using and protection of grounds of Ukraine.

**2.2.** At revealing the land lots, which are used not on a special-purpose designation, it is irrational or methods, which lead to reduction of fertility fields and pollution, the state inspector on use and protection of grounds according to the article 29 of the Code of Ukraine bears the indication with establishment of month term for elimination of infringements, about what appropriate document (addition № 2). The instruction develops in duplicate, from which the first copy is handed to the person, which has committed administrative violation, second remains at the service person, which constituted this document.

**2.3.** In a case of error infringements in the indicated term the service person constitutes the protocol on infringement of land legislation (addition № 3). At revealing other infringements, which indicated in the article 115 of the land Code of Ukraine, the protocol can be constituted and without warning. According to the article 258 of the Code of Ukraine about administrative violations in the protocol it are specified: the date and place of its folding, position, surname, name and patronymic of the person, which has executed a process-verbal; the items of information on the person of the infringer; a place, time of commission of administrative violation; the normative statement, which provides the responsibility for an offence; arguments of the infringer; other items of information necessary for the decision of business. The protocol is signed by the person, which constituted it, and person, which has committed administrative violation. In default persons, which has committed offence, signing the protocol, in it the record about it is done. The person, which has committed offences, has the right to file any remark concerning the contents of the protocol, which increase to it, and also to lay out motives of the failure from its folding. The person, which has committed offence, at folding the protocol to the infringer are explained of its rights and responsibilities stipulated by the article 268 of the Code of Ukraine about administrative violations, about what the entry is done. The person, which is drawn to the administrative responsibility, has the right: to get acquainted with materials of business, to give arguments, to present the proofs, to

petition; by consideration of business to use legal assistance of the attorney to act by the native language and to interpreter, if not possesses language, with which the realization is conducted; to appeal against the decree on business.

**2.4.** The protocol on infringement of land legislation consists in triplicate, from which the first copy within three days is to the service person, convener to consider businesses about an offence of land legislation, the second copy is handed to the infringer of land legislation, the third copy remains at the service person, which has executed a process-verbal.

**2.5.** If the infringers of land legislation are the servicemen and other persons, to which the action of the disciplinary regulation is distributed, and also the foreign subjects and stateless persons, they are drawn to the responsibility accordingly to the 16 Codes of Ukraine about administrative violations.

### **3. Consideration of occasions about infringement of land legislation**

**3.1.** Businesses about infringement of land legislation stipulated by the articles 52, 53, 53 1, 53 2, 54, 55, 56 and 188 of the 16 Codes of Ukraine about administrative violations, consider accordingly the berth of the person of bodies of State Committee of Land ordering in 15 days term from the date of receiving the protocol about administrative breaches from the person, which has executed a process-verbal.

( With changes introduced according to the Order of State Committee of Land ordering № 37 from 06.03.97)

On behalf of bodies of State Committee of Land ordering to consider businesses about administrative violations and impose penalties under administrative law have the right: The Head of State committee of Ukraine on land resources and its deputies, the Head of State committee of Independent Republic of Crimea on land resources and uniform cadastre and its deputies, regional, Kiev and Sevastopol urban managements and their deputies, chiefs urban (bridge of regional and city subordination), regional managements (departments) of land resources and their deputies, engineers - land users of villages and settlements.

**3.1.** the is introduced the second paragraph according to the Order of State Committee of Land ordering № 37 from 06.03.97

**3.2.** On consideration of business, the person, which is drawn to the administrative responsibility, witness, expert, other persons will be caused by the services of summons addition № 4), the delivery and which delivery is realized accordingly to the 90, 91, 94, 98 Civil codes of practice of Ukraine.

The services of summons together with the return receipt are sent by the certified mail or through the delivery and are handed to the person, which will be caused, no more late than five days prior to day of consideration of business. The receipt with a signature is subject to returning with the instruction of time receiving.

The service of summons addressed to the service person of the state enterprise, establishment, organization, agricultural enterprises, other cooperative organizations, are handed to the appropriate service person, which under the receiving it on the return

If the person, which will be caused, will not be revealed in a residence, the service of summons hand to somebody from members of family, which live together with it, and for want of them is to building management or administration on work, and in countrysides to the executive committee village (habitational) of councils of the national deputies. The person, which has received the service of summons obliged under the responsibility immediately to hand its proper person.

At failure of the addressee to receive the service of summons, person, which delivers it, makes the appropriate mark on the service of summons, which comes back. A mark about failure to receive the service of summons affirms by a signature of service person of building management or executive committee of village council of the national deputies, or representative administration on a place of work, or signatures not the smaller two citizens.

According to the article 268 of the Code of Ukraine about administrative violations for want of the person, which is drawn to responsibility, the business can be considered only in cases, if there are data about its duly notice on a place of consideration of business and if from it has not arrived bothers about adjournment of consideration of business.

The drive, as a measure of maintenance of appearance on businesses about infringement of land legislation not subject to consideration of business accordingly to the articles 269-274 Codes of Ukraine about administrative violations cannot be lost, attorney, witness, expert, interpreter.

**3.3.** Having considered business about infringement of land legislation, service person, were guided by the articles 22, 26, 27, 36, 284 Codes of Ukraine about administrative violations, bear one of the decrees (addition № 6):

- 1) About laying penalty under administrative
- 2) About closing business.

The decree should contain: the items of information on the service person, which has born the decree, date of consideration of business; the items of information on the person of the respondent; an exposition of circumstances of business; the normative statement, which provides the responsibility for the given administrative violation; accepted on the decree term and order of payment of the fine; the order and term of the appeal of the decree.

The decree on business about administrative violation is signed by the service person, which has considered business.

**3.4.** The decree is announced immediately after ending consideration of business, is signed in triplicate and is registered in appropriate book (addition № 6). The copy of the decree during three days is handed or is sent to the person, concerning which the decree is endured. The copy of the decree is handed against receipt. In case the copy of the decree is sent, about it the mark is done.

**3.5.** The fine can be imposed no more late as in two months from the date of committing an offence, at lasting an offence more than two months from the date of its revealing, and also in a month's time after ending term established by the law. At laying collection the character of contented offence, person of the offender, degree of its guilt, property state, circumstances taken into account which extenuate or charge the responsibility.

As circumstances, which extenuate the responsibility for administrative violation, are

- 1) Sincere
- 2) preventing of harmful inquests of an offence, voluntary compensation for damages or removal of the cause of offence
- 3) Committing an offence by the minor.

As circumstances, which charge the responsibility for administrative violation, are

- 1) Continuation of wrongful acts, despite of a request of the persons, authorized to that, to stop committing of an offence
- 2) Repeated, during year of committing of a homogeneous offence, for which person was drawn to the administrative responsibility;
- 3) Offence is converted by group of the persons

#### **4. Order of the appeal and protest of the decrees on business about administrative violation**

**4.1.** The decree on business about administrative violation can be appealed against by the person, concerning which the decree is endured, introduced, during ten days from the date of rendition of the decree. In case of the passing of the indicated term, without respectable reason this term under the application of the person, concerning which the decree is endured, can be resumed. The service person, competent to consider the appeal, is the higher service person or in regional court. The decree on business about administrative violation can be appealed against to the higher service person or in regional court, which decision is final.

The person, which has appealed against the decree, is released of payment of a State Tax.

**4.2.** The decree on business about administrative violation can be protested by the public prosecutor.

**4.3.** The submission of the petition or protest stops fulfilment of the decree to their consideration.

**4.4.** The higher service person considers the petition or protest in ten-day term from the date of submission and according to the results of consideration makes one of the decrees:

- 1) Keeps the decree without change, and petition or protest without submission
- 2) Cancels the decree and sends business on re-consideration
- 3) Cancels the decree and closes business
- 4) Changes a measure of collection in borders stipulated by the normative statement about the responsibility for administrative violation, with that, however, that the collection was not is strengthened.

**4.5.** The copy of the decision under the petition or protest on the decree on business about administrative violation of days is sent to the person, concerning which it is On results of consideration of the protest is informed to the public prosecutor.

**4.6.** The cancellation of the decree with closing of business about administrative violation draws behind itself returned strapped moneys, and also cancellation of other limitations connected to the decree.

**4.7.** The decision on the petition to the decree on business about administrative violation can be protested by prosecutor.

The protest on the decision on the petition is introduced to the higher service person concerning the service person accepted the decisions on the petition.

## **5. Fulfilment of the decrees about amercement**

**5.1.** The fine can be paid by the infringer not later than in fifteen days from the date of delivery it of the decree on amercement and in case of the appeal or protest of such decree not later than in fifteen days from the date of the message on dismissal or rejection of the protest.

**5.2.** The decree on amercement is not subject to fulfilment, if it was not returned to fulfilment during three months from rendition.

**5.3.** Laying the fines does not release the guilty persons of removal(elimination) of the allowed infringements and reimbursement of the caused losses (article 116, 117 Land codes of Ukraine).

Simultaneously with rendition of the decree about amercement the service person establishes term (no more than removal of infringement of land legislation, about what it is marked in the decree. In a case of erroring of infringement hereunder guilty are drawn to the responsibility in statutory the order.

**5.4.** Upon default of payment of fine by the infringer when due hereunder, the decree on amercement is sent for deduction of sum of the fine in the compulsory order by deductions from wages or other earnings (income) according to the rules by the Civil code of practice of Ukraine.

If the person, which fined, does not work, or if the exaction of a penalty from wages or other earnings (income) of the person is impossible for other reason, collection is conducted on the basis of the decree of the service person on amercement by enforcement officer of regional (urban) court in statutory the order (addition № 7).

By the code of Ukraine, about administrative violations (article 308) is forbidden reference of the fines, imposed on the person, at the expense of the enterprises, establishments and organizations.

**5.5.** The decree on amercement, behind which exaction of a penalty is conducted completely, with a mark about fulfilment is sent back to the service person, which has born the decree.

**5.6.** For compulsory fulfilment of the decree about removal of infringement of land legislation the petition and the decree on business on infringement are taken to court or arbitration court.

**5.7.** (the item 5.7 is excluded according to the Order of State Committee of Land ordering № 37 from 06.03.97)

**5.8.** In case of autocratic occupation of the land lots, if the reached measures of administrative influence, the service person make a decision on transfer of materials to the organs of inquiry.
