### 2 Restrictions on the use of pots and traps in Les Minquiers

- (1) No person shall use, or cause to be used, for the purpose of fishing for sea fish in Les Minquiers, or leave in the sea within Les Minquiers –

  - (b) any pot, other than a pot with an entrance that is –
    - (i) straight and unobstructed,

    - (iii) made of rigid material, and
    - (iv) located in the top part of the pot; or
  - (c) any pot or trap that is so constructed that fish (other than molluscs), having entered it, cannot escape from it.

- (2) Paragraph (1) does not apply to an owner, master, or charterer, of a registered fishing boat (or a person acting on behalf of such a person), in respect of a pot to which paragraph (1)(b) would otherwise apply, if –
- (a) the Minister has under paragraph (3) authorized the use of the pot by the owner, master, or charterer and a person acting on behalf of such a person; and
  - (b) the pot has attached to it a tag, issued by a person authorized to do so by the Minister, specifying the registration number of the fishing boat and the year or years for which the pot tag is valid.
- (3) The Minister may, for the purposes of paragraph (2), authorize the use of a pot by an owner, master, or charterer, of a registered fishing boat, and a person acting on behalf of such a person, if the Minister is satisfied that the pot was used at Les Minquiers before 19th November 2005 by the owner, master, or charterer or a person acting on behalf of such a person.

### **3 Transitional provisions**
