

Council of Ministers of the Republic of Armenia

Decree # 181

March 6, 1991

City of Yerevan

"About Some Issues of Privatization of Vineyards and Orchards"

The Council of Ministers of the Republic of Armenia decrees:

1. It is ordained that during privatization the size of the sum of partial compensation for the young vineyards and orchards as well as for those vineyards and orchards which are subject to cutting down according to the Decree issued by the Council of Ministers of the Republic of Armenia, should be equal to that of the partial compensation for the arable land of the same category.
2. The owners of the young vineyards and orchards will be exempt from income tax till the saplings and seedlings reach full fecundity (the time will be fixed for each kind of fruits according to agrotechnical instructions).
3. All the decisions made by the Executive Committees of the district Soviets on restoration or cutting down of vineyards and orchards shall be submitted (in accordance with the established procedure) to the Council of Ministers of the Republic of Armenia for approval.
