

Regulatory Administrative Decree No. 113 of 25 September 1997

The Chairman of the Brazilian Institute for the Environment and Renewable Natural Resources (IBAMA), by virtue of the authority vested therein by art. 24 of Decree 78 of 5 April 1991 and art. 83, Section XIV of the Internal Regulation approved by MINTER Administrative Decree No. 445 of 16 August 1989, and in consideration of the provisions contained in art. 14 of Law No. 4.771 of 15 September 1965, art. 16 of Law No. 5.197 of 3 January 1967, Decree-Law No. 221 of 28 April 1967, Law No. 6.938 of 31 August 1981, as amended by Law No. 7.804 of 18 July 1989, Law No. 7.679 of 23 November 1988, and the provisions contained in IBAMA/Head Office case No. 02001.002949/93, hereby resolves as follows:

Art. 1. Registration on the Federal Technical Registry of Potentially Polluting Activities or Those Which Use Environmental Resources shall be mandatory for individuals or legal entities involved in potentially polluting activities and/or the extraction, production, transport and commercialization of products potentially hazardous to the environment, as well as minerals, products and byproducts of the fauna, flora and fish.

Sole paragraph. The following shall be exempted from the registration requirement:

I -- Individuals engaged in crafts involving semi-precious stones, as well as the manufacture and repair of furniture, wood products, articles relating to mattresses, upholstery, baskets or other objects requiring straw, cipo, bamboo and similar products, such as carpenters, cabinet-makers, craftsmen, producers of ornamental, aromatic or medicinal plants, and consumers of firewood for commercial use;

II -- Retail trade in fish;

III -- Amateur fishermen, who must obtain a license or authorization to fish, by completing the appropriate form, duly certified by the authorized banking network;

IV -- Retail trade in food items classified as micro-enterprises using plant charcoal as one of its merchandise, such as butcher shops, bakeries that do not consume firewood, grocery stores, fruit stands and other similar businesses.

Art. 2. For purposes of registration, legal entities shall be classified as "company" and "micro-company," which shall have separate registration values.

Sole paragraph. The capacity of "company" or "micro-company" must be proven by means of a copy of the document issued by the Federal Revenue Secretariat.

Art. 4. For purposes of registration on the IBAMA, individuals or legal entities must submit to the IBAMA Superintendency the "Federal Technical Registry of Potentially Polluting Activities or Those Which Use Environmental Resources" form and its annexes, as the case may be, duly completed, and such other documents as may be necessary, pursuant to the requirements for each category, in accordance with the list of documents set forth in Annex I of this Administrative Decree.

Paragraph 1. The validity of the registry to which this Administrative Decree refers will be conditional upon a technical analysis of the specific area of IBAMA, based on the laws regulating the activity, which may result in a request for other documents in addition to those provided for in this Administrative Decree.

Paragraph 2. For the categories "Breeder of Types of Wild and Exotic Brazilian Fauna for Commercial Purposes" and "Breeder of Types of Wild Brazilian Fauna for Conservationist Purposes," the Revenue Collection Document (DR) will be requested only upon submission of the Complementary Plan.

Paragraph 3. Applicants under the category "Fishing Boat" must be duly licensed as well as registered by IBAMA in order to engage in activities.

Paragraph 4. When the categories "Extractor," "Producer," "Transporter," "Fish Farmer" and "Charter Fishing" apply to an individual, the documents to be submitted in accordance with the heading of this article shall be those specified in letters A, B, G, J, L and M of Annex I.

Art. 5. No registration shall be granted to a legal entity whose management is participating or has participated in the management of companies or corporations engaging in irregularities not yet corrected through the IBAMA.

Sole paragraph. The provision contained in the main body of this article shall also apply to individuals.

Art. 6. The IBAMA registration number shall differ between parent company and subsidiary, and may be linked to as many categories as necessary.

Art. 7. The registration shall be valid upon issuance by IBAMA of the "Registration Certificate" on its own form, consisting of a document demonstrating approval of the entity's registration with that Institute, which must be submitted to the IBAMA inspectors or accredited Agencies whensoever requested.

Art. 8. In order for the Individuals or Legal Entities to which art. 3 refers to continue holding the rights corresponding to their registration, they must renew them by 28 February of each year, by paying the sum corresponding to the value of the registration in accordance with the registered categories, regardless of prior notification to IBAMA.

Paragraph 1. Excluded from the provisions contained in the main body of this article are registrations granted to the categories "Wood Preserving Industry," "Wood Preserving Factory" and "Professional Fishermen," which shall be valid for 5 (five) years, and must necessarily be renewed for an identical period, in accordance with the date the initial registration was granted.

Paragraph 2. Registrations granted to the category "Mechanical Saw Owner" shall be exempted from the renewal requirement.

Paragraph 3. IBAMA registrations under the categories "Manager" and "Specialist" must necessarily be maintained at least until expiration of the corresponding logging/reforestation projects, pursuant to the provisions contained in the Silent Partnership Agreement or its equivalent.

Art. 9. The lump-sum amount to be collected for the registration or renewal shall be set in current Brazilian currency, in accordance with the values established in the IBAMA price table.

Sole paragraph. For the case of a new registration, the corresponding amount shall be charged in proportion to the number of calendar months remaining until the end of the calendar year, with the exception of the categories "Wood Preservatives Industry," "Wood Preservation Factory" and "Professional Fisherman."

Art. 10. The amount to be charged for registration of the categories corresponding to codes 02.01, 02.02, 03.04, 03.05, 04.01, 04.02, 06.01, 06.02, 07.01, 07.02, 07.03, 07.09, 07.10, 07.11, 07.12 and 07.13 shall be calculated on the basis of total raw materials and/or sources of energy of forest origin used on an annual basis, plus the fixed amount, in accordance with the table shown in Annex II of this Administrative Decree.

Art. 11. Individuals or legal entities engaged in activities for scientific and/or educational purposes, as well as those recognized by IBAMA shall be exempt from paying the registration fee, as shall public federal, state and municipal entities and those legally recognized as being of public utility.

Art. 12. Any changes occurring in the registration data must be reported to IBAMA within 30 (thirty) days after their occurrence, by submitting the registration form, with the following fields duly completed: Name of the individual or legal entity, registration No., CPF/CGC fields to be changed, date and signature.

Art. 13. Individuals or legal entities that suspend their operations must request cancellation of their record, by submitting a request, Registry Certification, proof of removal from the Commercial Board, as applicable, and a document proving the absence of debts of any kind to IBAMA, up to the date of the request for cancellation.

Paragraph 1. Cancellation of the registration shall only be valid after evidence of the absence of debts of any kind to the IBAMA up to the date of approval of the cancellation request.

Paragraph 2. In the event of a failure to request cancellation of the registration pursuant to this article,

the interested parties shall also be assumed as being in operation and subject to payment of the sums corresponding to renewal of the registration and other existing amounts owed.

Art. 14. Registration shall be suspended or cancelled in the event of an act or omission involving a failure to comply with Law No. 4.771 of 09/15/65 and/or Law No. 5.197 of 01/03/67 and/or Decree-Law No. 221 of 04/28/67 and/or Law No. 6.938 of 08/31/81 and/or Law No. 7.679 of 11/23/88 and their amendments.

Art. 15. The Control and Monitoring Board (DIRCOF) shall be responsible for establishing complementary administrative rules and procedures relating to the registrations, permits, authorizations and licenses discussed in this Administrative Decree.

Art. 16. Violators of the provisions contained in this Administrative Decree shall be subject to the penalties provided for in current law, to be applied by IBAMA.

Art. 17. This Administrative Decree shall enter into force on the date of its publication.

Art. 18. Administrative Decrees No. 302/P of 11/09/88, No. 11/P of 02/21/89, No. 732 of 04/01/91, No. 09-N of 01/17/92, No. 110-N of 10/07/92, No. 55-N of 05/25/94, No. 70 of 09/05/95, No. 96 of 10/30/96, No. 102 of 11/11/96, and any other provisions in violation thereof shall be revoked.
