

List of agricultural products in the case of which imposing production quota may prove to be necessary ¹

Government of the Republic Regulation No. 339 of 12 November 2002

The regulation shall be laid down on the basis of article 1 of § 109 ¹ of the Rural Development and Agricultural Market Regulation Act (RT I 2000, 82, 526; 2001, 42, 235; 88, 531; 2002, 16, 93; 56, 352).

For the purpose of restricting the surplus production of agricultural products, avoiding decrease of their market prices or performing the obligations taken with international agreements the production of the following agricultural products may be quantitatively restricted by imposing production quotas:

- 1) raw milk;
- 2) bovine animals;
- 3) sheep;
- 4) grain and legumes, rape, turnip rape, seed and fiber flax;
- 5) certified seed.
