

**CONTROL OVER BREEDING AND DISTRIBUTION OF FOWLS**  
(Regulation of the Governor of the Province of Jakarta Capital Special Region No. 15/2007  
dated January 17, 2007)

**BY GRACE OF GOD THE ALMIGHTY**

**THE GOVERNOR OF THE PROVINCE OF JAKARTA CAPITAL SPECIAL REGION,**

**Considering:**

- a. that avian influenza constitutes a contagious disease attributable to virus H5N1 and infected by fowl, which can bring about death to sufferers;
- b. that since the number of avian influenza sufferers in Indonesia is the highest in the world, already declared as an extraordinary condition and in the Province of Jakarta Capital Special Region is one of the three regions recording the largest number of avian influenza cases on human, it is necessary to take promptly comprehensive controlling measures against the breeding and distribution of fowls;
- c. that based on the considerations as meant in letters a and b, it is necessary to stipulate a regulation of the Governor on Control over Breeding and Distribution of Fowls;

**In view of:**

1. Law No. 6/1967 on Animal Husbandry and Veterinary Basic Provisions;
2. Law No. 4/1984 on Contagious Disease Outbreak;
3. Law No. 23/1992 on Health;

(2) The veterinary certificate and special identity as meant in paragraph (1) is granted by Animal Husbandry, Fishery and Marine Service/Sub-Service without charge.

#### Article 4

Fowl breeding businesses in the Province of Jakarta Capital Special Region will be relocated gradually to places stipulated later by the Jakarta Provincial Government.

### CHAPTER III DISTRIBUTION OF FOWL

#### Article 5

Collecting, slaughtering and selling places of live fowls will be relocated gradually to places stipulated later by the Jakarta Provincial Government.

#### Article 6

Distributing traffic of live fowls coming into the Province of Jakarta Capital Special Region will be regulated later.

### CHAPTER IV CONTROL AND SUPERVISION

#### Article 7

Control over regulation of fowl breeding and distribution is executed by:

- a. Animal Husbandry, Fishery and Marine Service;
- b. Health Service;
- c. Public Peace, Order and Protection Service;
- d. Mayors and Regent of Administrative Regency.

#### Article 8

Supervision over regulation of fowl breeding and distribution is done jointly by working units of the related regional apparatus as meant in Article 7 and communities.

### CHAPTER V SANCTION

#### Article 9

Everybody violating the provisions in Article 2 paragraph (2) and Article 3 is subjected to sanction in

the form of the seizing of fowls for destruction and/or other sanctions in accordance with the provisions of legislation in force.

### CHAPTER VI TRANSITIONAL PROVISION

#### Article 10

Since the regulation is stipulated to overcome threat against safety of people in the Province of Jakarta Capital Special Region from avian influenza virus, legislation products and licensing related to breeding and distribution of fowls issued before the stipulation of this regulation are ignored or declared null and void provisionally until the threat against safety from avian influenza can be settled and/or further regulation is stipulated.

### CHAPTER VII CONCLUSION

#### Article 11

The regulation comes into force as from the date of promulgation.

For public cognizance, the regulation shall be promulgated by placing it in Regional Gazette of the Province of Jakarta Capital Special Region.
