THE MINISTER FOR THE ENVIRONMENT, in pursuance of Articles 7(1) and 32(2) of the Animal Health (Jersey) Law 2016¹, orders as follows –

1 Interpretation

In this Order, unless the context otherwise requires –

“animal or item” means an animal or item indicated in the second column of the table in the Schedule;

“Council Directive 97/78/EC” means Council Directive 97/78/EC of 18th December 1997 laying down the principles governing the organisation of veterinary checks on products entering the Community from third countries (O.J. No. L24 30.1.1998 page 9);

“member state” means a member State of the European Union.

2 Regulation of imports

- (1) Subject to this Order and despite anything to the contrary in the Diseases of Animals (Rabies) (Importation of Mammals) (Jersey) Order 2011², a person must not import into Jersey any animal or item indicated in the second column of the table in the Schedule from one or more countries indicated opposite in the third column of that table unless –
 - (a) the importation is within the exception specified opposite in the fourth column of that table; or
 - (b) the person is authorized to make the importation by a licence granted by the Minister.
- (2) A licence under this Order may –
 - (a) relate to any one animal or item that falls within a prohibition in the Schedule, or to more than one such animal or item;

-
- (b) be granted to a particular person, to persons of a class or to all persons; and
 - (c) be granted subject to conditions specified in the licence or unconditionally.
- (3) This Order does not limit the need to comply with the requirements of any other enactment that regulates the importation into Jersey of any animal or item.

3 Provision as to licences

- (1) If –
- (a) a person makes an importation under the authority of a licence under this Order (whether or not the person is named in the licence); and
 - (b) the importation is not within the relevant exception (if any) specified in the fourth column of the table in the Schedule,
- the person must comply with any conditions to which the licence is subject.
- (2) A licence granted under this Article may be revoked, suspended or varied at any time by the Minister.
- (3) The Minister must publish on a website maintained by the States of Jersey any licence granted under this Order that applies to all persons.

4 Enforcement

- (1) For the purpose of ensuring that the requirements of this Order, or any licence granted under this Order, are complied with an inspector may –
- (a) stop any person or vehicle; and
 - (b) carry out any search, check or inspection.
- (2) A person searching a person under this Article may not require a person to remove any of his or her clothing other than an outer coat, jacket, headgear, gloves and footwear.
- (3) A search of a person under this Order must be carried out by someone of the same sex.
- (4) An inspector may seize, or cause to be seized any animal or item that there is reason to believe has been landed in Jersey in contravention of this Order or any licence granted under this Order.
- (5) If an animal has been seized under paragraph (4), an inspector may, without affecting any proceedings arising from any such contravention, and subject to such conditions as the inspector thinks fit –
- (a) move the animal, or cause it to be moved, to such premises for such period as the inspector may direct; or
 - (b) export it from Jersey, or cause it to be exported.
- (6) The owner of an animal or item is liable for the cost of any action taken by an inspector under paragraph (4) or (5).

-
- (7) The Minister may arrange for the disposal of any animal or item landed in Jersey in contravention of this Order, or a licence granted under this Order, and may recover any expenses reasonably incurred in so doing from the owner of the animal or item as debt due to the Minister.
 - (8) This Article does not limit any power conferred on an inspector under the Animal Health (Jersey) Law 2016³.
 - (9) Nothing in this Article affects the powers of the officers of the Impôts to seize or detain as liable to forfeiture under the Customs and Excise (Jersey) Law 1999⁴ an animal or item landed in Jersey in contravention of this Order or to institute legal proceedings under that Law in respect of such contravention.

5 Saving

Any licence granted under the Diseases of Animals (Importation of Miscellaneous Goods and Animals) (Jersey) Order 2012⁵ that is still in force at the commencement of this Order is treated as having been granted under this Order.

6 Revocation
