

10/1 (1950) L. 148

RULES
ISSUED PURSUANT TO
THE PUBLIC HEALTH PROCLAMATION, 1947

These Rules are issued by the Minister of Public Health pursuant to authority vested in him by Article 15 (i) of the Public Health Proclamation, 1947 (No. 91, 1947).

1. This legal Notice may be cited as the "Municipal Public Health Rules 1950, issued with regard to refuse".

2. All persons, shops and establishments shall either deposit their garbage daily in the municipal garbage and refuse bins, or shall store such garbage upon their premises in containers until it is collected by the municipal garbage collectors. Containers for storing garbage shall be of a smooth impervious material which is easy to maintain in a clean and sanitary condition and shall be so maintained. Containers for storing garbage shall have tightly fitting lids. Both containers and lids shall be so constructed as to exclude flies and rats from the garbage. Garbage is defined to include wastes from the preparation and consumption of foods.

3. No person shall permit the accumulation upon his premises of any putrescible material which may breed flies.

Done at Addis Ababa this 30th day of September, 1950.
