MEDICINES (VETERINARY DRUGS) (JERSEY) ORDER 2011

THE MINISTER FOR HEALTH AND SOCIAL SERVICES, in pursuance of Articles 14(2) and 110 of the Medicines (Jersey) Law 1995¹, after consultation with the Minister for Economic Development and the Medicines Advisory Council and with such other organizations as appear to the Minister to be representative of interests likely to be substantially affected by the Order, orders as follows –

Commencement [[see endnotes](#)]

1 Importation of veterinary drug without product licence

- (1) The restriction imposed by Article 8(3) of the Medicines (Jersey) Law 1995² shall not apply where a veterinary drug is imported in compliance with the terms of an authorization issued by the Minister.
- (2) An authorization shall, subject to compliance with any conditions included under paragraph (3), authorize importation of any drug specified in the authorization –
 - (a) by any person within the class of persons specified in the authorization; or
 - (b) by the person to whom the authorization is issued.
- (3) An authorization may include conditions –
 - (a) as to the persons by whom any veterinary drug specified in it may be administered to an animal;
 - (b) as to the animals to which any veterinary drug specified in it may be administered;
 - (c) as to the purposes for which any veterinary drug specified in it may be administered;
 - (d) requiring the veterinary drug specified to have been authorized in a Member State, for use,

and such other conditions as the Minister considers necessary to monitor the use of any veterinary drug pursuant to the authorization and to protect the health and welfare of animals.

- (4) An authorization may be expressed to have effect indefinitely or for a specified period.
- (5) An authorization shall be in writing.
- (6) The Minister shall only exercise his or her powers under this Order if it appears to the Minister that –
 - (a) there is an urgent need to administer a veterinary drug in the treatment of animals for a disease or condition; and
 - (b) there is no suitable veterinary drug which has a product licence.
