The regulation is established on the basis of § 6(1) of the Hunting Regulation Act and on the proposal of the Viljandi County Hunting Council.

§ 1. Number and areas of hunting areas for hire in Viljandi County

The number and areas of hunting areas for rent in Viljandi County are:

- 1) Abja charter hunting area 11,900 hectares
- 2) [Repealed - RT I 29.07.2011, 1 - entry into force 01.08.2011]
- 3) [Repealed - RT I 2010, 59, 401 - entry into force 28.08.2010]
- 4) Holstre rental hunting area 7,130 hectares
- 5) Karksi rental hunting area 11,410 hectares
- 6) [Repealed - RT I, 22.12.2015, 29 – entry into force 25.12.2015]
- 7) Kõo rental hunting area 14,550 hectares
- 8) Kärstna rental hunting area 9,110 hectares
- 9) Lahmuse rental hunting area 9,500 hectares
- 10) [Repealed - RT I 2010, 59, 401 - entry into force 28.08.2010]
- 11) Lembitu rental hunting area 11,370 hectares
- 12) Lilli rental hunting area 11,010 hectares
- 13) [Repealed - RTL 2009, 52, 755 - entry into force 05.07.2009]
- 14) Nuija rental hunting area 11,510 hectares
- 15) Paistu rental hunting area 10,500 hectares
- 16) Polli rental hunting area 6,060 hectares
- 17) [Repealed - RTL 2007, 22, 375 - effective 18.03.2007]
- 18) [Repealed - RTL 2009, 52, 755 - entry into force 05.07.2009]
- 19) Suislepa rental hunting area 6,780 hectares
- 20) Suure-Jaani rental hunting area 10,130 hectares
- 21) Sürgavere rental hunting area 8,650 hectares
- 22) Tarvastu rental hunting area 12,390 hectares
- 23) Tännassilma rental hunting area 9,630 hectares
- 24) Taäksi rental hunting area 10,770 hectares
- 25) Vambola Charter Hunting Area 9,910 hectares
- 26) [Repealed - RT I, 22.12.2015, 29 – entry into force 25.12.2015]

§ 2. Boundary descriptions of hunting lease areas in Viljandi County

The boundary descriptions of the hunting charter areas in Viljandi County are as follows:

- 1) The boundary **of the Abja hunting charter area** runs from the mouth of the Enu stream into the Halliste river, along the Halliste river to the mouth of the Pöögle stream, from there along the Pöögle stream to the Reiu–Valga road; then along the Reiu–Valga road to the Lopa–Äriküla road; from the road junction along the Lopa–Äriküla road to the border of Abja municipality, along the border of Abja municipality to the northern border ditch of the Uuejaani new land and along the border ditch to the Lopa–Penuja road; then along the Lopa–Penuja road to the Abja–Ruhja road in Penuja; from Penuja along the Abja–Ruhja road to the border of the Republic of Estonia and along the border of the Republic of Estonia to the Ludri new land road; from there along the Ludri new land road to the Laatre–Veelikse–Vana-Kariste road and along the Laatre–Veelikse–Vana-Kariste road to Sarjani; From the series along Tõlla road to the Tõõtsimõisa holiday camp road, continuing along the Tõõtsimõisa holiday camp road to the Enu stream and along the Enu stream to the Halliste river. 2) [Repealed - RT I, 29.07.2011, 1 - entry into force 01.08.2011] 3) [Repealed - RT I 2010, 59, 401 - entry into force 28.08.2010] 4) The border **of the Holstre rental hunting area** goes from Orika on the Viljandi ring road along the ring road to the Viljandi–Pikassilla road; further along the Viljandi–Pikassilla road to the Paistu rural municipality border and along the Paistu rural municipality border to the Viljandi–Männaste–Mustla road; from there along the Viljandi–Männaste–Mustla road to the Männaste–Holstre road; from the road junction along the Männaste–Holstre road to the Ärna river and along the Ärna river to the Paistu rural

municipality border; further along the border of Paistu municipality to the Viljandi–Pikassilla road; from there along the road to the Varastu stream and along the stream to the Paistu–Holstre road; from there along the Paistu–Holstre road to the Mustla high-voltage line route and along the high-voltage line route to the border of Viiratsi municipality; from there along the Viiratsi municipality border to the Everti stream; further along the Everti stream to the Viljandi–Nuia road and along the Viljandi–Nuia road to the Viljandi ring road at Orika. 5) **Karksi rental hunting area**

the border runs from the intersection of the Abja–Sultsi road and the Öisu–Morna road along the Abja–Sultsi road to the gas pipeline, along the gas pipeline to the Nuia–Viljandi road and along the Nuia–Viljandi road to the Ahimäe–Suuga–Kärstna road in Ahimäe; from Ahimäe, the border runs along the Suuga–Kärstna road to the Tarvastu rural municipality border and along the Tarvastu rural municipality border to the Nuia–Anikatsi road; from there along the Nuia–Anikatsi road to the Anikatsi–Veisjärve road and along the Anikatsi–Veisjärve road to the Anikatsi main ditch; from there along the Anikatsi main ditch to Veisjärve; then as an imaginary extension of the main ditch to the mouth of the Veisjärve ditch; from there along the Karksi forest district border to the Mäeküla–Küti road and along the Mäeküla–Küti road to the Karksi forest district border; from here along the forest district border to Vanausse stream and along the stream to the Kurimetsa–Sudiste road; further along the Kurimetsa–Sudiste road to Sudiste. From Sudiste, the border runs along the Anikatsi–Karksi–Nuia road to the Viljandi–Karksi–Nuia road and along the Viljandi–Karksi–Nuia road to the Oti–Polli road; from the road junction along the Oti–Polli road to the Polli–Ülemõisa road and along the Polli–Ülemõisa road to the Enu farm road; then along the Enu farm road to the Kutsiku stream and along the Kutsiku stream to the Karksi rural municipality border, continuing along the Karksi rural municipality border to the Kõpu river (in Ülemõisa) and along the Kõpu river to the Paanikse forest district border; from there along the forest district border to the Öisu–Morna road and along the Öisu–Morna road to the Abja–Sultsi road.

6) [Repealed by RT I, 22.12.2015, 29 - entry into force. 25.12.2015] 7) The border **of the Kõo hunting area** runs from the intersection of the Viljandi–Imavere road and the Viljandi county border along the Viljandi county border to the Lebavere road, from there along the Lebavere road to the Kõo–Kolga–Jaani road; from the intersection along the Kõo–Kolga–Jaani road to the Kõo main ditch and along the Kõo main ditch to the Käparumbi main ditch; further along the Käparumbi main ditch to the Venevere–Olustvere road and along the road to the Parika stream; from there along the Parika stream to the Navesti river; from the point where the Parika stream flows into the Navesti river along the Navesti river (the border runs along the old riverbed at the Imavere–Viljandi road) to the Suure-Jaani–Võhma road, continuing along the Suure-Jaani–Võhma road to the Tõrvaugu road and along the Tõrvaugu road to the Määrama stream; from there along the Määrama stream to the Lubjaahju swamp ditch; further along the Lubjaahju swamp ditch to the Viljandi county border; further along the county border to the Võhma town border and along the south-western, southern and eastern borders of the Võhma town to the Viljandi county border and along the county border to the Viljandi–Imavere road. 8) **Kärstna rental hunting area**

The border runs from the intersection of the Tarvastu rural municipality border and the Anikatsi–Paistu road along the Tarvastu rural municipality border to the Ojastu farm road, along the Ojastu farm road to the Pahuvere swamp road and along the Pahuvere swamp road to the Pahuvere–Mustla road; further along the Pahuvere–Mustla road to the Raasilla–Kärstna road; from the road junction along the Raasilla–Kärstna road to the Purgi stream and along the Purgi stream to the Nahkle stream; from there along the Nahkle stream to the Kärstna–Suislepa power line route and along the power line route to the eastern border of the Laugi new area; further along the eastern border of the Laugi new area to the Viljandi county border and along the county border to the Ohne river; then along the Ohne river to Veisjärv, continuing as an imaginary extension of the Ohne river to the mouth of the Anikatsi main ditch in Veisjärv; further along the Anikatsi main ditch Karuli–Anikatsi road and along the Karuli–Anikatsi road to Anikatsi; From Anikatsi along the Anikatsi–Nuia road to the border of Tarvastu municipality, continuing along the border of Tarvastu municipality to the Anikatsi–Paistu road and along the road to the border of Tarvastu municipality.

9) The border **of the Lahmuse lease hunting area** goes from the intersection of the Viljandi county border and the Jälevere–Tõrvaugu road along the Viljandi county border to the Lubjaahju swamp ditch, continuing along the Lubjaahju swamp ditch to the Määrama stream and along the Määrama stream to the Tõrvaugu road; further along the Tõrvaugu road to the Suure-Jaani–Võhma road and along the road to the Navesti river; from there along the Navesti river to the Imavere–Viljandi road and along the Imavere–Viljandi road to the Viljandi–Suure-Jaani–Vändra road; from the road junction along the Viljandi–Suure-Jaani–Vändra road to the border of the city of Suure-Jaani, continuing along the northern border of the city to the Suure-Jaani–Võlli road and along the Suure-Jaani–Vändra road to the Saareküla road; from there along the Saareküla road to Keesi farm, further along the power line route to the Muuti farm and along the Muuti road to the Arjandi stream; from here along the Arjandi stream to the Labida road, along the Labida road to the Ojaküla–Vihiküla road and along the Ojaküla–Vihiküla road to the Suure-Jaani–Vändra road; from the crossroads along the Suure-Jaani–Vändra road to the Navesti river, along the Navesti river to the Jälevere bridge and along the Jälevere–Tõrvaugu road to the border of Viljandi county. 10) [Repealed - RT I 2010, 59, 401 - entry into force 28.08.2010] 11) **Lembitu rental hunting area**

The border runs from the intersection of the Viljandi–Tallinn railway and the Viljandi city border along the railway to Auksi road, along Auksi road to Imavere–Viljandi road; from the road junction along the Imavere–Viljandi road to Võivaku–Kuhjaveri road and along Võivaku–Kuhjaveri road to Aimla–Tuudevere road; further along the Aimla–Tuudevere road to the Suti farm road and along the Suti farm road to Suti farm; from there along the forest road to the Aimla–Saarepeedi road and along the Aimla–Saarepeedi road to the Aimla–Tääksi road; from the road junction along the Aimla–Tääksi road to the Viljandi–Kolga–Jaani road and along the Viljandi–Kolga–Jaani road to the Viiratsi rural municipality border; further along the Viiratsi rural municipality border to the Kuudeküla road, continuing along the Kuudeküla road to the Tännassilma River; thence along the Tännassilma River to the border of the city of Viljandi and along the northern border of the city of Viljandi to the Viljandi–Tallinn railway.

12) The boundary **of the Lilli hunting area** goes from the intersection of the Karksi–Nuia–Viljandi road and the Karksi–Anikatsi road along the Karksi–Anikatsi road to Sudiste, continuing along the Sudiste–Kurimetsa road to the Vanausse stream and along the Vanausse stream to the border of the Karksi forest district; further along the border of the Karksi forest district to the Küti–Mäeküla road and along the Küti–Mäeküla road to the Mäeküla quarry; from there along the border of the Karksi forest district to the Veisjärve ditch and along the Veisjärve ditch to Veisjärve, continuing from the mouth of the Veisjärve ditch as an imaginary extension of the ditch to the middle of Lake Veisjärve; from there it turns to the starting point of the Ohne River in Veisjärve; it continues along the Ohne River to the border of Viljandi County and along the Viljandi County border to the border of the Republic of Estonia; from here along the border of the Republic of Estonia to the Ruhja–Karksi–Nuia road and along the road to Äriküla; from Äriküla along the Äriküla–Sinijärve road to

the Valga–Uulu road, continuing along the Valga–Uulu road to the Karksi-Nuia–Viljandi road in Karksi-Nuia; from there along the Karksi-Nuia–Viljandi road to the Karksi–Anikatsi road. 13) [Repealed - RTL 2009, 52, 755 - entry into force 05.07.2009] 14) The border **of the Nuia lease hunting area** runs from the mouth of the Pöögle stream into the Halliste river along the Halliste river to the Karksi reservoir; from there along the Polli–Karksi-Nuia road to the Karksi-Nuia–Viljandi road, continuing along the Karksi-Nuia–Viljandi road to the Uulu–Valga road in Karksi-Nuia; the border then runs along the Uulu–Valga road in the direction of Valga to the Sinijärve road; from the road junction along the Sinijärve–Äriküla road to the Karksi-Nuia–Ruhja road in Äriküla; from Äriküla along the Karksi-Nuia–Ruhja road to the border of the Republic of Estonia, continuing along the border of the Republic of Estonia to the Ruhja–Abja road; from there along the Ruhja–Abja road to the Penuja–Lopa road; along the Penuja–Lopa road to the northern boundary ditch of the Uuejaani new land and along the new land boundary ditch to the border of Karksi rural municipality; from there along the border of Karksi rural municipality to the Äriküla–Lopa road; along the Äriküla–Lopa road to Lopa; from Lopa along the Valga–Uulu road to the Pöögle stream and along the Pöögle stream to the Halliste river. 15) **Paistu rental hunting area**

The border runs from the confluence of the Eversti stream into the Raudna river along the Eversti stream to the border of Paistu rural municipality, continuing along the border of Paistu rural municipality to the Viljandi–Mustla high-voltage line route; further along the high-voltage line route to the Holstre–Paistu road and along the Holstre–Paistu road to the Varastu stream; from there along the Varastu stream to the Paistu rural municipality border and along the Paistu rural municipality border to the Paistu–Kärstna road, continuing along the Paistu–Kärstna road to the Suuga road and along the Suuga road to the Viljandi–Karksi-Nuia road in Ahimägi. From Ahimägi the border runs along the Viljandi–Karksi-Nuia road to the gas pipeline, along the Abja–Sultsi road; from there along the Abja–Sultsi road to the Vidva stream and along the Vidva stream to Lake Öisu; further as an imaginary extension of the Vidva stream from the mouth of the stream across Lake Öisu to the mouth of the Kõpu river; from here along the Kõpu River to the border of Halliste Rural Municipality and along the border of Halliste Rural Municipality to the Mägramäe border; then along the Mägramäe border to the Päidre swamp road and along the Päidre swamp road to the Päidre–Heimtalid road; further along the Päidre–Heimtalid road to the Päidre–Loodi road; continuing from the road junction along the Päidre–Loodi road to the old railway dam and along the railway dam to the Sinialliku stream; from there along the Sinialliku stream to the Raudna River and along the Raudna River to the mouth of the Eversti stream.

16) The border **of the Polli lease hunting area** goes from the intersection of the Luusi–Arak and Kaarli–Nigul roads along the Kaarli–Nigul road to the Luusi ditch, along the Luusi ditch to the Rebas border, along the Erulang road to the border of the Rimmu forest district (northwest corner of block 128); from there along the Rimmu forest district border to the Kõpu River and along the Kõpu River to Lake Öisu; further from the mouth of the Kõpu River as an imaginary extension of the river across Lake Öisu to the mouth of the Vidva Stream, continuing along the Vidva Stream to the Abja–Sultsi road and along the road to the Öisu–Morna road; from the road junction along the Öisu–Morna road to the border of the Öisu forest district, from there along the Öisu forest district border to the Kõpu River and along the river to the border of Karksi rural municipality in Ülemõisa; from here along the border of Karksi rural municipality to Kutsiku Stream and along the stream to the Enu farm road, continuing along the Enu farm road to the Polli–Ülemõisa road; from the road junction along the Polli–Ülemõisa road to the Oti–Polli road; further along the Oti–Polli road to the Viljandi–Karksi-Nuia road and along the Viljandi–Karksi-Nuia road to the Karksi-Nuia–Polli road; from there along the Karksi-Nuia–Polli road to the Halliste River and along the Halliste River to the border of Karksi rural municipality, continuing along the Polli–Halliste road along the border of Karksi rural municipality; from here along Polli–Halliste road to Tõsta road; from the intersection along Tõsta road to Halliste landfill road and along landfill road to Raadi road; further along Raadi road to Abja–Sultsi road, then along Abja–Sultsi road to Raadi stream and along Raadi stream to the former Mõisaküla–Viljandi railway embankment; from there along the former railway embankment to the eastern boundary ditch of the Luusi new territory, continuing along the eastern boundary ditch of the Luusi new territory to the Luusi–Araku road and along the Luusi–Araku road to the Kaarli–Niguli road. 17) [Repealed - RTL 2007, 22, 375 - entry into force 18.03.2007] 18) [Repealed - RTL 2009, 52, 755

- effective 05.07.2009]

19) The boundary **of the Suislepa leased hunting area** runs from the intersection of the Armese–Kurtuse ditch and the Roosilla–Nuki road along the Armese–Kurtuse ditch to the Armese farm, continuing along the Armese–Moori–Paabu road to the Viljandi–Pikassilla road; from the road junction along the Viljandi–Pikassilla road to Aniojan and along the Anioja Paabu–Järveküla road in Järveküla; from there along the Järveküla–Kivilõppe road to the forest ranger's road, continuing along the forest ranger's road to the Suislepa–Kivilõppe road and along the Suislepa–Kivilõppe road to the Lohu-1 farm; further along the harbour road of the Lohu-1 farm to Võrtsjärv; from here along the western shore of Võrtsjärv in a southerly direction to the Viljandi county border, continuing along the Viljandi county border to the Kogul main ditch and along the Kogul main ditch to the Rähma road; thence along Rähma road to Kurtsu road and along Kurtsu road to Roosilla–Nuki road and along Roosilla–Nuki road to Armese–Kurtuse ditch. 20) The boundary **of the Suure-Jaani leased hunting area** goes from the southeast corner of block 14 of Soomaa forest district along the forest road to Kibaru road, along Kibaru road to Võlli–Suure-Jaani road; further along Võlli–Suure-Jaani road to Labida road and along Labida road to Muuti road; from the crossroads along Muuti road to Muuti farm; from here along the power line route to Saareküla road and along Saareküla road to Suure-Jaani–Võlli road; from there along Suure-Jaani–Võlli road to the Oru–Kuusiku main ditch and along the main ditch to Lesti stream, continuing along Lesti stream to Suure-Jaani–Kildu road; further along the Suure-Jaani–Kildu highway to Lemmjõgi and along Lemmjõgi to the Suure-Jaani–Vastsemõisa highway; from there along the Suure-Jaani–Vastsemõisa highway to the Ilbaku–Ivaski–Vastsemõisa highway; from the intersection along the Ilbaku–Ivaski–Vastsemõisa highway to the Mulgi–Käära–Lubjassaare road and along the Mulgi–Käära–Lubjassaare road to the border of the Soomaa National Park, continuing along the border of the Soomaa National Park to the southeast corner of block 14 of the Soomaa forest district. 21) The border **of the Sürgavere leased hunting area** goes from the intersection of the Suure-Jaani city border and the Suure-Jaani–Mudiste highway along the Suure-Jaani–Mudiste highway to the Imavere–Viljandi highway, continuing along the Imavere–Viljandi highway to the Auksi–Sürgavere road; from the road junction along the Auksi–Sürgavere road to the Tallinn–Viljandi railway and along the railway to the Karuse soo uudusmaa road; further along the Karuse soo uudusmaa road to the Pärsti–Sürgavere road; from there along the Pärsti–Sürgavere road to the Hussari–Vanamõisa road; from the road junction along the Hussari–Vanamõisa road to the Söödi road, continuing along the Söödi road to the Pärsti–Savikoti road and along the Pärsti–Savikoti road to the Suure-Jaani–Viljandi road. From here the border runs along the Suure-Jaani–Viljandi road to Lemmjõgi and along Lemmjõgi to the Suure-Jaani–Kildu road, along the Suure-Jaani–Kildu road to the Lesti stream; from there along the Lesti stream to the Oru–Kuusiku main ditch and along the main ditch to the Suure-Jaani–Võlli road; further along the Suure-Jaani–Võlli highway to the Suure-Jaani city border and along the city border to the Suure-Jaani–Mudiste highway. 22)

The boundary of the Tarvastu leased hunting area runs from the Mustla–Mõnnaste–Viljandi road at the Väluste intersection along the Väluste road to the Kõksi road, along the Kõksi road to the Villemuse road and along the Villemuse road to the Valma–Väluste road; further along the Valma–Väluste road to the Mulgi uudsimaa ditch and along the Mulgi uudsimaa ditch to Võrtsjärv; from there along the shore of Võrtsjärv to the mouth of the Tarvastu River, continuing along the Tarvastu River to the eastern main ditch of the Laurimaa uudsimaa and along the main ditch to the Laurimaa road; from there along the Laurimaa road to the Soe road; from the intersection along the Soe road to the Tarvastu River, continuing along the Tarvastu River to the Pikasilla–Viljandi road and along the Mustla–Pahuvere road; from the intersection along the Mustla–Pahuvere road to the Pahuvere swamp road and along the Pahuvere swamp road to the Orjatu farm road; from here along the Orjatu farm road to the border of Tarvastu municipality and along the border of Tarvastu municipality to Varastu stream and along the stream to the Viljandi–Pikasilla road; from there along the Viljandi–Pikasilla road to the border of Tarvastu municipality at the Jürimatsi road junction. From the Jürimatsi road junction, the border continues along the border of Tarvastu municipality to the Mõnnaste–Holstre road and along the Mõnnaste–Holstre road to the Mustla–Mõnnaste–Viljandi road and along the Mustla–Mõnnaste–Viljandi road to the Väluste road junction.

23) The border **of the Tännassilma lease hunting area** goes from the Oja–Tusti road by the Kanavari ditch bridge along the Kääraku road to the Lillissaare main ditch, along the Lillissaare main ditch to the Tännassilma river and along the river to the Võrtsjärv; further along the shore of Võrtsjärv to the Mulgi ditch and along the Mulgi ditch to the Valma–Väluste road and along the Valma–Väluste road to the Villemuse road; from the intersection along Villemuse Road to the Kõksi route and along the Kõksi route in Ruudiaru pasture to the border of Tarvastu rural municipality; from there along the border of Tarvastu rural municipality to the high-voltage line and along the high-voltage line to the Naela–Saareküla–Raabe road; from there along the Naela–Saareküla–Raabe road to the Tartu–Viljandi highway and along the Tartu–Viljandi highway to the Tusti–Parika road; from the intersection along the Tusti–Parika road to the Tusti bridge, continuing along the Tännassilma River to Tammeoja and along the Tammeoja to the Tammeoja bridge; from there along the road to Metsa farm; further along the road to Kurdi farm and along the forest road to the house of the Erkla ranger; from there along the road to the Oja–Tusti road and along the Oja–Tusti road to the bridge of the Kanavari ditch. 24) **The Tääksi rental hunting area**

the border runs from the intersection of the Navesti River and the Imavere–Viljandi road along the Navesti River to the Parika stream, continuing along the Parika stream to the Särgla–Aimla road and along the Särgla–Aimla road to the eastern direction of blocks 130 and 131 of the Aimla forest district; from there along the eastern direction of blocks 130 and 131 to the Parika lake, continuing as an imaginary extension of the direction across Parika lake to the Piduli stream; further along the Piduli stream to the Viljandi–Kolga–Jaani road and along the Viljandi–Kolga–Jaani road to the Aimla–Tääksi road; from the road junction along the Aimla–Tääksi road to the Aimla–Tuudevere road; from there along the Aimla–Tuudevere road to the Suti farm road and along the Suti farm road to the Suti farm; from there along the field road to the Aimla–Tuudevere road, continuing along the Aimla–Tuudevere road to the Võivaku–Kuhjavere road; from the intersection along the Võivaku–Kuhjavere road to the Imavere–Viljandi road, continuing along the Imavere–Viljandi road to the Navesti River.

25) The border **of the Vambola charter hunting area** goes from the intersection of the Kärstna–Raasilla road and the Pahuvere–Mustla road along the Pahuvere–Mustla road to Mustla; from Mustla along the Viljandi–Pikasilla road to the Tarvastu river and along the river Soe–Väluste road; further along the Soe–Väluste road to the Laurimaa uudissaa road, continuing along the uudissaa road to the Tarvastu river and along the river Võrtsjärv; from there along the shore of Võrtsjärv to the Lohu-1 farm port road and along the port road to the Kivilõppe–Järveküla road; from here along the Kivilõppe–Järveküla road to the Paabu–Järveküla road and along the Paabu–Järveküla road to Anniojan; further along Annioja to the Viljandi–Pikasilla road and along the Paabu–Moori–Armese road, continuing along the Armese road to the Armese farm; from there along the Armese–Kurtuse ditch to the Roosilla–Nuki road and along the Roosilla–Nuki road to the Rähma road; from the road junction along the Rähma road to the Koguli main ditch and along the main ditch to the Viljandi county border, continuing along the Viljandi county border to the eastern edge of the Laug field; from there along the eastern edge of the Laug field to the Suislepa–Kärstna power line route, continuing along the power line route to the Nahke stream and along the Nahke stream to the Purgi stream; then along the Purgi stream to the Kärstna–Raasilla road and along the Kärstna–Raasilla road to the Pahuvere–Mustla road. 26) [Repealed by RT I, 22.12.2015, 29 - entry into force 25.12.2015]
