

Minister of Agriculture's Decree  
N° 1/Kpts/Um/1/1975

on

The Conservation of the Riches of the Fish Resources of  
Indonesia

The Minister of Agriculture

Considering: a. that the utilization of the riches of the fish resources in a rational way and its conservation are essential factors in the development of fisheries;

b. that in connection with the above consideration it is necessary to enact the provisions on the conservation of the riches of the fish resources;

Bearing in mind:

1. the Law on coastal fishing (Staatsblad N° 144, 1927);
2. the Law N° 4 Prp, 1960;
3. the Government Decree N° 64 of 1957;
4. the Decree of the President N° 9 of 1973;
5. " " N° 44 of 1974;
6. " " N° 45 of 1974;

Enacts:

I Provision: In the matter of conservation of the riches found in the fish resources, in connection with the level of intensity of the fishing activities, it is foreseen to introduce measures concerning:

1. The areas/seasons in which fishing is out-of-bounds:

a. certain sea areas shall be declared out-of-bounds for one, several or all kinds of fishing activities;

b. seasonal prohibition in particular areas or in all the fishing areas for one, several or all kinds of fishing activities.

II Provision: The control of fishing activities, including:

a. the fixation of the types, size and number of allowed vessels;

b. the fixation of the size of nets and of the types of gear to be used;

c. the fixation of the share of fish catches.

Decree N°01/1/1975

III Provision: This decree comes into force on the date of its publication.

Enacted in Jakarta  
on the 2nd of January of 1975

The Minister of Agriculture

Prof.Dr.Ir.Toyib Hadiwijaya
