(2003/458/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 91/67/EEC of 28 January 1991 concerning the animal health conditions governing the placing on the market of aquaculture animals and products ⁽¹⁾, as last amended by Regulation (EC) No 806/2003 ⁽²⁾, and in particular Articles 5 and 6 thereof,

Whereas:

(1) In order to obtain, for the fish diseases viral haemorrhagic septicaemia (VHS) and infectious haematopoietic necrosis (IHN), the status of approved zone and of approved fish farm situated in a non-approved zone, Member States shall submit the appropriate justifications and the national rules ensuring compliance with the conditions laid down in Directive 91/67/EEC.

(2) Commission Decision 2002/308/EC ⁽³⁾, as last amended by Decision 2003/114/EC ⁽⁴⁾, establishes the lists of approved zones and approved fish farms situated in non-approved zones with regard to certain fish diseases.

(3) France, Germany, Italy, and Spain have submitted the justifications for obtaining the status of approved zone in their territories with regard to VHS and IHN. The documentation provided shows that those zones meet the requirements of Article 5 of Directive 91/67/EEC. They therefore qualify for the status of approved zone and should be added to the list of approved zones.

(4) Austria, Denmark, France, Germany, and Italy have submitted the justifications for obtaining the status of approved farm in non-approved zone for farms in their territories with regard to VHS and IHN. The documentation provided shows that those farms meet the requirements of Article 6 of Directive 91/67/EEC. They therefore qualify for the status of approved farm in a non-approved zone and should be added to the list of approved farms.

(5) Germany has informed the Commission of a positive identification of VHS in one farm with approved status as regards VHS and IHN. This farm should therefore be deleted from the list of farms approved with regards to VHS.

(6) Decision 2002/308/EC should therefore be amended accordingly.
