WHEREAS, although the natural guassa, plants and wildlife of the Menz Guassa area had been conserved as of the times of the previous regimes, as the very existence of the guassa and the wildlife is, now a days, exposed to danger due to the increment of the amount of people and tame animals, it is henceforth necessary to render it legal recognition and bequeath same to the posterity in the form of heritage by protecting and developing it in a sustainable way;

WHEREAS, it has been necessary to maintain the privalence of healthy ecosystem in the area by conserving the afro-alpine ecosystem which is a source of more than 26 rivers and prone for both soil erosion and degradation of natural resources thereto;

WHEREAS, it has, being aware of the fact that the place is a sanctuary for the endangered species of wild animals, plants and birds which are solely endemic to our country, been appropriate to create a legal setting for the Menz Guassa Community Conservation Area situated in the Menz Gera Meder Woreda of the North Shoa Zonal Administration, falling under the collective land holding of the community and thereby found to have fulfilled the essential requirements as well as get it administered under the authority of the community and the governmental body competent, by delimiting its boundaries thereof;

NOW, THEREFORE, the Council of the Amhara National Regional Government, pursuant to the powers vested in it under the provisions of Art. 58 Sub Art. 7 of the Revised Constitution of the Regional State and Art. 35 of the Executive Organ's Reestablishment and Determination of their Powers and Duties
