 - (i) in which, on inspection, conditions are found to be unsatisfactory, unsanitary or a contravention of an applicable standard prescribed or adopted in the regulations, or
 - (ii) where inspection is refused;
- (b) prohibit the sale of food, milk or milk product produced, processed, transported, distributed, received, handled or stored in contravention of the regulations; and
- (c) order the measures, including seizure or destruction, to be taken, in accordance with the regulations, respecting any food, milk or milk product that
 - (i) is, or is suspected on reasonable and probable grounds of being, injurious to health, or
 - (ii) is suspected on reasonable and probable grounds of
 - (A) having been produced or processed in contravention of this Act or the regulations, or
 - (B) failing to meet the applicable standards prescribed or adopted in the regulations. *2012(2nd),c.20,s.25.*

26. Recall by Chief Public Health Officer

- (1) The Chief Public Health Officer may, by means of an order under section 24, in accordance with the regulations,
- (a) order the recall of any food, milk or milk product that has been distributed for sale but is suspected on reasonable and probable grounds
 - (i) of being injurious to health, or
 - (ii) of failing to meet the applicable standards prescribed or adopted in the regulations; and
 - (b) order the measures, including destruction, to be taken, in accordance with the regulations, respecting that food, milk or milk product.

Compliance with order

- (2) A person to whom an order is directed under this section shall comply with the order. *2012(2nd),c.20,s.26.*

27. Order directed to person described

- (1) It is sufficient in an order under this section to direct the order to a person or persons described in the order and an order under this section is not invalid by reason only of the fact that a person to whom the order is directed is not named in the order.

Communication to other persons

- (2) An order made under this section may require the person to whom the order is directed to communicate the contents of the order to other persons as specified in the order.

Notice of order

- (3) If it is not practicable to serve a copy of an order directed to a class of persons on each member of the class, the Chief Public Health Officer may instead provide public notice of the order by any means of communication that the Chief Public Health Officer considers will make it known to the majority of the class.

Contents of notice

- (4) A public notice referred to in subsection (2) shall include
- (a) information to enable members of the class to understand to whom the order is directed;
 - (b) the details of the order;
 - (c) information on where to direct inquiries about the order and where to obtain a copy of it. *2012(2nd),c.20,s.27.*

28. Seizure and destruction of health hazard

- (1) Where the Chief Public Health Officer believes on reasonable and probable grounds that a condition of any substance, thing, plant or animal is a health hazard, the Chief Public Health Officer may seize or cause the seizure of the substance, thing, plant or animal.

Detention for examination of thing seized

- (2) The Chief Public Health Officer may detain and may remove a substance, thing, plant or animal seized under subsection (1) pending such examination or inspection as is necessary in his or her opinion to determine the existence of the health hazard.

Notice thing seized not a health hazard

- (3) Where the examination or inspection of a substance, thing, plant or animal seized under subsection (1) indicates that a health hazard is not present, the Chief Public Health Officer shall notify the owner or person from whom it was seized and shall release it to the owner or person.

Disposition or destruction of thing not reclaimed

- (4) If the owner or person from whom a substance, thing, plant or animal was seized does not reclaim it within three working days after receiving notification under subsection (3), the Chief Public Health Officer may cause it to be disposed of or destroyed.

Destruction of health hazard

- (5) Where an examination or investigation of a substance, thing, plant or animal seized under subsection (1) indicates that a health hazard is present, the Chief Public Health Officer shall destroy it, dispose of it or take such other action as he or she considers necessary to eliminate or decrease the health hazard.

Recovery of costs

- (6) Where a substance, animal, plant or thing was seized and subsequently found to be a health hazard, the Chief Public Health Officer may recover from the owner or person from whom it was seized the cost of the seizure, destruction, disposal or other action that was taken to eliminate or decrease the health hazard and section 30 applies with the necessary modifications.

Food

- (7) Where food is seized under this section and the Chief Public Health Officer believes on reasonable and probable grounds that the condition of the food is a health hazard, subsections (2) to (4) do not apply and the Chief Public Health Officer may destroy or dispose of the food or cause it to be disposed of or destroyed without further examination or inspection. *2012(2nd),c.20,s.28.*

29. Actions by Chief Public Health Officer

Where the Chief Public Health Officer believes on reasonable and probable grounds that a health hazard exists at a premises and the person to whom an order is or would be directed under section 24

- (a) has refused to comply with or is not complying with the order;
- (b) is not likely to comply with the order promptly;
- (c) cannot readily be identified or located and as a result the order would not be carried out promptly; or
- (d) requests the assistance of the Chief Public Health Officer in preventing or decreasing the effects of or eliminating the health hazard,

the Chief Public Health Officer may enter the premises, with the persons, materials and equipment and using such force as the Chief Public Health Officer considers necessary, and may take such action as the Chief Public Health Officer considers necessary to carry out or give effect to a provision of the order to eliminate or decrease the health hazard. *2012(2nd),c.20,s.29.*

30. Recovery of expenses

The expenses incurred by the Chief Public Health Officer to remediate a health hazard may be recovered with costs from any person to whom an order is or would be directed under section 24 in respect of the health hazard by action in a court of competent jurisdiction as a debt owed to Her Majesty in right of Prince Edward Island. *2012(2nd),c.20,s.30.*

31. Application to court

- (1) The Chief Public Health Officer may apply to a judge of the Supreme Court for an order of the court under subsection (2) if a person to whom an order has been directed under this Part
- (a) refuses to comply with the order, or, in the Chief Public Health Officer's opinion, is likely to refuse to do so; or
 - (b) cannot be readily identified or located, and, as a result, the order cannot be carried out promptly.

Order

- (2) If the court is satisfied that the conditions for an application under subsection (1) are met, the court may make an order directing a person, including any or all peace officers in the

province, to assist the Chief Public Health Officer in carrying out the order issued under this Part, using any force that is reasonably necessary in the circumstances.

Notice not required

- (3) An order under this section may be made without providing prior notice to an owner of a substance, animal, plant or thing that is a health hazard, a person from whom the substance, animal, plant or thing was seized or the owner or occupier of the place or premises where the health hazard is located. *2012(2nd),c.20,s.31.*

Notifiable Diseases or Conditions and Communicable Diseases

32. Notifiable diseases or conditions and communicable diseases

- (1) Where the Minister is of the opinion that a public health emergency exists or may exist as a result of a disease or condition that is not listed in the regulations as a notifiable disease or condition, the Minister may make an order declaring the disease or condition to be a notifiable disease or condition, as the case may be.

Publication of order

- (2) The Minister shall publish an order made under subsection (1) in one or more newspapers having general circulation in the province.

Date effective

- (3) An order made under subsection (1) is effective upon publication and for a period of six months after the date on which the order is first published, or until the order is revoked, whichever first occurs. *2012(2nd),c.20,s.32.*

33. Reporting of notifiable diseases, etc.

A medical practitioner or nurse practitioner who, while providing professional services to a person, comes to believe on reasonable and probable grounds that the person

- (a) has or may have a notifiable disease or condition or may be infected with an agent of a communicable disease; or
(b) has suffered a reportable event prescribed by regulation,

shall report the facts on which the belief is based, in accordance with the regulations, to the Chief Public Health Officer. *2012(2nd),c.20,s.33; 2013,c.20,s.2.*

34. Person in charge of institution duty to report

Where a person in charge of an institution believes on reasonable and probable grounds that a person under his or her custody or control

- (a) has or may have a notifiable disease or condition or is or may be infected with an agent of a communicable disease; or
(b) has suffered a reportable event prescribed by regulation,

the person shall report the facts on which the belief is based, in accordance with the regulations, to the Chief Public Health Officer. *2012(2nd),c.20,s.34; 2013,c.20,s.3.*

35. Health practitioner in health facility, duty to report

- (1) A health practitioner who, while providing professional services to a person in a health facility, comes to believe on reasonable and probable grounds that the person has or may have a notifiable disease or condition or may be infected with an agent of a communicable disease, shall report the facts on which the belief is based to the administrator or person in charge of the health facility, within the time and in the manner required by the administrator or person in charge.

Administrator of health facility, duty to report

- (2) The administrator or person in charge of a health facility, or a person designated by the administrator or person in charge of a health facility, who comes to believe on reasonable and probable grounds that there is or may be an outbreak of a communicable disease in the health facility shall report the facts on which the belief is based to the Chief Public Health Officer, in accordance with the regulations.

Concurrent duty

- (3) For greater certainty, the duty imposed in subsection (1) is in addition to the duty imposed on a medical practitioner or nurse practitioner in section 33; *2016,c.51,s.2*.

35.1 Director of laboratory services, duty to report

The director or person in charge of provincial laboratory services shall report a laboratory finding that a person has or may have a notifiable disease or condition or may be infected with an agent of a communicable disease to

- (a) the Chief Public Health Officer, in accordance with the regulations; and
(b) where the person to whom the laboratory finding pertains is in a health facility, the administrator or person in charge of the health facility, within the time and in the manner required by the administrator or person in charge. *2012(2nd),c.20,s.35; 2013,c.20,s.4; 2016,c.51,s.2.*

36. Principal of school or operation of child care centre

The principal of a school or the operator of a child care facility who suspects that a pupil in the school or a child in the child care facility, as the case may be, has or may have a notifiable disease or condition specified by the regulations shall report the facts on which the suspicion is based, in accordance with the regulations, to the Chief Public Health Officer. *2012(2nd),c.20,s.36.*

36.1 Consent not required

The making of a report in accordance with section 33, 34, 35, 35.1 or 36 does not require the consent of the person in respect of whom the report is required to be made, or any other person. *2013,c.20,s.5; 2016,c.51,s.3.*

37. Requirement to provide information

- (1) A person who has or is suspected of having a communicable disease prescribed in the regulations shall on request provide information respecting the person's contacts related to the disease to a medical practitioner, nurse practitioner or registered nurse who is providing professional services to the person.

Duty to report

- (2) A medical practitioner, nurse practitioner or registered nurse to whom a person referred to in subsection (1) provides information in accordance with that subsection shall report the person's contacts related to the disease to the Chief Public Health Officer in accordance with the regulations. *2012(2nd),c.20,s.37; 2013,c.20,s.6.*

38. Duty of medical practitioner or nurse practitioner to report refusal or neglect of treatment

A medical practitioner or nurse practitioner shall report to the Chief Public Health Officer, in accordance with the regulations, the name and address of a person who is under the care and treatment of the medical practitioner or nurse practitioner in respect of a communicable disease specified in the regulations and who refuses or neglects to continue the treatment in a manner and to a degree satisfactory to the medical practitioner or nurse practitioner. *2012(2nd),c.20,s.38; 2013,c.20,s.7.*

39. Order respecting communicable disease

- (1) Subject to subsection (2), the Chief Public Health Officer by a written order may require a person to take or refrain from taking any action that is specified in the order in respect of a communicable disease.

Circumstances

- (2) The Chief Public Health Officer may issue an order under this section where he or she believes on reasonable and probable grounds that
- (a) a communicable disease exists or may exist in the province;
 - (b) the communicable disease presents a risk to the health of persons in the province; and
 - (c) the requirements specified in the order are necessary to prevent, decrease or eliminate the risk to health presented by the communicable disease.

Time for compliance

- (3) In an order under this section, the Chief Public Health Officer may specify the time or times when or the period or periods of time within which the person to whom the order is directed shall comply with the order.

Isolation of person infected

- (4) An order under this section may include, but is not limited to,
- (a) requiring any person that the order states has or may have a communicable disease or is or may be infected with an agent of a communicable disease to isolate himself or herself and remain in isolation from other persons;
 - (b) requiring the person to whom the order is directed to submit to an examination by a medical practitioner and requiring the medical practitioner to deliver to the Chief Public Health Officer a report as to whether or not the person has a communicable disease or is infected with an agent of a communicable disease;
 - (c) requiring the person to whom the order is directed in respect of a disease that is a communicable disease to place himself or herself forthwith under the care and treatment of a medical practitioner;
 - (d) requiring the person to whom the order is directed to conduct himself or herself in such a manner as not to expose another person to infection; and

- (e) requiring the person to whom the order is directed to provide information respecting the person's contacts related to a communicable disease to the Chief Public Health Officer.

Reasons for order

- (5) An order under this section is not effective unless the reasons for the order are set out in the order.

Oral order

- (6) Where the delay necessary to put an order under this section in writing will or is likely to increase substantially the risk to the health of any person presented by the communicable disease, the Chief Public Health Officer may make the order orally and subsection (5) does not apply.

Idem

- (7) Where an oral order is issued under this section, the contents of the order and the reasons for the order shall be put into writing and served on each person to whom the order was directed as soon as possible after making of the oral order, but a failure to comply with this subsection does not invalidate the order.

Compliance with order

- (8) A person to whom an order is directed under this section shall comply with the order.
2012(2nd),c.20,s.39; 2013,c.20,s.8.

40. Order in respect of person under sixteen years

Where an order by the Chief Public Health Officer in respect of a communicable disease is directed to a person under sixteen years of age and is served upon the parent of the person or any other person who has the lawful custody, care or control of the person under sixteen years of age, the parent or other person shall ensure that the order is complied with.
2012(2nd),c.20,s.40.

41. Effect of order

The issuance of an order under section 39 in relation to a communicable disease shall not affect the validity or force of any other order that is made under this Act, whether before, during or after the making of that order or taking of an action pursuant to that order.
2012(2nd),c.20,s.41.

42. Order of court to detain, examine or treat a person

- (1) The Chief Public Health Officer may make an application to the court for an order under this section where a person has failed to comply with an order issued by the Chief Public Health Officer in respect of a communicable disease specified in the regulations that
 - (a) the person isolate himself or herself and remain in isolation from other persons;
 - (b) the person submit to an examination by a medical practitioner;
 - (c) the person place himself or herself under the care and treatment of a medical practitioner;
 - (d) the person conduct himself or herself in such a manner as not to expose another person to infection; and

- (e) the person provide information respecting the person's contacts related to the communicable disease to the Chief Public Health Officer.

Court order

- (2) Where the court is satisfied that a person has failed to comply with an order issued by the Chief Public Health Officer under section 39 or 40, the court may order, with respect to the person named in the order, any or all of the following:
 - (a) that the person be taken into custody and admitted to and detained in a health facility named in the order;
 - (b) that the person be examined by a medical practitioner to ascertain whether or not a person is infected with an agent of a communicable disease specified in the regulations;
 - (c) that the person, if found on examination to be infected with an agent of a communicable disease specified in the regulations, be treated for the disease;
 - (d) that the person, if found on examination to be infected with an agent of a communicable disease specified in the regulations, provide information respecting the person's contacts related to the communicable disease to the Chief Public Health Officer.

Ex parte application

- (3) An application under subsection (1) may be made ex parte and where so made the court may make an interim order under subsection (2).

Application to court for order

- (4) Where an interim order for detention is issued under this section, the Chief Public Health Officer may apply to the court for an order regarding the person who is the subject of the interim order immediately after the person is detained and the court shall hold a hearing within seventy-two hours after such application is made.

Private hearing

- (5) An application heard under this section shall be heard in private, unless the person in respect of whom the application is made requests a public hearing by a notice filed with the court before the day of the hearing.

Order, authority to act under

- (6) An order issued under this section is authority for any person to locate and apprehend the person who is the subject of the order and to deliver that person to the health facility named in the order.

Peace officer

- (7) An order issued under this section may be directed to any peace officer and the peace officer shall do all things reasonably able to be done to locate, apprehend and deliver the person in accordance with the order.

Reasons for a detention

- (8) A person who apprehends a person who is the subject of an order issued under this section shall promptly
 - (a) inform the person of the reasons for the detention and of the person's right to retain and instruct counsel without delay; and
 - (b) tell the person where the person is being taken.

Order

- (9) An order for detention issued under this section is authority to detain the person who is the subject of the order in the health facility named in the order and to care for the person and, where ordered, to examine the person and treat the person for the communicable disease specified in the regulations in accordance with generally accepted medical practice for a period of not more than three months from and including the day the order was issued. *2012(2nd),c.20,s.42; 2013,c.20,s.9.*

43. Designation of medical practitioner to have responsibility for detained person

The administrator or person in charge of a health facility shall designate a medical practitioner to have responsibility for a person named in an order issued under section 42 who is delivered to a health facility. *2012(2nd),c.20,s.43.*

44. Medical practitioner to report respecting detained person

The medical practitioner responsible for a person named in an order made under section 42 shall report in respect of the treatment and the condition of the person to the Chief Public Health Officer in the manner, at the times and with the information specified by the Chief Public Health Officer. *2012(2nd),c.20,s.44.*

45. Extension of period of detention

Where upon application of the Chief Public Health Officer the court is satisfied

- (a) that the person continues to be infected with an agent of a communicable disease specified in the regulations; and
- (b) that the discharge of the person from the health facility would present a significant risk to the health of the public,

the court may by order extend the period of detention for not more than three months, and upon further applications by the Chief Public Health Officer, the court may extend the period of detention and treatment for further periods, each of which shall not be for more than three months. *2012(2nd),c.20,s.45.*

46. Certificate authorizing release

The Chief Public Health Officer shall inform himself or herself as to the treatment and condition of the person detained in accordance with an order made under section 42 and shall issue a certificate authorizing the person's release from detention as soon as the Chief Public Health Officer is of the opinion that the person is no longer infected with an agent of the communicable disease specified in the regulations or that the person's release from detention will not present a significant risk to the health of the public. *2012(2nd),c.20,s.46.*

47. Order for detention by Chief Public Health Officer

- (1) Where a person has failed to comply with an order of the Chief Public Health Officer under section 39 and there are exigent circumstances that make it impracticable to make an application to the court for an order under section 42, the Chief Public Health Officer may issue an order to detain the person named in the order.

Date and signature

- (2) An order for detention issued under this section is not effective unless dated and signed by the Chief Public Health Officer.

Duration of order

- (3) An order for detention issued under this section is valid for twenty-four hours after it is signed.

Authorization provided by order

- (4) An order for detention issued under this section is authority for any person to locate and apprehend the person who is the subject of the order and to deliver that person to the health facility named in the order.

Peace officer

- (5) An order for detention issued under this section may be directed to any peace officer and the peace officer shall do all things reasonably able to be done to locate, apprehend and deliver the person in accordance with the order.

Information to be given to person apprehended

- (6) A person who apprehends a person who is the subject of an order for detention issued under this section shall promptly
- (a) inform the person of the reasons for the detention and of the person's right to retain and instruct counsel without delay; and
 - (b) tell the person where the person is being taken.

Authorization provided by order

- (7) An order for detention issued under this section is authority to detain and to care for the person who is the subject of the order in the health facility named in the order for a period not exceeding seventy-two hours.

Application for order of court

- (8) The Chief Public Health Officer shall file an application for an order of the court under section 42 respecting a person who has been detained under this section immediately after the person has been detained and the court shall hold a hearing within seventy-two hours after the application is filed.

Idem

- (9) An application filed with the court for an order under section 42 is sufficient authority
- (a) for a peace officer or any other person to take the person who is the subject of the application to the court for a determination of the application; and
 - (b) for the administrator or person in charge of the health facility named in an order made under this section to detain and care for the person who is the subject of the application in the health facility pending a determination of the application.
- 2012(2nd), c.20, s.47.*

48. Where person withdraws from treatment

Where the Chief Public Health Officer has issued an order under section 39 in respect of a person who has or may have a communicable disease specified in the regulations and the person withdraws from the care and treatment specified in the order or fails to continue the specified action, sections 40 to 47 apply with the necessary modifications and the person shall be deemed to have failed to comply with an order of the Chief Public Health Officer.

2012(2nd), c.20, s.48.

48.1 Preventive measures

A medical practitioner or other prescribed person who attends the birth of a child shall, in accordance with the regulations, provide to the child any preventive measures prescribed in the regulations related to a communicable disease specified in the regulations. *2013,c.20,s.10.*

PART III — PUBLIC HEALTH EMERGENCY

49. Public health emergency

- (1) The Lieutenant Governor in Council may make an order declaring a state of public health emergency with respect to all or any area of the province where, on the advice of the Chief Public Health Officer, the Lieutenant Governor in Council is satisfied that
- (a) a public health emergency exists or is imminent; and
 - (b) prompt coordination of action or special measures are required in order to protect the public health.

Special measures

- (2) Where the Lieutenant Governor in Council makes an order under subsection (1), the Minister, on the advice of the Chief Public Health Officer, may take the following special measures:
- (a) issue directions, for the purpose of managing the threat, to an institution, health facility, corporation, health care organization, operator of a laboratory, operator of an ambulance service, health professional or health care provider, including directions about
 - (i) identifying and managing cases,
 - (ii) controlling infection,
 - (iii) managing hospitals and other health care facilities and ambulance services,
 - (iv) managing and distributing equipment and supplies, and
 - (v) administering immunizations as directed by the Chief Public Health Officer;
 - (b) order the owner or occupier of any place or premises to deliver up possession of the place or premises to the Minister for use as a temporary assessment, treatment, isolation or quarantine facility in accordance with section 50;
 - (c) order a public place or any premises to be closed;
 - (d) order persons to
 - (i) refrain from assembling in a public gathering in a specified area,
 - (ii) limit the number of persons who will be permitted to attend a public gathering, or
 - (iii) limit the purpose for a public gathering.

Order of Chief Public Health Officer

- (3) Where the Lieutenant Governor in Council makes an order under subsection (1), the Chief Public Health Officer may order a person who the Chief Public Health Officer reasonably believes is not protected against a communicable disease to be immunized, or to take any other preventive measures.

No limitation

- (4) Nothing in this section limits the operation of any other provision in this Act or the regulations that imposes a duty or confers a power on any person.

Order terminates unless continued

- (5) An order made under subsection (1) terminates on the expiry of thirty days from the date on which it was made, unless it is sooner terminated or continued by the Lieutenant Governor in Council.

Publication

- (6) Where an order
- (a) has been made under subsection (1); or
 - (b) has terminated thirty days after the date on which it was made or has been terminated by the Lieutenant Governor in Council; or
 - (c) is continued by the Lieutenant Governor in Council,

the Minister shall cause the details of either the order, termination or continuation, as the case may be, to be communicated or published by any means of communication that the Minister considers sufficient to make the details known to the majority of the population to which the order, termination or continuation relates.

Pandemic influenza plan

- (7) Where the Chief Public Health Officer believes on reasonable and probable grounds that pandemic influenza is imminent, the Chief Public Health Officer may direct that all or part of the provincial health pandemic influenza plan, if any, be implemented. *2012(2nd),c.20,s.49; 2014,c.43,s.3.*

50. Possession of premises

- (1) The Minister may, for the purposes of clause 49(2)(b), take possession of a place or premises and may retain possession for the period that the Minister considers necessary.

Cleaning of building

- (2) Where the place or premises includes a building, the Minister shall, before restoring the possession of the building to the owner, cleanse and disinfect it and put it in the same state of repair as it was in when possession was taken, and shall give notice to the owner that this has been done.

Compensation

- (3) The Minister shall pay to the owner a reasonable sum for the use of the place or premises.

Idem

- (4) The compensation to be paid for such use or possession, if not agreed upon, may be summarily determined by a judge of the court upon application of either party and after reasonable notice to the other party. *2012(2nd),c.20,s.50.*

51. Application to court

- (1) The Minister may apply to a judge of the Supreme Court for an order of the court under subsection (2) if an owner or occupier of a place or premises to whom an order to deliver up possession has been directed under clause 49(2)(b)

- (a) refuses to deliver up possession of the place or premises to the Minister in accordance with the order, or, in the Minister's opinion, is likely to refuse to do so; or
- (b) cannot be readily identified or located, and, as a result, the order cannot be carried out promptly.

Order

- (2) If the court is satisfied that the conditions for an application under subsection (1) are met, the court may make an order directing a person, including any or all peace officers in the province, to put the Minister or the Chief Public Health Officer in possession of the place or premises, using any force that is reasonably necessary in the circumstances.

Notice not required

- (3) An order under this section may be made without providing prior notice to the owner or occupier of the place or premises.

Notification of order

- (4) Where pursuant to an order of the court under subsection (2) possession is taken without the consent of the owner, the Minister shall within ten days notify the owner.

Means of giving notice

- (5) Where the owner is not known or is not resident in the province or if the owner's residence is unknown, the notice referred to in subsection (4) is sufficiently given if
 - (a) the notice is published in the Royal Gazette;
 - (b) the notice is published for two insertions in the local newspaper, if any, published in the county where the place or premises are located; and
 - (c) a copy of the notice is sent by registered mail to the owner at the owner's last known place of residence, if any, in the province. *2012(2nd),c.20,s.51.*

52. *Emergency Measures Act* prevails

- (1) For greater certainty,
 - (a) an order declaring a state of public health emergency in respect of all or any area of the province that has been made by the Lieutenant Governor in Council under subsection 49(2) does not take precedence over a declaration of a state of emergency made by the Minister responsible for the administration of the *Emergency Measures Act* R.S.P.E.I. 1988, Cap. E-6.1; and
 - (b) in the event that the public health emergency escalates, the Chief Public Health Officer may recommend to the Minister responsible for the administration of the *Emergency Measures Act* that the Minister declare a state of emergency under that Act.

Idem

- (2) Where a state of emergency is declared under the *Emergency Measures Act*, and where there is any conflict between a provision of this Act and a provision of the *Emergency Measures Act*, the provision of the *Emergency Measures Act* shall prevail. *2012(2nd),c.20,s.52.*

53. Limited license

- (1) Notwithstanding any other enactment, where an order has been made by the Lieutenant Governor in Council declaring a state of public health emergency under subsection 49(1), the licensing body or the designate of the licensing body of a health profession, as the case may

be, may grant a special limited license to a person who, in the licensing body's opinion, is capable of practising a function of the health profession with any privileges or restrictions that may be determined concerning the duration or scope of the function, notwithstanding that the person may not fully meet the qualifications for licensure or that all of the required evidence of qualification is not provided.

Terms and conditions

- (2) The term and particular conditions of the limited license shall be clearly indicated on the license and recorded in the register of the relevant licensing body. *2012(2nd),c.20,s.53.*

PART IV — INFORMATION GATHERING AND SHARING

54. Definitions

In this Part,

- (a) **“government agency”** means
