IT IS HEREBY DECIDED

Article 1:

To confer the right to sell and export rubber products, with the exception of solidified rubber in which case the approval must be authorized by the Royal Government, to the Ministry of Agriculture, Forestry, and Fisheries (Department General of Rubber Plantations). The objective is to benefit the domestic industry production and to import equipment and spare parts and other means to service existing production and new rubber tree plantings.

Article 2:

After payment of the required taxes to the State, the Ministry of Agriculture, Forestry, and Fisheries (Department General of Rubber Plantations) shall be responsible for the collection of the proceeds from the sale of rubber in order to meet expenses incurred in the rubber production process including salaries, purchase and import of equipment, spare parts, and other necessities. The Ministry of Agriculture, Forestry, and Fisheries shall submit for approval of the Royal Government request for investment fund for new rubber plantations and construction of infrastructure, provided the proceeds for the above sale are not adequate. In the event of force majeure whereby loss was incurred, the Ministry of Agriculture, Forestry, and Fisheries shall submit detailed reports to the Royal government requesting its financial intervention to restore its productivity.

Article 3:

The Ministry of Agriculture, Forestry, and Fisheries (Department General of Rubber Plantations) shall have the right to use 30% of the proceeds of the sale to import items necessary for production, the balance of the foreign exchange shall be sold to the State according to existing procedures.

Article 4:

Any provisions contrary to this Sub-Decree shall be annulled.

Article 5:

The Co-ministers in charge of the Cabinet of the Council of Ministers, the Minister of Agriculture, Forestry and Fisheries, the Minister of Economy and Finances, and the Minister of Commerce shall implement this Sub-Decree within their respective capacity from the date of its signature.
