By observing :

OIE Terrestrial Animal Health Code of 2010 Chapter 2.7.12;

DECIDES :

To stipulate :

REGULATION OF THE AGRICULTURE MINISTER ON THE SUSPENDED IMPORT OF POULTRY AND POULTRY PRODUCTS FROM JAPAN AND SOUTH KOREA TO THE TERRITORY OF THE REPUBLIC OF INDONESIA.

Article 1

Suspending the import of poultry and poultry products from Japan and South Korea to the territory of the Republic of Indonesia.

Article 2

- (1) The import of poultry and poultry products from Japan to the territory of the Republic of Indonesia as referred to in Article 1 can be done if they have been shipped before November 29, 2010, evident from Bill of Lading.
- (2) The import of poultry and poultry products from South Korea to the territory of the Republic of Indonesia as referred to in Article 1 can be done if they have been shipped before December 9, 2010, evident from Bill of Lading.

Article 3

The import of poultry and poultry products from other countries through transit or transshipment in Japan and South Korea can be considered after a team has conducted a risk analysis study.

Article 4

The import of poultry products that have undergone the phases of process to inactivate Avian Influenza virus can be considered after a team has conducted a risk analysis study.

Article 5

The team of risk analysis study as referred to in Article 3 and Article 4 shall be formed by the Director General of Husbandry and Animal Health on behalf of the Agriculture Minister.

GOVERNMENT REGULATIONS

Article 6

The epidemic status of High Pathogenic Avian Influenza (HPAI) in Japan and South Korea shall be routinely evaluated once every 2 (two) weeks based on a report of the World Animal Health Information Database (WAHID) of OIE.

Article 7

This Regulation shall come into force as from the date of stipulation.

For public cognizance, this Ministerial Regulation shall be promulgated by placing it in the State Gazette of the Republic of Indonesia.
