**Approved by Regulation No. 34  
of 27 April 1998 of  
the Minister of Environment**

### **Procedure for Informing Holders of Real Estate on National Water Monitoring Activities**

1. Holders of real estate whose land lot a monitoring site is located on, shall be informed about the location of the monitoring site and the monitoring activities carried out therein by the responsible executor of the relevant monitoring programme.
2. Holders of real estate shall be informed by means of a written notification about:
  1. the name, position and address of the person carrying out monitoring activities;
  2. the time period of carrying out the monitoring activities;
  3. facilities on the monitoring site and the area needed for carrying out monitoring activities at such facilities;
  4. required access (path, trail) to the monitoring site located at the real estate.
1. The notification for a holder of real estate shall be drawn up in two copies one of which shall remain with the holder of real estate and the other with the responsible executor of the relevant monitoring programme. The holder of real estate shall sign the copy

remaining with the responsible executor of the relevant monitoring programme, confirming receipt of the notification.

2. A holder of real estate, upon his or her request, shall be informed about the results of monitoring carried out in the real estate. The responsible executor of the relevant monitoring programme shall be responsible for providing the information requested.
