NOTIFICATION

New Delhi, dated, the July 17, 2000

Ozone Depleting Substances (Regulation) Rules, 2000

S.O. 670 (E) - Whereas the draft Ozone Depleting Substances (Regulation) Rules, 2000 were published, under the notification of the Government of India in the Ministry of Environment and Forests number S.O. 69(E), dated, the 25th January, 2000, in the Gazette of India, Extra-ordinary, Part II, section 3, sub-section(ii) at pages 39-96 on the same date, inviting objections and suggestions from all persons likely to be affected thereby, before the expiry of the period of forty-five days from the date on which the copies of the Gazette containing the said notification are made available to the public;

And whereas copies of the said Gazette were made available to the public on 26.01.2000;

And whereas the objections and suggestions received from the public in respect of the said draft rules have been duly considered by the Central Government;

Now, therefore, in exercise of the powers conferred by sections 6, 8 and 25 of the Environment (Protection) Act, 1986, the Central Government hereby makes the following rules for regulating ozone depleting substances, namely :-

1.Short title and commencement.- (1) These rules may be called the Ozone Depleting Substances (Regulation and Control) Rules, 2000.

(2) They shall come into force on the date of their publication in the Official Gazette.

2.Definitions .- In these rules unless the context otherwise requires,

[a] "Act" means the Environment (Protection) Act, 1986 (29 of 1986);

(b)"authority" means an authority mentioned in columns (4) and (6) of Schedule V;

(c)"base level" means the quantity of ozone depleting substance produced or consumed, as the case may be, in the year or average of the years listed in column (3) of Schedule II and Schedule III;

(d)"consumption" with respect to any ozone depleting substance means the amount of that substance produced in India in addition to the amount imported, less the amount exported;

(e)"calculated level of production, sale, import or export", as the case may be, means level determined by multiplying quantity of the ozone depleting substance by its ozone depleting potential specified in column (5) of Schedule I;

(f)"calculated level of consumption" shall be determined by adding together calculated levels of production and imports and subtracting calculated level of exports;

(g) "Group" means collection of one or more ozone depleting substances as specified in column (4) of Schedule I;

(h)"manufacture" in relation to any ozone depleting substance includes-

(i)any process or part of a process for making, altering, finishing, packing, labelling, blending or otherwise treating or any ozone depleting substance with a view to sell, distribute or use but does not include the repacking or breaking up of any ozone depleting substance in the ordinary course of retail business; and

(ii) any process in which a preparation containing ozone depleting substance is formulated;

(i) "ozone depleting substance" means the ozone depleting substances specified in column (2) of Schedule I, whether existing by itself or in a mixture, excluding any such substance or mixture (blend) which is in a manufactured product other than a container used for the transportation or storage of such substance;

"parties" means, unless the text otherwise indicates, parties to the protocol;

(k) "pre-shipment applications" are those treatments applied directly preceding and in relation to export, to meet the phytosanitary or sanitary requirements of the importing country or existing phytosanitary or sanitary requirements of the exporting country;

"production" in relation to any ozone depleting substance means the manufacture of an ozone depleting substance from any raw material or feedstock chemicals, but does not include-

(i) the manufacture of a substance that is used and entirely consumed (except for trace quantity) in the manufacture of other chemicals; or

(ii) quantities which are produced incidentally in the manufacture of other chemical substances; or

(iii) quantities which are recycled or reused; or

(iv) quantities which are destroyed by technologies to be specified by the Central Government;

(m) "protocol" means the Montreal Protocol On Substances That Deplete The Ozone Layer, adopted on 16th September 1987;

(n) "quarantine applications", with respect to Group VIII of Schedule I ozone depleting substance, are treatments to prevent the introduction, establishment and or spread of quarantine pests (including diseases), or to ensure their control as specified by the Central Government;

(o) "recovery" means collection and storage of ozone depleting substances from machinery, equipment, or containment vessel during servicing or prior to disposal;

(p) "reclamation" means reprocessing and upgrading of a recovered ozone depleting substance through such methods as filtering, drying, distillation and, or chemical treatment in order to restore the substance to a specified standard of performance.

(q) "schedule" means a schedule annexed to these rules.

3.Regulation of production and consumption of ozone depleting substances.- (1) No person shall produce or cause to produce any ozone depleting substance after the date specified in column (5) of Schedule V unless he is registered with the authority specified in column (4) of that Schedule :

Provided that for the twelve month period commencing on the date specified in column (6) of Schedule II, and in each twelve month period thereafter, no person shall produce or cause to be produced any group of ozone depleting substances in excess of the corresponding percentage of his calculated base level of production specified in column (4) of that Schedule:

Provided further that calculated level of consumption of such substances in India shall, as a percentage of calculated level of consumption in base years does not exceed the number specified in column (5) of Schedule II.

(2) No person shall produce or cause to produce ozone depleting substances specified as Group I and Group III in column (4) of Schedule I during the period from 1, August, 2000 to 1st January, 2010 in excess of the quantity specified in column (4) of Schedule III and the calculated level of consumption of such substances in India shall as a percentage of calculated level of consumption in base year does not exceed the number specified in column (5) of that Schedule.

(3) A person having received financial assistance from the Multilateral Fund in accordance with article 10 and 10 A of the protocol to which the Central Government is a party for gradual reduction of production of

ozone depleting substances specified as Group I and Group III in column (4) of Schedule I shall, limit the production of ozone depleting substances as specified in Group I and Group III in column (4) of Schedule I in each year from 1st August, 2000 to January 1, 2010 to quantities specified in column (4) for each year given in column (6) of Schedule III as per the agreement approved, by the Executive Committee of the Multilateral Fund.

(4) In order to implement the agreement, referred to in sub-rule (3), the Central Government shall introduce implementation modalities, such as, quota system for producing Chlorofluorocarbons and the non-compliance with such modalities shall result in consequential penalties laid out in the agreement.

4. Prohibition on export to or import from countries not specified in Schedule VI.- No person shall import or cause to import from or export or cause to export to any country not specified in Schedule VI any ozone depleting substance after the commencement of these rules.

5. Ozone depleting substances are to be exported to or imported from countries specified in Schedule VI under a licence.- (1) No person shall import or cause to import from or export or cause to export to, any country specified in Schedule VI, any ozone depleting substance unless he obtains a licence issued by the authority.

(2) No licence shall be issued under sub-rule (1) unless the said authority is satisfied that the grant of licence shall not cause calculated level of consumption of that group of ozone depleting substances (except Group I and Group III given in column (4) of schedule I in the relevant twelve month period, as a percentage of corresponding calculated consumption in base years, to exceed the number specified in column (5) of Schedule II.

(3) No licence shall be issued under sub rule (1) unless the said authority is satisfied that the grant of licence shall not cause calculated level of consumption of ozone depleting substance given in Group 1 and III in column (4) of Schedule I in the relevant twelve months period as specified in column (6) of Schedule III, as a percentage of calculated consumption in base years to exceed the number specified in column (5) of that Schedule.

(4) The calculated base level of consumption and the calculated base level of production for India as a whole for each group of ozone depleting substances shall be notified by the Central Government.

6. Regulation of the sale of ozone depleting substances.- (1) No person shall either himself or by any other person on his behalf or enterprise sell, stock or exhibit for sale or distribute any ozone depleting substance after the date specified in column (5) of Schedule V unless he is registered with the authority specified in column (4) of that Schedule

Provided that no person or enterprise shall sell ozone depleting substances specified in column (3) of Schedule IV for activities specified in column (2) of that Schedule unless the person engaged in that activity has got himself registered with the authority and has given a declaration in accordance with these rules and the person selling ozone depleting substances has verified particulars of the registration given in the declaration with the certificate of registration as per procedure specified in Part II of Schedule XII :

Provided further that after the date specified in column (4) of Schedule IV, no person or enterprise shall sell, stock, distribute or exhibit or cause to be sold, stocked, distributed or exhibited ozone depleting substances specified in column (3) for activities specified in column (2) of that Schedule.

(2) No person shall either himself or by any person on his behalf, or enterprise sell, stock or exhibit for sale or distribute any ozone depleting substance to any person or enterprise who has informed the Central Government that he or that enterprise shall not use the specified ozone depleting substances in manufacturing or other activities after the date specified by such person or as the case may be, the enterprise.

(3) The Central Government shall notify the list of persons, ozone depleting substances and dates informed to it under sub-rule (2).

7. Regulation on the purchase of ozone depleting substances.- No person shall either himself or by any person on his behalf or enterprise, purchase ozone depleting substances specified in column (3) of Schedule IV from any person for making stock or for using such ozone depleting substances for activities specified in

column (2) of that Schedule unless he has given the declaration specified in Part I of Schedule XII to the seller of such substances within the time period specified in Serial number 4 of column (5) of Schedule V.

8. Regulation on the use of ozone depleting substance.- (1) No person or enterprise shall engage in any activity specified in column (2) of Schedule IV that uses ozone depleting substances specified in column (3) of that Schedule after the date specified in column (5) of Schedule V unless he is registered with the authority specified in column (4) of that Schedule.

(2) No person shall engage in any activity specified in column (2) of Schedule IV using ozone depleting substances specified in column (3) of that Schedule after the date specified in column (5) of Schedule V unless the products are labelled to indicate the ozone depleting substance they contain.

(3) No person shall engage in any activity specified in column (2) of Schedule IV using ozone depleting substances specified in column (3) after the date specified in column (4) of that Schedule

(4) No person shall engage in any activity specified in column (2) of Schedule IV without using label indicating absence of use of ozone depleting substance mentioned in column (3) after the date specified in column (4) of that Schedule.

(5) A person, having received financial and technical assistance from the Multilateral Fund in accordance with the Article 10 and 10 A of the Montreal Protocol On Substances That Deplete The Ozone Layer, to which the Central Government is a Party for phasing out of ozone depleting substances specified in column (2) of Schedule II used in activities specified in column (2) of Schedule IV, either himself or by any person on his behalf or through any enterprise, shall not engage in such activity as specified in column (2) of Schedule IV using ozone depleting substances specified in column (3) of the Schedule, after the date of completion of the conversion work or signing of the Handing Over Protocol, or the submission of the completion report to change from ozone depleting substance technology to non ozone depleting substance technology and the said date be registered with the authority specified in column (4) of the Schedule V.

(6) Any person or enterprise having received, financial assistance from the Multilateral Fund in accordance with the Article 10 and 10 A of the Montreal Protocol On Substances That Deplete The Ozone Layer shall submit an affidavit or declaration with the authority specified in column (4) of Schedule V stating that replaced equipment, resulted from completion of conversion process from ozone depleting substance technology to non ozone depleting substance technology, have been destroyed, dismantled, rendered unusable and that no ozone depleting substance should be used after the date of the completion of project and the said date be registered with the authority specified in the column (4) of the Schedule V

9. Prohibition on new investments with ozone depleting substances.- (1) No person shall establish or expand or cause to establish or expand any manufacturing facility for production of any ozone depleting substance after the date specified in column (7) of Schedule II and III.

(2) No person shall establish or expand or cause to establish or expand any manufacturing facility, with a view to manufacturing products which contain, or are made with, any ozone depleting substance after the date specified in column (8) of Schedule II & III.

(3) A person having received financial and technical assistance from the Multilateral Fund in accordance with the Article 10 and 10A of the Montreal Protocol On Substances That Deplete The Ozone Layer for phasing out of ozone depleting substances specified in column (2) of Schedule II used in activities specified in column (2) of Schedule IV to which the Central Government is a Party, shall not establish or expand

or cause to establish or expand the manufacturing facility for production of any ozone depleting substance or with a view to manufacturing products which contain or are made with any ozone depleting substances after the approval of the project for conversion and date of completion of the conversion work from the ozone depleting substance technology to non ozone depleting substance technology.

10. Regulation of import, export and sale of products made with or containing ozone depleting substances.- (1) No person shall import or cause to import any product specified in column (2) of Schedule VII which are made with or contain ozone depleting substances specified in column (3) after the date specified in column (4) of that Schedule unless he obtains a license issued by the authority:

Provided that such products which do not contain such ozone depleting substances shall carry a label to that effect before its import is allowed after the date specified in Column 4 of Schedule VII.

(2) No person or enterprise shall export or cause to export any product specified in column (2) of Schedule VII unless such product carries a label specifying whether or not the product has been made with or contains, as the case may be, ozone depleting substances specified in column (3) of that Schedule, after the date specified in column (5) of that Schedule.

(3) No person shall either himself or by any other person or enterprise on his behalf sell, stock or exhibit for sale or distribute any product resulting out of activities, or provide services, specified in column (2) of Schedule IV using ozone depleting substances specified in column (3) after the date specified in column (4) of that Schedule.

11.Regulation on reclamation and destruction of ozone depleting substances.- (1) No person shall reclaim or cause to reclaim any ozone depleting substance after the date specified in column (5) of Schedule V unless he has registered with the authority specified in column (4) of that Schedule.

(2) No person shall destroy or cause to destroy any ozone depleting substance after the date specified in column (5) of Schedule V unless he has registered with the authority specified in column (4) of that Schedule.

12.Regulation on manufacture, import and export of compressors.- (1) No person shall manufacture, import or export compressors after the date specified in column (5) of Schedule V unless he is registered with the authority specified in column (4) of that Schedule.

13.Procedure for registration, cancellation of registration and appeal against such orders.- (1) The procedure for registration and conditions of registration under various provisions of these rules shall be as specified in Schedule IX.

(2) The registering authority shall not register if he is not satisfied that the procedure for registration or conditions of registration are fulfilled.

(3) The registering authority shall cancel the registration if he is satisfied that condition(s) of registration have been violated.

(4) The registering authority shall give the concerned person an opportunity of being heard before passing orders under sub-rules (2) and (3) and the orders shall be made in writing.

(5) An appeal against an order of the registering authority shall lie with the authority specified in column (6) of Schedule V within thirty days of communication of such order.

(6) The registration shall be valid for the period specified in Schedule IX and its renewal shall be necessary.

(7) The procedure for and conditions of renewal of registration shall be the same as applicable to registration.

14.Monitoring and reporting requirements.- (1) Every person who produces, imports, exports or sells any ozone depleting substance shall maintain records and file reports in the manner specified in Part I of Schedule X.

(2) Every person stocking or purchasing any ozone depleting substance for use in activities specified in column (2) of Schedule IV shall maintain records and file reports in the manner specified in Part II of Schedule X.

(3) Every person who has received technical or financial assistance from any international organisation or any financial assistance, which includes concession or exemption from payment of duties, from the Central Government, shall maintain records and file reports in the manner specified in Part III of Schedule X and the list of such persons shall be notified by the Central Government.

(4) Every person who has facility to reclaim an ozone depleting substance shall maintain records and file reports in the manner specified in Part IV of Schedule X.

(5) Every person who has facility to destroy any ozone depleting substance shall maintain records and file reports in the manner specified in Part V of Schedule X.

(6) Every person who manufactures, imports, exports or sells compressors shall maintain records and file reports in the manner specified in Part VI of Schedule X.

(7) The records maintained in accordance with the above sub-rules shall be made available for inspection as specified in Part VII of Schedule X.

15. **Exemption.**- (1) Nothing contained in these rules shall apply to applications or circumstances specified in Schedule VIII.

Note: 1. S No.. 2, column (2) products include insulating material of the product.

2. All products mentioned above are excluded from the purview of this Schedule when transported in Consignments of personal or household effects or in similar non-commercial situations normally exempted from customs attention.

SCHEDULE -- VIII

[See rule 15]

Exemption

Use of Methyl Bromide, the ozone depleting substance covered in Group VIII of Schedule I, in quarantine and pre-shipment applications.

Ozone depleting substance which are used in laboratory or for analytical purposes subject to following conditions :-

laboratory uses include equipment calibration; use as extraction solvents, diluents, or carriers for chemical analysis; biochemical research ; inert solvents for chemical reactions, as a carrier or laboratory chemical and other critical analytical and laboratory purposes.

ozone depleting substances should have been manufactured to the following purities:

CTC (reagent grade)	99.5
1, 1, 1-trichloroethane	99
CFC-11	99.5
CFC-13	99.5
CFC-12	99.5
CFC-113	99.5
CFC-114	99.5
Other w Boiling P > 20oC	99.5
Other w Boiling P < 20oC	99

c. these pure ozone depleting substances can be subsequently mixed by manufacturers, agents, or distributors with other chemicals, as is customary for laboratory and analytical uses.

these high purity ozone depleting substance and mixtures containing ozone depleting substances shall be supplied only in re-closable containers or high pressure cylinders smaller than three litres or in 10 millilitre or smaller glass ampoules, marked clearly as ozone depleting substances, restricted to laboratory use and analytical purposes and specifying that used or surplus ozone depleting substances should be collected and recycled, if practical. The ozone depleting substances should be destroyed if recycling is not practical.

Import, export, and production of Group IV, Schedule I ozone depleting substances is excluded from the definition of consumption if such imports and production meant to be used in manufacture of ozone depleting substances specified in Group I of Schedule I.

Import and export of any recovered or reclaimed ozone depleting substances is excluded from the definition of consumption.

Sub-rule (1) of rule 10 shall not apply to non-commercial sale of products which have been used for at least one year.

Any rule in public interest with specific approval of the Central Government.

(vii) Use of Group II substances of Schedule I for essential critical application shall as Defence Air Craft, Battle tank and Aviation Industries to be certified by an essential use panel.

SCHEDULE -- IX

[See rule 13(1), 13(6)]

Part I

Procedure for Registration

Application for registration of producers of ozone depleting substances under sub-rule (1) of rule 3 shall be made in Form 9 of Schedule XI.

Application for registration of sellers of ozone depleting substances under sub- rule (1) of rule 6 shall be made in Form 10 of Schedule XI

Application for registration of persons under sub- rule (1) of rule 8 shall be make in Form 11 of Schedule XI.

Application for registration of persons reclaiming ozone depleting substances under sub-rule (1) of rule 11 shall be made in Form 14 of Schedule XI.

Application for registration of persons destroying ozone depleting substances under sub-rule (2) of rule 11 shall be made in Form 14 of Schedule XI.

Application for registration of persons manufacturing, importing or exporting compressors shall be made in Form 13 of Schedule XI.

A Certificate of Registration shall be issued by the registering authority to those persons who have been registered in accordance with these rules.

The Certificate of Registration shall contain the following information: -

Name of registering authority.

Registration number.

Information contained in application for registration (excluding enclosures).

Signature and seal of registering authority.

Part II

Conditions of Registration/Renewal

The "Certificate of Registration" shall be kept at the "Registered Office" and shall be produced at any reasonable time on reproduced at any reasonable time on request before an Officer of the concerned authority no below in rank to a Section Officer to the Government of India or, in respect of registration under sub-rule (1) of rule 6 an Assistant Manager in the concerned producing enterprise.

The registration shall not be done, and shall cease to be valid, if the person to be registered or registered is in violation of these rules.

Registration under sub-rule (1) of rule 6 shall also be subject to commercial decision of the authority mentioned in column (4) of Schedule V, excluding such registration in respect of ozone depleting substances specified in Group VIII of Schedule I.

Notwithstanding generality of provision of para 2 above, registration shall not be renewed unless the applicant has complied with all the reporting requirements under these rules.

Validity of registration under these rules shall be for a period of eighteen months from the date of registration. Its renewal can be done anytime after twelve months from the date of registration/renewal. The renewal will also be valid for eighteen months.

SCHEDULE X

[See rule 14(1), (2), (3), (4), (5), (6) & (7)]

Part 1

A. Records to be maintained

Records regarding production of ozone depleting substances

Dated records and related documents in respect of each producing plant, of --

The actual quantity of each ozone depleting substances produced;

the actual quantity of each ozone depleting substance used as feed stock; and

Information specified in 2(b) and 2(c) below. Records regarding sale and offer for sale of ozone depleting substances

Dated records and related documents in respect of --

the actual quantity of each ozone depleting Substances purchased

the actual quantity of each ozone depleting substances sold within India; the name and address of the recipient of the each shipment and the purpose for which ozone depleting substances was purchased by the recipient. These purpose to be maintained are:

Manufacture of Aerosols

Manufacture of foam products

Manufacture of fire extinguishers and fire extinguishers and fire extinguishing systems.

Manufacture of Mobile Air-conditioners

Manufacture of other Refrigeration and Air-conditioning products.

Solvents use

Exempted use

Selling

Others (please specify).

Records regarding exports of Ozone.

Dated records and related documents containing information in respect of each column of Form 3 or 4, as the case may be, of Schedule XI.

Records regarding imports of ozone depleting substances

Dated records and related documents containing information in respect of each column of Form 5 or 6, as the case may be, of Schedule XI.

Record and related document of regarding manufacture import and export of compressor.

(5) Dated records and related document containing information in respect of each column of form 12 or 13, as the case may be, of Schedule XI.

Declaration signed by the recipient in Form 12 of Schedule XI.

B. Reports to be submitted

Report on production of ozone depleting substances as per Form 1 of Schedule XI.

Report on imports of ozone depleting substances as per Form 2 of Schedule XI.

Report on exports of ozone depleting substances as per Form 3 of Schedule XI.

Report on sales of ozone depleting substances as per Form 4 of Schedule XI.

Reports mentioned in Sr. No.1 to 3 above shall be submitted to the Ministry of Environment and Forests. Report mentioned in Sr. 4 above shall be submitted the registering authority specified in column (4) of Schedule V, who will submit complied version of the reports, duly countersigned will also be submitted by such authority to the Ministry of Environment & Forests in hard copy as well as in floppy on request.

Part II

Records to be maintained

Records regarding purchase of ozone depleting substances for use in activities specified in column (2) of Schedule IV.

Dated records of

the actual quantity of each ozone depleting substances purchased from an Indian supplier and the name and address of the Indian supplier;

the actual quantity of each ozone depleting substances used separately for each plant and each activity.

Records to be submitted

Report on purchase of ozone depleting substances as per Form 5 of Schedule XI.

These reports shall be submitted to the concerned registering authority specified in column (4) of Schedule V, who will submit compiled version of the report to the Ministry of Environment & Forests. Individual reports will also be submitted by such authority to the Ministry of Environment & Forests on request.

Part III

Records to be maintained

Records regarding purchase of non-ozone depleting substances by beneficiary companies for use in manufacture of products.

Dated records and related documents in respect of:-

Actual quantity of each non-ozone depleting substances purchased and the name and address of supplier;

Actual quantity of each non-ozone depleting substances used in manufacturing operations separately for each plant and each manufacturing.

Reports to be submitted

(1) Report on use of non-ozone depleting substances by beneficiary companies as per Form 6 of Schedule XI.

(2) These reports shall be submitted to the concerned authority specified in column (4) of Schedule V, who will submit compiled version of the report to the Ministry of Environment & Forests. Individual reports will also be submitted by such authority to the Ministry of Environment & Forests on request.

Part IV

Records to be maintained

Records regarding reclamation

Dated records and related documents in respect of --

the actual quantity of each ozone depleting substances recovered; the name and address of the individual or company from which the ozone depleting substances is recovered and the name and address, if different of the site at which the ozone depleting substances is reclaimed;

the actual quantity of each ozone depleting substances reclaimed.

Reports to be submitted

Report on reclamation of ozone depleting substances as per Form 7 of Schedule XI.

These reports shall be submitted to the Ministry of Environment & Forests through the concerned registering authority specified in column (4) of Schedule V.

Part V

Records to be maintained

Records regarding destruction

Dated records of;

the actual quantity of each ozone depleting substances destroyed on the basis of destruction efficiency of the facility employed.

Reports to be submitted

Report on destruction of ozone depleting substances as per Form 8 of Schedule XI.

These reports shall be submitted to the Ministry of Environment & Forests through the concerned registering authority specified in column (4) of Schedule V.

Part VI

Records to be maintained

Records regarding manufacture, import and export of compressor:

Dated records and related documents containing information in respect of each column of Form 12 of Schedule XI.

Reports to be submitted

Report on manufacture, import, export and sale of compressor and use of refrigerants in compressors sold as per Form 12 of Schedule XI.

These reports shall be submitted to the concerned registering authority specified in column (4) of Schedule V, who will submit complied version of the report to the Ministry of Environment & Forests. Individual reports will also be submitted by such authority to the Ministry of Environment & Forests on request.

Part VII

Production of records

(1) Records being maintained pursuant to requirements of rule 13 shall be available for inspection at any reasonable time on request by an officer of the registering authority specified in column (4) of Schedule V, not below in rank to a Section Officer to the Government of India, However, persons who are engaged in selling any locally produced ozone depleting substances, except ozone depleting substances specified in Group VIII of Schedule I, shall make records available by inspection at any reasonable time on request by an

officer of the concerned producing enterprise not below in rank to Assistant Manager or on request by an officer of the Ministry of Environment & Forests not below in rank to a Section Officer.
