**CHAPTER 187****ANIMALS AND PLANTS (PROTECTION OF  
ENDANGERED SPECIES)**

To restrict the importation, exportation and possession of certain animals and plants, and parts of such animals and plants, and to provide for matters connected therewith.

[6 August 1976]

*Originally 63 of 1976 — 46 of 1977, L.N. 128 of 1978, L.N. 347 of 1985, L.N. 213 of 1988, R. Ed. 1988, 25 of 1989*

**1. Short title**

This Ordinance may be cited as the Animals and Plants (Protection of Endangered Species) Ordinance.

**2. Interpretation**

(1) In this Ordinance, unless the context otherwise requires—

“advertisement”, in relation to any scheduled species or controlled medicine, means any label, paper, wrapper, notice, poster or circular which describes, makes reference or otherwise alludes to, that scheduled species or that controlled medicine, as the case may be, whether directly or indirectly, whether in writing in any language, diagrammatically, pictorially or by the use of symbols or photographs or in any combination thereof and whether or not the common name or the scientific name or both the common name and the scientific name of any scheduled species appears in that advertisement; (*Added 25 of 1989 s. 2*)

“animal” means any form of animal life whether alive or dead;

“animal part” means any readily recognizable part or derivative of an animal;

(*Added 25 of 1989 s. 2*)

“authorized officer” means a—

(a) member of the Customs and Excise Service; or (*Amended 46 of 1977 s. 18*)

(b) public officer authorized by the Director under section 3;

“controlled medicine” means any medicine which contains, or is claimed, represented or held out by any person, by advertisement or otherwise, to contain any part or derivative, whether readily recognizable or not, of any animal specified in column 2 of Schedule 5; (*Added 25 of 1989 s. 2*)

- 
- “Director” means the Director of Agriculture and Fisheries, the Deputy Director of Agriculture and Fisheries or an Assistant Director of Agriculture and Fisheries;
- “export” means to take, or cause to be taken, out of Hong Kong otherwise than in transit;
- “import” means to bring, or cause to be brought, into Hong Kong otherwise than in transit;
- “medicine” means any kind of medicament, tonic, drug, stimulant, prophylactic or other substance of powder, whether a proprietary medicine, a patent medicine or a natural remedy or treatment which has, produces or creates, or is claimed, represented or held out by any person, by advertisement or otherwise, to have, produce or create, a curative, remedial or preventative effect; (*Added 25 of 1989 s. 2*)
- “member of the Customs and Excise Service” means a person holding an office specified in Schedule 1 to the Customs and Excise Service Ordinance (Cap. 342); (*Amended 46 of 1977 s. 18*)
- “plant” means a live or dead plant and any readily recognizable part or derivative of a plant;
- “relevant authority” means any person or organization designated as a relevant authority by the government of a place outside Hong Kong who or which has authority or is otherwise competent to grant or issue any licence, permit, certificate or other document permitting the holder thereof to take, or cause to be taken, out of that place—
- (a) any scheduled species or controlled medicine which is intended to be taken out of that place; or
  - (b) any scheduled species or controlled medicine deemed under section 2A to be in transit from that place; (*Added 25 of 1989 s. 2*)
- “scheduled animal” means an animal specified in column 2 of Schedule 1;
- “scheduled animal part” means an animal part or derivative specified in column 3, of an animal specified in relation to that part or derivative in column 1, of Schedule 2; (*Amended 25 of 1989 s. 2*)
- “scheduled plant” means a plant specified in column 2 of Schedule 3; (*Amended 25 of 1989 s. 2*)
- “scheduled species” means a scheduled animal, a scheduled animal part or a scheduled plant.
- (2) (*Repealed 25 of 1989 s. 2*)

## **2A. In transit**

- (1) For the purposes of this Ordinance, an animal (other than a live animal), animal part or plant, or a medicine, as the case may be, shall be deemed to be in transit if—

- 
- (a) it is brought into Hong Kong from a place outside Hong Kong solely for the purpose of taking it out of Hong Kong; and
- (b) it is accompanied by a valid licence, permit, certificate or other document granted or issued by a relevant authority; and
- (c) it—
- (i) remains at all times in the vessel, aircraft, train or vehicle in which it is brought into Hong Kong; or
  - (ii) is removed from the vessel, aircraft, train or vehicle in which it is brought into Hong Kong and is either returned to the same vessel, aircraft, train or vehicle or is transferred directly to another vessel, aircraft, train or vehicle prior to its being despatched to a place outside Hong Kong, and is placed in the possession or under the control of the Director or an authorized officer while being so removed, returned or transferred; or
  - (iii) is removed from the vessel, aircraft, train or vehicle in which it is brought into Hong Kong and is placed in the possession or under the control of the Director or an authorized officer for any reasonable period prior to its being despatched to a place outside Hong Kong.
- (2) Subject to subsection (3), for the purposes of this Ordinance, a live animal shall be deemed to be in transit if—
- (a) at least 3 working days prior to the date of the expected arrival of the vessel, aircraft, train or vehicle in which that live animal is to be brought into Hong Kong, the Director receives a notification made to him in writing—
    - (i) providing a description and particulars of that animal;
    - (ii) stating the intended date on which that animal is to be brought into Hong Kong; and
    - (iii) providing such particulars and other information of the vessel, aircraft, train or vehicle in which that animal is to be brought into Hong Kong so as to enable the Director to locate that vessel, aircraft, train or vehicle immediately upon its arrival in Hong Kong; and
  - (b) the requirements of subsection (1)(a), (b) and (c) are complied with to the satisfaction of the Director.
- (3) The Director may, by notice published in the Gazette, specify in respect of any scheduled species or description of scheduled species generally or for any purpose or by reference to any special circumstances a number of working days in substitution for the number of working days referred to in subsection (2)(a).

*(Added 25 of 1989 s. 3)*

**2B. Articles deemed to be scheduled species  
or controlled medicines**

For the purposes of this Ordinance—

- (a) any article or object (including any article or object contained in any receptacle) which is claimed, represented or held out by any person, by advertisement or otherwise, to be a scheduled species; or
- (b) any medicine (including any medicine contained in any receptacle) which is claimed, represented or held out by any person, by advertisement or otherwise, to be a controlled medicine,

shall be deemed to be such a scheduled species or a controlled medicine, as the case may be.

*(Added 25 of 1989 s. 3)*

**3. Appointment of authorized officers**

The Director may in writing authorize any public officer to exercise any of the powers and perform any of the duties conferred or imposed on an authorized officer by this Ordinance.

**4. Restriction on import of scheduled species**

(1) Subject to section 18, no person shall, except under and in accordance with a licence issued under section 7(1), on his own behalf or on behalf of any other person, import any scheduled species or controlled medicine.

(2) Any person who contravenes subsection (1) shall be guilty of an offence and shall be liable on conviction to a fine of \$25,000 and in the case of a second or subsequent offence shall be liable to a fine of \$50,000 and to imprisonment for 6 months.

*(Amended 25 of 1989 s. 4)*

**5. Restriction on export of scheduled species**

(1) Subject to section 18, no person shall, except under and in accordance with a licence issued under section 7(1), on his own behalf or on behalf of any other person, export any scheduled species or controlled medicine.

(2) Any person who contravenes subsection (1) shall be guilty of an offence and shall be liable on conviction to a fine of \$25,000 and in the case of a second or subsequent offence shall be liable to a fine of \$50,000 and to imprisonment for 6 months.

*(Amended 25 of 1989 s. 5)*

**6. Restriction on possession of scheduled species**

(1) Subject to section 18, no person shall, except under and in accordance with a licence issued under section 7(1), have in his possession or under his control any scheduled species or controlled medicine.

---

(2) Any person who contravenes subsection (1) shall be guilty of an offence and shall be liable on conviction to a fine of \$25,000 and in the case of a second or subsequent offence shall be liable to a fine of \$50,000 and to imprisonment for 6 months.

*(Amended 25 of 1989 s. 6)*

#### **7. Issue and renewal of licences**

(1) The Director may, on application made to him in the specified form and on payment of the fee prescribed in Schedule 4, issue a licence to import, export or possess any scheduled species or controlled medicine.

(2) A licence issued under subsection (1) shall—

- (a) be in the specified form;
- (b) specify the name and address of the holder of the licence;
- (c) specify the quantity and description of the scheduled species or controlled medicine;
- (d) specify the conditions, if any, subject to which it is issued; and
- (e) in the case of a licence authorizing the import or export of any scheduled species or controlled medicine, also specify the period within which the importation or exportation shall be effected.

(3) The Director may, on application to him and payment of the fee prescribed in Schedule 4, renew a licence to possess a scheduled species or controlled medicine, extend the period within which importation or exportation of any scheduled species or controlled medicine is required to be effected, or otherwise vary a licence issued under subsection (1).

*(Amended 25 of 1989 s. 7)*

#### **7A. Furnishing false information**

(1) Any person who in an application for a licence under section 7(1) furnishes any information which he knows or has reason to believe to be false in any material particular or misleading by reason of the omission of any material particular or furnishes any information as true and accurate information without any belief in the truth or accuracy of the information supplied shall be guilty of an offence and shall be liable on conviction to a fine of \$10,000.

(2) Any person who claims, represents or holds out, by advertisement or otherwise, that—

- (a) any article or object is a scheduled species; or
- (b) any medicine is a controlled medicine,

without any belief in the truth of the claim, representation or holding out shall be guilty of an offence and shall be liable on conviction to a fine of \$10,000.

*(Added 25 of 1989 s. 8)*

## 8. Cancellation of licence

(1) The Director may at any time cancel a licence issued under section 7(1) if—

- (a) any condition of the licence is contravened; or
- (b) the Director is satisfied that the licence was issued as a result of a false representation of any fact or unlawful act of the applicant.

(2) Where the Director cancels a licence under subsection (1), he shall forthwith notify the holder of the licence and shall state the reason therefor.

(3) Where the Director has notified the holder of a licence under subsection (2) of the cancellation of his licence, the holder of the licence shall forthwith surrender the licence to the Director.

(4) Any holder of a licence who without reasonable excuse fails to comply with subsection (3) shall be guilty of an offence and shall be liable on conviction to a fine of \$10,000. (*Amended 25 of 1989 s. 9*)

## 9. Production of licence

(1) An authorized officer may require any person who has in his possession or under his control—

- (a) any scheduled species; or
- (b) any controlled medicine; or
- (c) any receptacle which is claimed, represented or held out by any person, by advertisement or otherwise, to contain any scheduled species or controlled medicine, as the case may be,

and for which scheduled species or controlled medicine a licence under section 7(1) is required, to produce that licence. (*Replaced 25 of 1989 s. 10*)

(2) Any person who without reasonable excuse fails to comply with a requirement under subsection (1) shall be guilty of an offence and shall be liable on conviction to a fine of \$10,000. (*Amended 25 of 1989 s. 10*)

## 10. Power to require information

(1) If the Director suspects that any animal, animal part or plant that is being or has been imported, or that is deemed under section 2A to be in transit, is a scheduled species, he may require any person who has the animal, animal part or plant in his possession or under his control to declare its common name and, if known to that person, its scientific name. (*Replaced 25 of 1989 s. 11*)

(1A) If the Director suspects that any medicine that is being or has been imported, or that is deemed under section 2A to be in transit, is a controlled medicine, he may require any person who has the medicine in his possession or under his control to declare the common name and, if known to that person, the scientific name of the scheduled species whose part or derivative, whether

readily recognizable or not, is contained, or is claimed, represented or held out by any person, by advertisement or otherwise, to be contained in that medicine. (*Added 25 of 1989 s. 11*)

(2) Any person who without reasonable excuse fails to comply with a requirement under subsection (1) or (1A) shall be guilty of an offence and shall be liable on conviction to a fine of \$5,000. (*Amended 25 of 1989 s. 11*)

#### **11. Powers of search, etc.**

(1) For the purposes of this Ordinance, an authorized officer may—

(a) stop, board and search any vessel (other than a ship of war), aircraft (other than a military aircraft), train or vehicle if he has reason to suspect that an offence under section 4, 5, 6 or 9 is being or has been committed in that vessel, aircraft, train or vehicle; or (*Amended 25 of 1989 s. 12*)

(b) stop and search any person, and search the property of any person, if he has reason to suspect that such person is committing or has committed an offence under section 4, 5, 6 or 9. (*Amended 25 of 1989 s. 12*)

(2) If it is shown to the satisfaction of a magistrate on information on oath in writing that there is in any place or premises any scheduled species or controlled medicine liable to seizure, or any thing, document or advertisement likely to be or to contain evidence of an offence under section 4, 5, 6 or 9, the magistrate may by warrant authorize any authorized officer to enter the place or premises, by force if necessary, and search the place or premises named in the warrant. (*Amended 25 of 1989 s. 12*)

(3) An authorized officer entering any place or premises under subsection (2) may take with him such persons as may be necessary, and on leaving any unoccupied place or premises which he has entered shall leave such place or premises as effectually secured against trespassers as he found them to be at the time of entry.

(4) Every warrant issued under subsection (2) shall continue in force until the purpose for which the entry is necessary has been satisfied.

(5) An authorized officer may seize, remove and detain at the owner's risk—

(a) subject to subsection (7), any scheduled species or controlled medicine liable to seizure; (*Replaced 25 of 1989 s. 12*)

(b) any receptacle in which the scheduled species or controlled medicine which is seized is contained, together with any handling or other device used for or in connection with such scheduled species or controlled medicine; (*Amended 25 of 1989 s. 12*)

(c) any food or drink accompanying an animal which is seized and, in the case of any food or drink so seized which is perishable, the

Director or authorized officer may cause the same to be sold or otherwise disposed of forthwith;

- (d) any thing, document or advertisement which appears to him to be or to contain evidence that an offence under section 4, 5, 6 or 9 has been committed. (*Amended 25 of 1989 s. 12*)

(6) For the purposes of this section, an animal, animal part or plant or a medicine, as the case may be, is liable to seizure—

- (a) if an authorized officer has reason to suspect that it is a scheduled species or a controlled medicine, as the case may be, which— (*Amended 25 of 1989 s. 12*)

- (i) is being or has been imported in contravention of section 4; or  
(ii) is being or is to be exported in contravention of section 5; or  
(iii) is possessed by or under the control of any person in contravention of section 6; or

- (b) on failure of a person, without reasonable excuse, to comply with a requirement under section 10(1) or (1A). (*Amended 25 of 1989 s. 12*)

(7) In the case of any live animal seized by an authorized officer under subsection (5)(a) and which it is impracticable by reason of its size, diet, normal habitat or for any other reasonable cause for the Director to keep in captivity or which is likely to die or be subjected to unnecessary suffering if it is so kept, the Director may cause the animal to be released, sold or otherwise disposed of forthwith or, in the case of any animal part or plant so seized which is perishable, the Director may cause the same to be sold or otherwise disposed of forthwith. (*Added 25 of 1989 s. 12*)

(8) The proceeds of sale of any thing sold by the Director or authorized officer under subsection (5)(c) or (7) shall be paid into general revenue. (*Added 25 of 1989 s. 12*)

## 12. Obstruction

Any person who obstructs an authorized officer exercising any power under section 11 shall be guilty of an offence and shall be liable on conviction to a fine of \$10,000 and to imprisonment for 6 months. (*Amended 25 of 1989 s. 13*)

## 13. Forfeiture

(1) Upon the conviction of any person for an offence under section 4, 5, 6 or 9, the scheduled species or controlled medicine seized under section 11(5)(a) in respect of which the offence was committed and any other article seized under section 11(5)(b), (c) or (d) shall, without further order, be forfeited to the Crown. (*Replaced 25 of 1989 s. 14*)

(2) Where a person who is prosecuted for an offence under section 4, 5, 6 or 9 is acquitted, the court may order the scheduled species or controlled medicine seized under section 11(5)(a) in respect of which the prosecution was brought and any other article seized under section 11(5)(b), (c) or (d)—

(a) to be released or returned to the person from whom it or they were seized or to the owner thereof; or

(b) to be forfeited to the Crown. (*Amended 25 of 1989 s. 14*)

(2A) Where any scheduled species or controlled medicine has been seized under section 11(5)(a) but no prosecution for an offence under section 4, 5, 6, 9 or 10 has been brought in respect of the scheduled species or controlled medicine so seized for whatever reason, the Director or authorized officer may apply to the court for an order in respect thereof and the court may order the scheduled species or controlled medicine and any other article seized under section 11(5)(b), (c) or (d)—

(a) to be released or returned to the person from whom it or they were seized or to the owner thereof; or

(b) to be forfeited to the Crown. (*Amended 25 of 1989 s. 14*)

(3) Where a person is prosecuted for an offence under section 10, the court may, whether or not the defendant is convicted, order the animal, animal part or plant or the medicine, as the case may be, seized under section 11(5)(a) in respect of which the prosecution was brought—

(a) to be released or returned to the person from whom it was seized or to the owner thereof; or

(b) to be forfeited to the Crown. (*Amended 25 of 1989 s. 14*)

(4) Any scheduled species or controlled medicine seized under section 11(5)(a) which is forfeited to the Crown under this section and any other article seized under section 11(5)(b), (c) or (d) and so forfeited, or any scheduled species or controlled medicine placed in the possession or under the control of the Director which is abandoned by its owner, or which appears to the Director to have been so abandoned, and any other article (of a type or category referred to in section 11(5)(b), (c) or (d)) in respect thereof and so abandoned, may be sold or otherwise disposed of in such manner as the Director thinks fit. (*Replaced 25 of 1989 s. 14*)

(5) The proceeds of sale of any thing sold by the Director under subsection (4) shall be paid into general revenue. (*Added 25 of 1989 s. 14*)

#### **14. Advisory Committee**

(1) The Governor may establish an Advisory Committee consisting of such members as he may appoint.

(2) The Advisory Committee shall advise the Director upon any question which he may refer to it in connection with the administration of this Ordinance.

**15. Director to specify forms**

The Director may specify any forms for the purposes of this Ordinance.

**16. Director and authorized officers to be subject to the Governor's directions**

(1) The Governor may give such directions as he thinks fit, either generally or in any particular case, with respect to the exercise or performance by the Director or an authorized officer, of any powers or duties under this Ordinance.

(2) The Director and every authorized officer shall, in the exercise or performance of any power or duty under this Ordinance, comply with any directions given by the Governor under subsection (1).

**17. Appeals to the Governor**

(1) Any person aggrieved by a decision of the Director under this Ordinance relating to—

- (a) the issue of a licence or any condition specified in a licence by the Director;
- (b) the refusal to issue a licence; or
- (c) the cancellation of a licence,

may, within 21 days after the date when he was informed of the decision or within such further period as the Governor may allow in any particular case, appeal by way of petition to the Governor.

(2) The Governor may on such appeal confirm, vary or reverse a decision of the Director.

(3) The decision of the Governor on such appeal shall be final.

**18. Exemptions**

The Governor may, by order published in the Gazette, exempt from sections 4, 5 and 6 any person or scheduled species or controlled medicine or group or description of persons or scheduled species or controlled medicines generally or for any purposes or by reference to any circumstances.

*(Amended 25 of 1989 s. 15)*

**19. Power to amend the Schedules**

(1) The Governor in Council may, by order published in the Gazette, amend any Schedule.

(2) Where at the commencement of an order amending Schedule 1, 2, 3 or 5 any person has in his possession or under his control any scheduled species or

controlled medicine in respect of which, prior to the commencement, there was under section 6 no requirement for a licence, that section shall come into operation in respect of such scheduled species or controlled medicine with effect from a date which is 3 months after the commencement of the order.
