Ecological reserves

- 1 (1) The ecological reserves named and described in Schedule A are continued or established for the purposes of the *Ecological Reserve Act*.
- (2) The ecological reserves established and described in orders in council referred to in Schedule B are continued for the purposes of the *Ecological Reserve Act*.

Parks

- 2 The parks named and described in Schedules C and D are continued or established as Class A parks for the purposes of the *Park Act*.

Conservancies

- 2.1 The conservancies named and described in Schedules E and F are established or continued as conservancies for the purposes of the *Park Act*.

Boundaries described by official plans

- 3 (1) For the purposes of this section, "**official plan**" means a plan that is
 - (a) certified by the Surveyor General, by signature on the plan, to be an official plan, and
 - (b) kept on deposit in the Crown land registry referred to in section 7 of the *Land Act*.

(2) All or part of the boundary of

(a) an ecological reserve established under the *Ecological Reserve Act* or established or continued by this Act,

(a.1) a conservancy established or continued by this Act, or

(b) a park established or continued by this Act,

may be described by reference to

(c) one or more official plans,

(d) metes and bounds descriptions,

(e) lot or parcel descriptions, or

(f) any combination of the means referred to in paragraphs (c) to (e).

(3) To the extent of any variance between the marked representation of the boundary on an official plan and the metes and bounds or other written descriptions on the official plan, the metes and bounds or other written descriptions prevail.

(4) Copies of official plans must be available for public inspection in the Crown land registry during regular business hours, and a person may obtain a copy of an official plan on payment of a fee prescribed under section 6 (3) of the *Land Act*.

(5) A copy of an official plan, that is certified by the Surveyor General to be a true copy, is admissible as evidence in a court without proof of the signature or official character of the Surveyor General.

(6) If an official plan referred to in Schedule C or D contains a reference to "by or under the *Park Act*", that reference is deemed to be a reference to "under the *Park Act* or the *Protected Areas of British Columbia Act*".

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Kamloops Division, Yale District and contained within the following described boundaries:

Albas Site

Firstly: District Lots 3410 and 2831;

Fractional Legal Subdivisions 12 & 13 of Section 1, Township 26, Range 8, W6M;

Fractional Legal Subdivision 9, Fractional Legal Subdivision 11, the easterly 121 metres of Fractional Legal Subdivision 12, that part of Fractional Legal Subdivision 15 lying East of BCFS Road (Project 724,03) & Legal Subdivision 16 all of Section 2, Township 26, Range 8, W6M, Blocks A & B of Legal Subdivision 15 of Section 2, Township 26, Range 8, W6M, L A of Legal Subdivision 10 of Section 2, Township 26, Range 8, W6M, Pl. 20185 except Parcels A & B (H59221);

Parcel B (H59221) of Legal Subdivision 10 of Section 2, Township 26, Range 8, W6M.

Secondly: that part of the road allowance within Legal Subdivision 15 of Section 2, Township 26, Range 8 W6M described as commencing at the northeast corner of Block A of Legal Subdivision 15;

thence northeast in a straight line to the northwest corner of Block B of Legal Subdivision 15;

thence southerly along the West boundary of Block B to the southerly boundary of Legal Subdivision 15;

thence westerly along the southerly boundary to the southeast corner of Block A of Legal Subdivision 15;

thence North along the East boundary of Block A to the point of commencement.

Thirdly: commencing at the northwest corner of District Lot 5828, being a point on the natural boundary of Shuswap Lake;

thence easterly along the North boundary of District Lot 5828;

thence southwesterly in a straight line to a point lying 100 metres due East of the southeast corner of District Lot 5828;

thence in a general southerly then westerly direction along a line parallel to and 100 metres perpendicularly distant from the westerly shore natural boundary of Shuswap Lake to a point on the line lying due South of a point on the natural boundary, the point on the natural boundary lies 121 metres West and approximately 340 metres South from the northeast corner of Legal Subdivision 12 of Section 2, Township 26, Range 8, W6M;

thence due North to the natural boundary;

thence in a general easterly then northerly direction along the natural boundary of Shuswap Lake to the point of commencement.

The whole site containing approximately 124 hectares (101 hectares of upland and 23 hectares of foreshore).

Aline Hill Site

Commencing at the Witness Post in a Stone Mound on the southerly boundary of Section 10, Township 23, Range 8, W6M as shown on Dominion Township Plan of the southwest 1/4 of Township 23, Range 8, W6M dated at Ottawa, November 22, 1911;

thence due East to a point parallel to and 100 metres perpendicularly distant from the westerly shore natural boundary of Shuswap Lake;

thence in a general northeasterly direction along a line parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying due East of a point lying 804.7 metres due North of the point of commencement;

thence due West to a point on the upland being parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake;

thence in a general southwesterly direction parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake at the point lying due West of the point of commencement;

thence due East to the point of commencement.

The whole site containing approximately 20 hectares (10 hectares of upland and 10 hectares of foreshore).

Anstey View Site

Firstly: Fractional southeast 1/4 of Legal Subdivision 10 and the Fractional east 1/2 of Legal Subdivision 7 of Section 12, Township 24, Range 8, W6M, Kamloops Division, Yale District.

Secondly: commencing at a point lying 360 metres East and approximately 201 metres North of the southwest corner of Legal Subdivision 10 of Section 12, Township 24, Range 8, W6M, being a point on the westerly shore natural boundary of Shuswap Lake;

thence due East 100 metres;

thence in a general southerly direction parallel to and 100 metres perpendicularly distant from the westerly shore natural boundary of Shuswap Lake to a point lying due East of a point described as lying 201 metres East and approximately 70 metres North of the southwest corner of Legal Subdivision 7 of Section 12, Township 24, Range 8, W6M;

thence due West to the described point, being also a point on the natural boundary of Shuswap Lake;

thence in a general northerly direction along the natural boundary of Shuswap Lake to the point of commencement.

The whole site containing approximately 12.5 hectares (6.5 hectares of upland and 6 hectares of foreshore).

Beach Bay Site

The described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 9 Tube 1885.

The whole site containing approximately 67 hectares (50 hectares of upland and 17 hectares of foreshore).

Bughouse Bay Site

The described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 10 Tube 1876.

The whole site containing approximately 34 hectares (13 hectares of upland and 21 hectares of foreshore).

Cottonwood Beach Site

Commencing at a point on the natural boundary of Seymour Arm of Shuswap Lake, on the easterly shore of Shuswap Lake, lying due North a distance of 260 metres and due West a distance of approximately 20 metres from the southwest corner of the Fractional northeast 1/4

of Section 35, Township 24, Range 8, W6M, as shown on Dominion Township Plan of northeast 1/4 of Township 24, dated at Ottawa, May 9, 1912;

thence due East to a line parallel to and 100 metres perpendicularly distant from the natural boundary of Seymour Arm of Shuswap Lake;

thence in a southwesterly direction along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying due South a distance of 380 metres and due West a distance of approximately 640 metres from the southwest corner of the northeast 1/4 of the Section 35;

thence southeast along a straight line a distance of 200 metres to a point on a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Seymour Arm of Shuswap Lake, on the easterly shore of Shuswap Lake;

thence in a general northeasterly direction along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Seymour Arm of Shuswap Lake to a point lying due West of the point of commencement;

thence due East to the point of commencement.

The whole site containing approximately 12 hectares (6 hectares of upland and 6 hectares of foreshore).

Encounter Point Site

Commencing at the Iron Post and Stone Mound set at the southwest corner of Fractional Section 14, Township 25, Range 8, W6M, as shown on Dominion Township Plan of southeast 1/4 of Township 25, Range 8, W6M, dated at Ottawa, May 9, 1912;

thence due West a distance of 100.6 metres;

thence due South a distance of 402.3 metres;

thence due West a distance of 100 metres;

thence due South a distance of 402.3 metres;

thence due East a distance of approximately 140 metres to the westerly shore natural boundary of Seymour Arm of Shuswap Lake, and continuing due East along the bed of Shuswap Lake to a point on a line drawn parallel to and 100 metres perpendicularly distant from the westerly shore natural boundary of Seymour Arm of Shuswap Lake;

thence northerly along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Seymour Arm of Shuswap Lake to a point lying due East of the Witness Post marking the northwest corner of the Fractional southwest 1/4 of Section 14;

thence due West crossing the westerly shore natural boundary of Shuswap Lake to the Witness Post;

thence southerly in a straight line to the Iron Post and Stone Mound set at the southwest corner of Fractional Section 14, being the point of commencement.

The whole site containing approximately 41 hectares (23 hectares of upland and 18 hectares of foreshore).

Fowler Point Site

Firstly: the Fractional west 1/2 of Section 18, Township 26, Range 7, W6M.

Secondly: commencing at the most southerly southeast corner of District Lot 2920, being a point on the westerly shore natural boundary of Shuswap Lake;

thence due East 100 metres;

thence in a general southerly direction parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying 100 metres perpendicularly distant from the point of intersection of the easterly boundary of District Lot 2912 with the natural boundary of Shuswap Lake;

thence northwesterly 100 metres to the point of intersection of the easterly boundary of District Lot 2912;

thence in a general northerly direction along the natural boundary of Shuswap Lake to the point of commencement.

The whole site containing approximately 21.4 hectares (8.9 hectares of upland and 12.5 hectares of foreshore).

Hermit Bay Site

The described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 37 Tube 1809.

The whole site containing approximately 78 hectares (57 hectares of upland and 21 hectares of foreshore).

Horseshoe Bay Site

The described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 9 Tube 1893.

The whole site containing approximately 9.83 hectares (4.25 hectares of upland and 5.58 hectares of foreshore).

Hungry Cove Site

Commencing at a point on the natural boundary of Anstey Arm of Shuswap Lake, on the easterly shore of Shuswap Lake, lying due South a distance of 460 metres and due West a distance of approximately 210 metres from the southeast corner of Block C, Section 22, Township 22, Range 8, W6M as shown on Official Plan 2T775 on file with the Surveyor General of British Columbia;

thence due West along the bed of Shuswap Lake to a point on a line parallel to and 100 metres perpendicularly distant from the natural boundary of Anstey Arm of Shuswap Lake;

thence southerly along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying due North a distance of 201.2 metres and due West a distance of approximately 563 metres from the southeast corner of Fractional Section 16, Township 22, Range 8, W6M as shown on Dominion Township Plan of the southwest 1/4, Township 22, Range 8, W6M, dated at Ottawa, October 21, 1919;

thence due East to a point on the natural boundary of Shuswap Lake and continuing due East to a point lying due North a distance of 201.2 metres, and due East a distance of approximately 201.2 metres from the southeast corner of Fractional Section 16;

thence due North a distance of 1.01 kilometres;

thence due West a distance of 201.2 metres;

thence due North a distance of 803.5 metres;

thence due East a distance of 100.6 metres;

thence due North to a point lying due East of the point of commencement;

thence due West to the point of commencement.

The whole site containing approximately 86.2 hectares (62.2 hectares of upland and 24 hectares of foreshore).

Mara Point Site

Firstly: that part of Fractional Legal Subdivision 14, Section 24, Township 21, Range 8, W6M lying east of Plan A-402, being the Canadian Pacific Railway right of way.

Secondly: commencing at the point of intersection of the north boundary of Fractional Legal Subdivision 14, Section 24, Township 21, Range 8, W6M and the westerly natural boundary of Mara Lake;

thence east 100 metres along the easterly production of the north boundary of Fractional Legal Subdivision 14, Section 24, Township 21, Range 8, W6M to the point of intersection with a line parallel to and 100 metres perpendicularly distant from the westerly natural boundary of Mara Lake;

thence in a general southerly direction along that line to a point being due East of the most southerly point of that part of Fractional Legal Subdivision 14, Section 24, Township 21, Range 8, W6M, lying east of Plan A-402, being the Canadian Pacific Railway right of way;

thence due West to the point of intersection with the westerly natural boundary of Mara Lake;

thence in a general northerly direction along the westerly natural boundary of Mara Lake to the point of commencement.

The whole site containing approximately 5.8 hectares (3.8 hectares of upland and 2 hectares of foreshore).

Marble Point Site

Firstly: commencing at the northwest corner of Block A, Section 22, Township 22, Range 8, W6M as shown on Official Plan 2T775 on file with the Surveyor General of British Columbia and being on the natural boundary of Salmon Arm of Shuswap Lake, on the easterly shore of Shuswap Lake;

thence due West to a point on a line drawn parallel to and 100 metres perpendicularly distance from the natural boundary of Salmon Arm of Shuswap Lake;

thence in a general northerly direction along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Salmon Arm of Shuswap Lake to a point lying 100 metres perpendicularly distant in a straight line from the northwest corner of District Lot 1851;

thence southeasterly in a straight line to the northwest corner of District Lot 1851, being a point on the easterly shore natural boundary of Shuswap Lake;

thence Easterly and southerly along the northerly and easterly boundaries of District Lots 1851 and 1850 to the most southeast corner of District Lot 1850;

thence in a straight line on a bearing of 153°01'15" to a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake;

thence in a general southwesterly direction along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying due East a distance of 402 metres and due North a distance of approximately 260 metres from the

northeast corner of Fractional east 1/2 of southwest 1/4, Section 34, Township 22, Range 8, W6M;

thence due South to a point lying due East of the northeast corner of Fractional east 1/2 of southwest 1/4, Section 34, Township 22, Range 8, W6M;

thence southwesterly in a straight line to the northeast corner of Fractional west 1/2 of northwest 1/4, Section 27, Township 22, Range 8, W6M;

thence southerly along the easterly boundary of the Fractional west 1/2 to the southeast corner of the Fractional west 1/2;

thence due South a distance of 201 metres;

thence due West to a point on a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Salmon Arm of Shuswap Lake, on the easterly shore of Shuswap Lake;

thence in a general southerly direction along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Salmon Arm of Shuswap Lake to a point lying due East of the northeast corner of Block A, Section 22, Township 22, Range 8, W6M;

thence due West to the northeast corner of Block A and continuing westerly along the northerly boundary of Block A to the northwest of Block A, being the point of commencement.

Secondly: commencing at the most southerly corner of District Lot 1852;

thence northerly along the westerly boundary of District Lot 1852 to the northwest corner of District Lot 1852, being a point on the natural boundary of Salmon Arm of Shuswap Lake, on the easterly shore of Shuswap Lake;

thence northeasterly in a straight line to a point on a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Salmon Arm of Shuswap Lake lying 100 metres perpendicularly distant from the northwest corner of District Lot 1852;

thence in a general northeasterly direction along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying 100 metres perpendicularly distant from the most northerly corner of District Lot 1853;

thence southeasterly in a straight line to the most northerly corner of District Lot 1853 and continuing southeasterly along the northeasterly boundary of District Lot 1853 to the most easterly corner of District Lot 1853;

thence southwesterly along the southeasterly boundaries of District Lots 1853 and 1852 to the most southerly corner of District Lot 1852, being the point of commencement.

Thirdly: commencing at the northeast corner of Block A of District Lot 6056;
thence westerly along the northerly boundary of District Lot 6056 to the northwest corner of District Lot 6056, being a point on the natural boundary of Salmon Arm of Shuswap Lake;
thence due West to a point on a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Salmon Arm of Shuswap Lake;
thence in a general northerly direction along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Salmon Arm of Shuswap Lake to a point lying 100 metres perpendicularly distant from the northwest corner of District Lot 6057;
thence easterly in a straight line to the northwest corner of District Lot 6057, being a point on the natural boundary of Salmon Arm of Shuswap Lake;
thence easterly and southerly along the northerly and easterly boundaries of District Lots 6057 and 6056 to the northeast corner of Block A of District Lot 6056, being the point of commencement.

The whole site containing approximately 174.9 hectares (111.7 hectares of upland and 63.2 hectares of foreshore).

Nielsen Beach Site

Commencing at a point on the natural boundary of Seymour Arm of Shuswap Lake, on the easterly shore of Shuswap Lake, lying due West a distance of approximately 362 metres from the iron post set at the northeast corner of Fractional Section 3, Township 24, Range 8, W6M as shown on Dominion Township Plan of the southeast 1/4 of Township 24, Range 8, W6M, dated at Ottawa, April 30, 1912;

thence due West along the bed of Shuswap Lake to a point on a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary;

thence southeasterly along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Seymour Arm of Shuswap Lake to a point lying due South a distance of 805 metres and due West a distance of approximately 120 metres from the northeast corner of Fractional Section 3, Township 24, Range 8, W6M;

thence due East to the easterly shore natural boundary of Shuswap Lake and continuing due East to a point lying due South of the iron post set in at the northeast corner of Fractional Section 3;

thence due North a distance of 503 metres;

thence due West to a point on a line drawn parallel to and 100 metres perpendicularly distant from the easterly shore natural boundary of Shuswap Lake;

thence northwesterly along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying due East from the point of commencement;

thence due West to the point of commencement, being a point on the easterly shore natural boundary of Shuswap Lake.

The whole site containing approximately 17.6 hectares (9.1 hectares of upland and 8.5 hectares of foreshore).

Paradise Point Site

Firstly: Legal Subdivisions 15 and 16 and Fractional Legal Subdivision 9 of Section 22, Township 21, Range 9, W6M and the Fractional northwest 1/4 of Section 23, Township 21, Range 9, W6M.

Secondly: commencing at the point of intersection of the northerly boundary of Section 23, Township 21, Range 9, W6M with the westerly shore natural boundary of Shuswap Lake;

thence southeasterly 100 metres perpendicular to the natural boundary of Shuswap Lake;

thence in a general southwesterly direction parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying 100 metres from the natural boundary of Shuswap Lake to a point lying 100 metres perpendicularly distant from the point of intersection of the natural boundary of Shuswap Lake with the westerly boundary of Legal Subdivision 9 of Section 22, Township 21, Range 9, W6M;

thence northwesterly 100 metres to that point of intersection;

thence in a general northeasterly direction along the natural boundary of Shuswap Lake to the point of commencement.

The whole site containing approximately 65.5 hectares (53 hectares of upland and 12.5 hectares of foreshore).

Roberts Bay Site

Firstly: Lot 1, Section 8, Township 24, Range 7, W6M, Plan KAP64470.

Secondly: commencing at the point of intersection of the north boundary of Lot 1 of Fractional Section 8, Township 24, Range 7, W6M, Plan KAP64470 and the easterly natural boundary of Shuswap Lake;

thence westerly 100 metres along the westerly production of the north boundary of Lot 1 to the point of intersection with a line parallel to and 100 metres perpendicularly distant from the easterly natural boundary of Shuswap Lake;

thence in a general southerly direction along that line to a point lying due West of the most southerly point of Lot 1, Section 8, Township 24, Range 7, W6M, Plan KAP64470;

thence due East to the point of intersection with the easterly natural boundary of Shuswap Lake;

thence in a general northerly direction along the easterly natural boundary of Shuswap Lake to the point of commencement.

The whole site containing approximately 26 hectares (21 hectares of upland and 5 hectares of foreshore).

[Shuswap Lake East Site. Description repealed 2005-35-31.]

St. Ives Site

Commencing at the northeast corner of Fractional Legal Subdivision 13 of Section 20, Township 23, Range 8, W6M and being on the westerly shore natural boundary of Shuswap Lake;

thence westerly along the northerly boundary of Fractional Legal Subdivision 13 to the northwest corner of Fractional Legal Subdivision 13;

thence due North 100 metres;

thence due East 200 metres;

thence due North 100 metres;

thence due East to the westerly shore natural boundary of Shuswap Lake and continuing easterly in a straight line along the bed of Shuswap Lake to a point parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake;

thence in a general southerly direction along a line parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to the point lying due East of the point of commencement;

thence due West to the point of commencement;

except the Ministry of Forests and Range Forest Service Road shown on Plan 7 Tube 2001 deposited in the Crown Land Registry.

The whole site containing approximately 4.7 hectares (2.7 hectares of upland and 2 hectares of foreshore).

Swall Site

The described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 7 Tube 1893.

The whole site containing approximately 7 hectares (4 hectares of upland and 3 hectares of foreshore).

Tiilis Beach Site

Commencing at the northwest corner of the Fractional southwest 1/4 of Section 32, Township 22, Range 8, W6M;

thence southerly along the westerly boundary of the Fractional southwest 1/4 of Section 32 to an iron post as shown on Dominion Township Plan of the northwest 1/4 of Township 22, Range 8, W6M, dated at Ottawa, June 21, 1922, being 404.8 metres from the northeast corner;

thence in a straight line on a bearing of 89°56' to the westerly shore natural boundary of Shuswap Lake and continuing along the bed of Shuswap Lake to a point parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake;

thence along a line parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to the intersection with the easterly prolongation of the northerly boundary of the Fractional southwest 1/4 of Section 32;

thence westerly along the easterly prolongation of the northerly boundary of Section 32 to the northwest corner of Section 32, being a point on the natural boundary of Shuswap Lake and continuing westerly along the northerly boundary of the Fractional southwest 1/4 of Section 32 to the northwest corner of Section 32, being the point of commencement.

The whole site containing approximately 27 hectares (23 hectares of upland and 4 hectares of foreshore).

Twin Bays Site

Firstly: Fractional Legal Subdivision 1 of Section 19, and Fractional Legal Subdivision 4 of Section 20, Township 24, Range 7, W6M.

Secondly: commencing at the point of intersection of the northerly boundary of Legal Subdivision 4 of Section 20, Township 24, Range 7, W6M to the westerly shore natural boundary of Shuswap Lake;

thence in a southeasterly direction 100 metres perpendicular to the natural boundary of Shuswap Lake;

thence in a general southwesterly direction parallel to and distant 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying due East of the most southerly southeast corner of Legal Subdivision 1 of Section 19, Township 24, Range 7, W6M;

thence due West to the most southerly southeast corner of Legal Subdivision 1, being also a point on the natural boundary of Shuswap Lake;

thence in a general northeasterly direction along the natural boundary of Shuswap Lake to the point of commencement.

The whole site containing approximately 15.3 hectares (7.3 hectares of upland and 8 hectares of foreshore).

Two Mile Creek Site

Firstly: Fractional Legal Subdivision 4 and that portion of Legal Subdivision 5 lying South of Two Mile Creek, Section 35, Township 25, Range 8, W6M.

Secondly: commencing at the point of intersection of the right bank of Two Mile Creek with the westerly shore natural boundary of Shuswap Lake;

thence southeasterly 100 metres perpendicular to the natural boundary of Shuswap Lake;

thence in a general southerly direction parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying due East of the intersection of the southerly boundary of Section 35, Township 25, Range 8, W6M with the natural boundary of Shuswap Lake;

thence due East 100 metres to that point;

thence northerly along the natural boundary of Shuswap Lake to the point of commencement.

The whole site containing approximately 17.1 hectares (8.1 hectares of upland and 9 hectares of foreshore).

Woods Landing Site

Commencing at a point on the westerly shore natural boundary of Shuswap Lake lying due South 280 metres and due West approximately 25 metres from the southwest corner of District Lot 5826;

thence due West 105 metres to a point lying due East approximately 15 metres from the centerline of the Woods Landing access road;

thence due North 840 metres;

thence due East to the natural boundary of Shuswap Lake and continuing in a straight line along the bed of Shuswap Lake to a point parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake;

thence in a general southerly direction along a line parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake to a point lying due East of the point of commencement;

thence due West to the point of commencement.

The whole site containing approximately 17 hectares (9 hectares of upland and 8 hectares of foreshore).

Woods Landing South Site

Commencing at a point lying due South 895 metres and due West approximately 1 320 metres from the southwest corner of the southeast 1/4 of Section 22, Township 24, Range 8, W6M, being a point on the westerly shore natural boundary of Shuswap Lake;

thence due West 120 metres;

thence due South 500 metres;

thence due East to the natural boundary of Shuswap Lake and continuing in a straight line along the bed of Shuswap Lake to a point on a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Shuswap Lake;

thence in a general northerly direction along a line parallel to and 100 metres perpendicularly distant to the natural boundary of Shuswap Lake to a point lying due East of the point of commencement;

thence due West to the point of commencement.

The whole site containing approximately 10.5 hectares (5.5 hectares of upland and 5 hectares of foreshore).

The whole park containing approximately 894.33 hectares (600.05 hectares of upland and 294.28 hectares of foreshore).

SHUSWAP LAKE PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Kamloops Division, Yale District and contained within the described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 6 Tube 1978.

The whole park containing approximately 154 hectares (120 hectares of upland and 34 hectares of foreshore).

SILVER BEACH PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Kamloops Division, Yale District and contained within the following described boundaries:

Firstly: commencing at the northwest corner of Block E of District Lot 612, as shown on Plan 11425;

thence southwesterly along the westerly boundary of Block E of District Lot 612, Plan 11425 and the southwesterly prolongation of the westerly boundary of Block E of District Lot 612, Plan 11425, produced to the intersection with a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Seymour Arm of Shuswap Lake, on the northerly shore of Shuswap Lake;

thence southeasterly, northerly and southeasterly along a line drawn parallel to and 100 metres perpendicularly distant from the natural boundary of Seymour Arm of Shuswap Lake to the intersection with a straight line drawn southwesterly on a bearing of 194° from the southeast corner of Lot 6 of District Lot 663, Plan 5824;

thence northeasterly in a straight line on a bearing of 14° to the southeast corner of Lot 6 of District Lot 663, Plan 5824;

thence northerly along the most easterly boundary of Lot 6, Plan 5824, to a point lying 237 metres southerly from the most easterly northeast corner of Lot 6, Plan 5824, along the most easterly boundary of Lot 6;

thence northwesterly in a straight line on a bearing of 287° a distance of 83.8 metres;

thence due North a distance of 91.4 metres;

thence due East to the most easterly boundary of Lot 6 of District Lot 663, Plan 5824;

thence northerly along the most easterly boundary of Lot 6, Plan 5824, to the most easterly northeast corner of Lot 6;

thence westerly and northerly along the northerly and easterly boundaries of Lot 6, Plan 5824, and continuing northerly along the northerly prolongation of the easterly boundary of Lot 6, Plan 5824, produced to the right bank natural boundary of Seymour River;

thence in a general northeasterly direction along the right bank natural boundary of Seymour River to the northerly boundary of District Lot 663;

thence westerly along the northerly boundary of District Lot 663 to a point lying due North of the northeast corner of Lot 3 of Block 2 of District Lot 663, Plan 562;

thence due South to the northeast corner of Lot 3 of Block 2, Plan 562;

thence southerly along the easterly boundary of Lot 3 of Block 2, Plan 652 to the most northerly southeast corner of Lot 3, being a point on the right bank natural boundary of Seymour River;

thence southwesterly along the right bank natural boundary of Seymour River, to the most southerly southeast corner of Lot 3 of Block 2, Plan 562, being a point;

thence westerly along the southerly boundaries of Lot 3 of Block 2, Plan 562 and Lot A of District Lot 663, Plan KAP 48203 to the southwest corner of Lot A, Plan KAP 48203;

thence northerly along the westerly boundary of Lot A, Plan KAP 48203 and the northerly production of Lot A, produced to the northerly boundary of District Lot 663;

thence westerly and southerly along the northerly and westerly boundaries of District Lot 663 to the northeast corner of Block E of District Lot 612, Plan 11425, being a point on the westerly boundary of District Lot 663;

thence in a straight line on a bearing of 220° a distance of 3.1 kilometres;

thence due South to the intersection with the height of land between the 2 unnamed forks of the most southerly tributary of Yohetta Creek and continuing southerly along the height of land to the summit of RCAF Peak;

thence in a straight line on a bearing of 126° a distance of 4.0 kilometres;

thence in a straight line on a bearing of 165° to the intersection with the height of land between 2 unnamed creeks flowing into Tchaikazan River from the icefields west and east of Beehive Peak;

thence southerly along the height of land to the summit of Beehive Peak;

thence southeasterly along the height of land to the intersection with the unnamed peak south of the icefield southeast of Beehive Peak;

thence in a straight line on a bearing of 67°, a distance of 600 metres;

thence in a straight line on a bearing of 104° to the intersection with the middle line of Falls River;

thence southeasterly in a straight line to the summit of Mount McLeod;

thence in a straight line on a bearing of 104° to the confluence of the middle lines of the northerly and southerly tributaries of an unnamed creek flowing easterly into Lord River;

thence southeasterly along the middle line to a point lying due South a distance of 600 metres and due East a distance of approximately 4.4 kilometres from the summit of Mount McLeod;

thence in a straight line on a bearing of 127° to the intersection with the 5 500 foot (1 676 metre) contour;

thence southerly and easterly along that contour to a point lying parallel to and 200 metres perpendicularly distant from the middle line of an unnamed creek and most westerly tributary flowing northwesterly into Lord River;

thence southeasterly along a line drawn parallel to and 200 metres perpendicularly distant from that middle line of an unnamed creek and most westerly tributary to the most southeasterly limit of an unnamed creek, and continuing southeasterly to the summit of an unnamed mountain lying due East a distance of 9.7 kilometres and due North approximately 4.5 kilometres from the summit of Mount Perry;

thence southwesterly and westerly along the southeasterly and southerly watershed boundaries of Lord River and passing through the summits of Mount Perry, Mount Wheatley, Mount Tait, Mount Dodds, Mount Henderson, Mount Mills, Mount Porter to the summit of Mount Fulgora;

thence northerly and northwesterly along the southerly and southwesterly watershed boundaries of Chilko Lake passing through the summit of Mount Sawt and crossing Npigwq, Ramose and Norrington Glaciers to the summit of an unnamed mountain west of Norrington Glacier and north of Durham Glacier;

thence in a straight line on a bearing of 3° a distance of 4.7 kilometres;

thence northwesterly in a straight line to the summit of the Joker;

thence southwesterly along the height of land through the summits of Coronel and Wednesday Mountains to the summit of Scharnhorst Mountain;

thence in a straight line on a bearing of 277° a distance of 1.1 kilometres;

thence in a straight line on a bearing of 339° a distance of 1.0 kilometre;

thence in a straight line on a bearing of 15° to the intersection with the height of land between Goddard Glacier and Otranto Glacier;

thence northeasterly along the height of land to the summit of Mount Marston;

thence northeasterly along the height of land between Boulanger Creek and Farrow Creek to the summit of an unnamed mountain located approximately 1.5 kilometres south of Good Hope Mountain;

thence westerly and northerly along the southerly and westerly watershed boundaries of Franklyn Arm of Chilko Lake and passing through the summits of Mount Durham and Majestic, Regal and Consort Peaks, continuing northerly to the summit of an unnamed mountain lying due West a distance of one kilometre and due North a distance of approximately 750 metres from the summit of Mount Dartmouth;

thence northerly along the westerly watershed boundary of Chilko Lake and passing through the summits of Mounts Derick, McKinney, Macphail and Whitton and continuing to a point lying due West a distance of 12.1 kilometres and due South a distance of approximately 900 metres from the southwest corner of "Chilco Lake" Indian Reserve No. 1, Range 2, Coast District;

thence in a straight line on a bearing of 11° a distance of approximately 6.9 kilometres crossing Stikelan Pass to the summit of an unnamed mountain lying due North a distance of 3.8 kilometres and due West a distance of approximately 9.25 kilometres from the northwest corner of District Lot 1416, Range 2, Coast District, being "Chilco Lake" Indian Reserve 1A;

thence northerly along the westerly watershed boundary of Chilko Lake, crossing Cheshi Pass and passing through the summit of Tullin Mountain to a point lying due South a distance of 300 metres and due West a distance of approximately 2.4 kilometres from the southwest corner of District Lot 599, Range 2, Coast District;

thence in a straight line on a bearing of 56° to the intersection with the 4 500 foot (1 372 metre) contour;

thence due East a distance of 500 metres;

thence due South a distance of approximately 1.5 kilometres to the right bank natural boundary of Chilko River;

thence in a straight line to the most northerly point of an unnamed peninsula situated at the most northerly point of Chilko Lake lying on the natural boundary of Chilko Lake;

thence southeasterly along the northerly shore natural boundary of Chilko Lake, on the unnamed peninsula, to the most easterly point of the unnamed peninsula;

thence due East to the intersection with the 4 000 foot (1 219 metre) contour;

thence northeasterly along that contour to the intersection with the middle line of the most easterly tributary of an unnamed creek flowing northwesterly into Chilko River;

thence southeasterly in a straight line to the 5040' Horizontal Control Point as shown on NTS Map 92 N/9, Edition 2, being a point on the easterly watershed boundary of Chilko Lake;

thence southwesterly along the watershed boundary of Chilko Lake to a point lying due North a distance of 300 metres and due West a distance of approximately 400 metres from the northwest corner of District Lot 1660, Range 2, Coast District;

thence southeasterly in a straight line to the most southerly southwest corner of District Lot 1660;

thence in a straight line on a bearing of 145° a distance of approximately 2.7 kilometres to a point on the easterly watershed boundary of Chilko Lake;

thence southerly and southeasterly along the easterly watershed boundary of Chilko Lake to a point lying due North a distance of 300 metres and due West a distance of approximately 1.9 kilometres from the summit of Mount Nemaia;

thence in a straight line on a bearing of 210° a distance of approximately 1.3 kilometres to the intersection with the confluence of the middle lines of an unnamed creek and the most easterly tributary of the unnamed creek flowing southwesterly into Chilko Lake;

thence southwesterly along the middle line of unnamed creek to the intersection with the northerly boundary of District Lot 1416, being "Chilco Lake" Indian Reserve No. 1A;

thence westerly along the northerly boundary of District Lot 1416 to the northwest corner of District Lot 1416 and being a point on the easterly shore natural boundary of Chilko Lake;

thence southeasterly along the westerly boundary of District Lot 1416, being "Chilco Lake" Indian Reserve No. 1A and continuing southeasterly along the westerly boundary of "Chilco Lake" Indian Reserve No. 1A to the southwest corner of "Chilco Lake" Indian Reserve No. 1A, being the point of commencement;

except District Lot 1811, Range 2, Coast District.

The whole park containing approximately 233 240 hectares.

TSÚTSWECW PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Kamloops Division, Yale District and contained within the following described boundaries:

Firstly: commencing at the intersection of the northerly boundary of the "Quaaout" Indian Reserve No. 1 and the easterly boundary of the west 1/2 of the northwest 1/4 of the southeast 1/4 of Section 28, Township 22, Range 12, W6M;

thence northerly along that easterly boundary to the northerly boundary of the southeast 1/4 of Section 28;

thence due West 402.34 metres;

thence due North approximately 804.67 metres to the southerly boundary of the southwest 1/4 of Section 33;

thence westerly along the southerly boundary of the southwest 1/4 of Section 33 to a point lying due South of the southeast corner of Block A of Section 33;

thence due North to the southeast corner of Block A of Section 33;

thence northerly and westerly along the easterly and northerly boundaries of Block A to the northwest corner of Block A;

thence due West to the easterly boundary of Legal Subdivision 2 of Section 32;

thence northerly along the easterly boundary of Legal Subdivision 2 of Section 32;

thence northerly along the easterly boundary of Legal Subdivision 2, and continuing northerly along the easterly boundary of Legal Subdivision 7 to the southerly boundary of Block B of Section 32;

thence easterly along the southerly boundary of Block B to the southeast corner of Block B;

thence in a general northwesterly direction along the northeasterly boundary of Block B to the most northerly corner of Block B, being a point on the easterly boundary of Block A of Section 32;

thence northerly and westerly along the easterly and northerly boundaries of Block A to the northwest corner of Block A;

thence due West to the easterly boundary of Legal Subdivision 11 of Section 32;

thence northerly along the easterly boundary of Legal Subdivision 11 to the northeast corner of the south 1/2 of Legal Subdivision 11;

thence easterly along the northerly boundary of Fractional Section 24 to the westerly shore natural boundary of Shuswap Lake;

thence in a general southerly direction along the natural boundary of Shuswap Lake to the westerly boundary of Fractional Section 24;

thence southerly in a straight line to the most easterly point of "Quaaout" Indian Reserve No. 1;

thence in a general westerly direction along the northerly boundary of the "Quaaout" Indian Reserve No. 1 to the intersection of the easterly boundary of the west 1/2 of the northwest 1/4 of the southeast 1/4 of Section 28, Township 22, Range 12, W6M, being the point of commencement;

except (1) Holding Road, No. 451; (2) Squilax-Anglemont Road, No. 446; (3) the road shown on Plan KAP42083 or on the Official Plan deposited in the Crown Land Registry as Plan 30 Tube 1465; (4) the road shown on Plan EPC #56 on file in the Crown Land Registry; and (5) the land shown on Plans KAP83136, KAP83135 and KAP48895.

Secondly: the described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 11 Tube 1778, containing approximately 88 hectares.

The whole park containing approximately 1 073 hectares.

TUDYAH LAKE PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Cariboo District and contained within the following described boundaries:

Commencing at the most southerly corner of Block A of District Lot 11627, being a point on the westerly boundary of John Hart Highway, as shown on Plan H-213, on deposit in the Land Title Office in Prince George;

thence in a southerly direction along the westerly boundary of John Hart Highway, Plan H-213 and continuing in a southerly direction along the westerly boundary of John Hart Peace River Highway, Plan 28193, to a point lying 392 metres due South and approximately 100 metres due East of the southwest corner of District Lot 11627;

thence due West to the right bank natural boundary of Pack River;

thence in a general northerly direction along the right bank natural boundary of Pack River to, and in a general southerly, westerly, southerly, easterly and northerly direction along the natural boundary of a back channel of Pack River, to the southerly shore natural boundary of Tudyah Lake;

thence in a general southeasterly direction along the southerly shore natural boundary of Tudyah Lake to the most easterly northeast corner of District Lot 11609, being a point;

thence southerly along the easterly boundary of District Lot 11609 to the westerly boundary of John Hart Peace River Highway, Plan 28193;

thence in a southwesterly direction along the westerly boundary of John Hart Peace River Highway, Plan 28193 and continuing in a southwesterly direction along the westerly boundary of John Hart Highway, Plan H-213 to the most easterly corner of Block A of District Lot 11627, being a point on the westerly boundary of John Hart Highway;

thence northwesterly, southwesterly and southeasterly along the northeasterly, northwesterly and southwesterly boundaries of Block A of District Lot 11627, to the most southerly corner of District Lot 11627, being the point of commencement.

The whole park containing approximately 56 hectares.

TUYA MOUNTAINS PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Cassiar District and contained within the described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 6 Tube 1868.

The whole park containing approximately 18 001 hectares.

TWEEDSMUIR PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Range 2, Coast District, Range 3, Coast District and Range 4, Coast District and within UTM Zone 9 and contained within the following described boundaries:

Firstly: commencing at the northwest corner of District Lot 1432, Range 4, Coast District;

thence southerly along the westerly boundaries of District Lots 1432 and 1431 to the southwest corner of District Lot 1431, being a point on the northerly shore natural boundary of Tetachuck Lake;

thence southerly in a straight line to the southwest corner of District Lot 1433, being a point on the southerly shore natural boundary of Tetachuck Lake;

thence easterly and northerly along the southerly and easterly boundaries of District Lot 1433 to the southwest corner of District Lot 1434;

thence easterly and northerly along the southerly and easterly boundaries of District Lot 1434 to the southwest corner of District Lot 1435;

thence easterly along the southerly boundary of District Lot 1435 to the westerly boundary of District Lot 1437;

thence southerly along the westerly boundaries of District Lots 1437 and 1438 to the southwest corner of District Lot 1438;

thence southerly to UTM North 5899473 metres East 699563 metres;

thence to UTM North 5838166 metres East 727309 metres;

thence to UTM North 5829407 metres East 721755 metres;

thence southerly to the summit of Hotnarko Mountain, being a point on the northerly boundary of the watershed of Precipice Creek at approximately UTM North 5819480 metres East 722205 metres;

thence westerly along the northerly boundary of the watershed of Precipice Creek to the westerly boundary of the watershed of Precipice Creek;

thence in a general southerly direction along the westerly boundary of the watershed of Precipice Creek and continuing in a general southerly direction along the westerly boundary of the watershed of an unnamed creek produced to the intersection of the middle line of Hotnarko River with the middle line of Telegraph Creek, with an unnamed creek being tributary to, and flowing southerly into Hotnarko River, at a point approximately 250 metres to the northeast of the confluence of Telegraph Creek and Hotnarko River;

thence southerly in a straight line to the intersection of the left bank natural boundary of Hotnarko River with the northerly prolongation of the westerly boundary of the watershed of Telegraph Creek;

thence southerly to and continuing in a general southerly direction along the westerly boundary of the watershed of Telegraph Creek to the northerly boundary of the watershed of Atnarko River;

thence westerly along the northerly boundary of the watershed of Atnarko River to the summit of Trumpeter Mountain, being a point, at approximately UTM North 5794181 metres East 728947 metres;

thence southerly in a straight line to the summit of Mount Ada, being a point on the easterly boundary of the watershed of Rainbow Lake, at approximately UTM North 5780678 metres East 729419 metres;

thence in a general southerly direction along the easterly boundary of the watersheds of Rainbow Lake, Elbow Lake and South Atnarko River, to the westerly boundary of the watershed of Jobin Creek;

thence southerly along the westerly boundary of the watershed of Jobin Creek to UTM North 5754566 metres;

thence westerly to UTM North 5752541 metres East 313368 metres;

thence westerly to the northeast corner of District Lot 165 and continuing westerly along the northerly boundary of District Lot 165;

thence westerly in a straight line to the summit of Monarch Mountain;

thence westerly to UTM North 5754306 metres East 711262 metres;

thence north to the left bank natural boundary of the Talchako River at UTM North 5770916 metres;

thence in a general northwesterly direction along the left bank natural boundaries of Talchako and Bella Coola Rivers to a point lying due South of the intersection of the right bank natural boundary of Burnt Bridge Creek with the right bank natural boundary of Bella Coola River;

thence due North to the intersection of the right bank natural boundary of Burnt Bridge Creek;

thence in a northerly along the right bank natural boundary of Burnt Bridge Creek to its intersection with the right bank natural boundary of an unnamed creek flowing southeasterly into Burnt Bridge Creek at approximately UTM North 5817097 metres;

thence in a westerly and northerly direction along the right bank natural boundary of the unnamed creek to the southerly shore natural boundary of the largest of the unnamed lakes, at the headwaters of the unnamed creek;

thence westerly and northerly along the southerly and westerly natural boundaries of the unnamed lake, to the lake's most northerly point, at approximately UTM North 5823926 metres UTM East 693085 metres;

thence due North to the summit of the "Cascade Mountains" as defined in the *Interpretation Act*;

thence in a general northwesterly direction along the summit of the "Cascade Mountains" to UTM North 5847024 metres shown on Plan 5 Tube 1897 deposited in the Crown Land Registry;

thence to UTM East 679355 metres on the left bank natural boundary of the Dean River;

thence to UTM East 679355 metres on the southerly boundary of the watershed of the streams flowing into Sigutlat Lake, being the summit of the "Cascade Mountains";

thence in a general northwesterly direction along the summit of the "Cascade Mountains" to UTM North 5909029 metres shown on the Official Plan deposited in the Crown Land Registry as Plan 5 Tube 1863;

thence northeasterly in a straight line on a bearing of approximately 60° to triangulation station identified as 6217° on National Topographic System (N.T.S.) Map 93E/6, Edition 2;

thence northeasterly in a straight line to triangulation station 6317° as shown on N.T.S. Map 93E/6, Edition 2;

thence northeasterly in a straight line to the intersection of the right bank natural boundary of Chikamin Creek with the southerly shore natural boundary of Whitesail Lake;

thence in a general easterly direction along the southerly shore natural boundaries of Whitesail Lake, Whitesail Reach and Ootsa Lake to a point on the natural boundary of Ootsa Lake, at UTM East 692228 metres;

thence southerly to the northwest corner of District Lot 1432, being the point of commencement;

except those parts of Chilcotin-Bella Coola Highway, Number 20, as shown outlined in red on Ministry of Transportation and Highways' Drawings 47-A20-119, Sheets 1 to 17.

Secondly: all those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Range 4, Coast District and contained within the described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 5 Tube 1863; except Mineral Claim "XK1412" 241413.

Thirdly: the Crown land situated in Range 3, Coast District described as the northwest 1/4 of Section 9, Township 9 and Lot A, Section 33, Township 9, Plan VIP62618, on file with the Victoria Land Title Office;

except those parts of Highway Number 20 as shown outlined in red on Ministry of Transportation and Highways' Drawings 47-A20-119 sheets 12 to 17.

Fourthly: the most westerly 402.336 metres (20 chains) of District Lot 770, Range 3, Coast District; except that part in Plan VIP54691.

The whole park containing approximately 989 714 hectares.

TYHEE LAKE PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Townships 4 and 5, Range 5 Coast District and contained within the following described boundaries:

Firstly: Block "A" of the Fractional northeast 1/4 of Section 35.

The Fractional northeast 1/4 of Section 35, except the southwest 1/4 of the Fractional northeast corner of Section 35 and the south 1/2 of the northwest 1/4 of Block "A".

Secondly: commencing at the intersection of the south boundary of the Fractional northeast 1/4 of Section 35, and the natural boundary of Tyhee Lake;

thence due East a distance of 61 metres;

thence northerly along a line parallel and 61 metres perpendicularly distant from the natural boundary of Tyhee Lake to a point lying due East of the intersection of the north boundary of the northeast 1/4, Section 35 and the natural boundary of Tyhee Lake;

thence due West to the natural boundary of Tyhee Lake;

thence southerly along the natural boundary of Tyhee Lake to the point of commencement.

Thirdly: Lot 6, Section 2, Township 4, Range 5 Coast District, Plan 10278; except that part subdivided by Plan EPP242.

The whole park containing approximately 39 hectares.

UNION PASSAGE MARINE PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Range 4, Coast District and contained within the described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 15 Tube 1975.

The whole park containing approximately 1 444 hectares (1 014 hectares of upland and 430 hectares of foreshore).

UPPER ADAMS RIVER PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in the Kamloops Division, Yale District and contained within the described boundaries as shown on the Official Plan deposited in the Crown Land Registry as Plan 1 Tube 1987; except (1) a 30 metre right of way centred on Ministry of Forests and Range road Adams West, FSR 7458-01; (2) a 30 metre right of way centred on Ministry of Forests and Range road Adams East, FSR 7458-12; (3) a 30 metre right of way centred on Ministry of Forests and Range road Finn Tum, FSR 0565-03; (4) a 30 metre right of way centred on Ministry of Forests and Range road Tumtum Harbour, FSR 5072-07; and (5) a 30 metre right of way centred on Ministry of Forests and Range road Oliver Creek, FSR 5072-10.

The whole park containing approximately 5 868 hectares.

UPPER LILLOOET PARK

All those parcels or tracts of Crown land, together with all that foreshore or land covered by water, situated in Lillooet District and contained within the following described boundaries:

Commencing at Iron Post 21, being a line post on the westerly boundary of District Lot 2340 as shown on Plan 4 Tube 1087 on file with the Surveyor General of British Columbia;

thence on a bearing of 87° crossing Lillooet River a distance of 1.70 kilometres;

thence on a bearing of 359° a distance of 3.90 kilometres;

thence on a bearing of 307° a distance of 970 metres;

thence westerly on an approximate bearing of 275° a distance of approximately 4.86 kilometres to the summit of an unnamed mountain separating unnamed creeks flowing southerly into Lillooet River;

thence on a bearing of 297° a distance of 3.10 kilometres;

thence on a bearing of 274° a distance of 3.50 kilometres;

thence on a bearing of 233° a distance of 3.10 kilometres;

thence on a bearing of 193° a distance of 2.75 kilometres;

thence on a bearing of 149° a distance of approximately 1.76 kilometres to the height of land separating 2 unnamed creeks flowing northeasterly into Lillooet River;

thence due South a distance of approximately 8.78 kilometres to a point lying 600 metres due South and approximately 4.0 kilometres due East of the summit of Dolphin Peak;

thence on a bearing of 119° a distance of approximately 5.3 kilometres to the right bank natural boundary of an unnamed creek flowing southeasterly into Meager Creek and located East of Manatee Glacier;

thence southeasterly along the right bank natural boundary of the unnamed creek to a point lying 240 metres due South and approximately 740 metres due West of the intersection between the right bank natural boundary of the unnamed creek and the left bank natural boundary of Meager Creek;

thence on a bearing of 13°, a distance of 3.48 kilometres;

thence on an approximate bearing of 351° a distance of approximately 3.72 kilometres to the summit of an unnamed mountain on the northerly boundary of the watershed of Meager Creek and situated west of Mount Job;
