Regulation 3.1

Part 3 Expenditure and funding of the industry services body**3.1 Gross value of production**

- (1) This regulation applies to the following sectors of the horticultural industry:
- (a) dried fruit;
 - (b) tobacco leaf.
- (2) For subsection 16 (4) of the Act, the Secretary must determine the amount of gross value of production of each sector of the horticultural industry mentioned in subregulation (1), for a financial year (the *relevant financial year*), by using:

$$\frac{A + B + C}{3}$$

where:

A is the estimated value of the relevant horticultural product to be produced by the sector in the relevant financial year.

B is the value of the relevant horticultural product produced by the sector in the financial year immediately before the relevant financial year (the *previous financial year*).

C is the value of the relevant horticultural product produced by the sector in the financial year immediately before the previous financial year.

- (3) In subregulation (2), a reference to the value of the relevant horticultural product produced, or the estimated value of the relevant horticultural product to be produced, in a financial year is a reference to the production figure supplied by the Australian Bureau of Agricultural and Resource Economics that shows:
- (a) the gross value of the relevant horticultural product produced by the sector in that financial year; or
 - (b) the estimated gross value of the relevant horticultural product to be produced by the sector in that financial year.
