

ENFORCEMENT DECREE OF THE FRAMEWORK ACT ON THE NATIONAL LAND

Presidential Decree No. 17809, Dec. 18, 2002
Amended by Presidential Decree No. 18067, Jul. 26, 2003
Presidential Decree No. 19513, Jun. 12, 2006
Presidential Decree No. 19563, Jun. 29, 2006
Presidential Decree No. 20486, Dec. 28, 2007
Presidential Decree No. 20736, Feb. 29, 2008
Presidential Decree No. 21671, Aug. 5, 2009
Presidential Decree No. 23820, May 30, 2012
Presidential Decree No. 24443, Mar. 23, 2013
Presidential Decree No. 25456, Jul. 14, 2014
Presidential Decree No. 25751, Nov. 19, 2014
Presidential Decree No. 26844, Dec. 31, 2015
Presidential Decree No. 26922, Jan. 22, 2016

Article 1 (Purpose)

The purpose of this Decree is to provide for matters delegated by the Framework Act on the National Land and other matters necessary to implement such delegated matters. *<Amended by Presidential Decree No. 20486, Dec. 28, 2007>*

Article 1-2 (Measurement and Evaluation of Sustainability of Management of National Land)

(1) The Minister of Land, Infrastructure and Transport or the head of a local government shall measure and evaluate the sustainability of management of the national land pursuant to Article 5-2 (5) of the Framework Act on the National Land (hereinafter referred to as the "Act") according to the indexes and standards under Article 5-2 (1) and (2) of the Act. *<Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>*

(2) If necessary, the Minister of Land, Infrastructure and Transport or the head of a local government may entrust a specialized agency with the measurement and evaluation of sustainability under paragraph (1). *<Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>*

(3) The Minister of Land, Infrastructure and Transport or the head of a local government may request the head of the related administrative agency to submit related materials necessary for the measurement and evaluation of sustainability under paragraph (1). *<Amended by Presidential Decree No. 20736, Feb. 29, 2008;>*

Presidential Decree No. 24443, Mar. 23, 2013>

(4) Where the Minister of Land, Infrastructure and Transport or the head of a local government measures and evaluates the sustainability of management of the national land pursuant to paragraph (1), he/she shall publicly announce the results thereof. <Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

Article 2 (Preparation of Guidelines for Developing Draft Plans by Jurisdiction, etc.)

(1) Where the Minister of Land, Infrastructure and Transport requests the head of a central administrative agency and a Special Metropolitan City Mayor, a Metropolitan City Mayor or a Do Governor (hereinafter referred to as "Mayor/Do Governor") to submit draft plans by jurisdiction pursuant to Article 9 (2) of the Act, he/she shall prepare guidelines for developing draft plans by jurisdiction and then furnish such guidelines to the Mayor/Do Governor. In such cases, the Minister of Land, Infrastructure and Transport shall have a prior consultation with the head of the competent central administrative agency before he/she determines and furnishes the guidelines to the Mayor/Do Governor. <Amended by Presidential Decree No. 20486, Dec. 28, 2007; Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

(2) The guidelines for developing draft plans by jurisdiction referred to in paragraph (1) shall include the following:

1. Background and the objectives of a comprehensive national land plan;
2. Basic directions setting for a comprehensive national land plan;
3. Outline of policies and projects that need to be reflected in a comprehensive national land plan;
4. Matters and major points to be taken into consideration when draft plans by jurisdiction are developed;
5. Other matters necessary to develop draft plans by jurisdiction.

Article 3 (Adjusting and Summarizing Draft Plans by Jurisdiction)

Where the Minister of Land, Infrastructure and Transport adjusts and summarizes draft plans by jurisdiction pursuant to Article 9 (3) of the Act, he/she shall review the following matters: <Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

1. Whether policies or projects are in conformity with the objectives and basic directions setting for a comprehensive national land plan;
2. Whether any conflict between policies or projects arises;
3. Feasibility of policies or projects;
4. Priority and importance of policies or projects;
5. Expected effects of policies or projects;
6. Possibility of securing required financial resources.

Article 4 (Public Hearings)

(1) Where the Minister of Land, Infrastructure and Transport intends to hold a public hearing pursuant to Article 11 of the Act, he/she shall publish the following matters in a daily nationwide newspaper at least

once by 14 days before such public hearing is held: <Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

1. Objectives of a public hearing;
2. Scheduled date and time and venue of a public hearing;
3. Outline of a comprehensive national land plan draft;
4. Matters concerning the presentation of opinions;
5. Other matters necessary to hold a public hearing.

(2) Any person or relevant expert, etc. who has his/her opinion to state with respect to details of a comprehensive national land plan draft may appear at the public hearing in person to state his/her opinion or submit a summary of his/her opinion to the Minister of Land, Infrastructure and Transport whether in written form or by electronic means. <Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

Article 5 (Development of Do Comprehensive Plan, etc.)

(1) "Do prescribed by Presidential Decree" in the proviso to Article 13 (1) of the Act means Gyeonggi-do for which a Seoul metropolitan area readjustment planning under Article 4 of the Seoul Metropolitan Area Readjustment Planning Act is drawn up and Jeju Special Self-Governing Province for which a comprehensive plan in accordance with Article 140 (1) of the Special Act on the Establishment of Jeju Special Self-Governing Province and the Development of Free International City is drawn up. <Amended by Presidential Decree No. 19563, Jun. 29, 2006; Presidential Decree No. 20486, Dec. 28, 2007; Presidential Decree No. 23820, May 30, 2012; Presidential Decree No. 26922, Jan. 22, 2016>

(2) "Matters prescribed by Presidential Decree" in Article 13 (1) 7 of the Act means the following: <Amended by Presidential Decree No. 23820, May 30, 2012>

1. Matters concerning the improvement of living environment, such as housing, tap water and sewerage system, parks, and convenience facilities for weak or senior citizens;
2. Matters concerning the construction of cultural and tourist infrastructure;
3. Matters concerning the prevention of disasters and the safety management of facilities;
- 3-2. Matters concerning the prevention of crime;
4. Matters concerning the development and fostering of local industries;
5. Matters concerning the implementation and management of plans, including ways to secure financial resources.

Article 6 (Formulation Standards and Preparation Methods of Do Comprehensive Plans)

(1) The Minister of Land, Infrastructure and Transport shall establish guidelines for formulating Do comprehensive plans, including formulation standards, preparation methods, etc., to ensure that a Do comprehensive plan provided for in Article 13 of the Act sets a long- and short-term policy direction and guidelines for improving the welfare of locals and developing local communities, and is compatible with a comprehensive national land plan approved under Article 12 of the Act and shall furnish such guidelines to every Do Governor after consulting with the heads of competent central administrative agencies.

<Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

(2) The guidelines for formulating a Do comprehensive plan established by the Minister of Land, Infrastructure and Transport under paragraph (1) shall include the following: *<Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>*

1. Relationship between a comprehensive national land plan and a Do comprehensive plan;
2. Basic matters of a Do comprehensive plan and procedures for formulating such plan;
3. Matters and main points to be taken into consideration when a Do comprehensive plan is formulated;
4. Other necessary matters in connection with the formulation of a Do comprehensive plan.

Article 7 (Contents of Implementation Plans, etc.)

(1) An implementation plan by competence to be formulated in accordance with Article 18 (1) of the Act shall be prepared on a five-year basis and include the following:

1. Current status and problems;
2. Goals and strategies;
3. Tasks to be performed and a detailed implementation schedule;
4. Implementation period and investment plans;
5. Other matters necessary to efficiently carry out an implementation plan.

(2) The head of a central administrative agency and a Mayor/Do Governor shall each prepare the actual performance record of his/her implementation plan by competence under Article 18 (2) of the Act, as of December 31 each year and shall submit such record to the Minister of Land, Infrastructure and Transport by the end of May of the next year. *<Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>*

(3) The Minister of Land, Infrastructure and Transport shall periodically evaluate the outcomes of a comprehensive national land plan pursuant to Article 18 (3) of the Act, based on the actual performance record of an implementation plan by competence referred to in paragraph (2) and shall inform the head of a competent central administration agency and relevant Mayor/Do Governor of evaluation results.

<Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

Article 8 (Subject Matters of Evaluation of National Land Plans and Period for Submission of Requests therefor)

The subject matters of the evaluation of national land plans under Article 19-2 (1) of the Act (hereinafter referred to as “evaluation of national land plans”) and the period for submission of requests for evaluation of national land plans under Article 19-3 (1) of the Act (hereinafter referred to as “requests for evaluation of national land plans”) shall be as shown in the attached Table.

Article 8-2 (Criteria for Evaluation of National Land Plans and Establishment of Detailed Criteria, etc. therefor)

(1) The criteria for evaluation of national land plans shall be as follows:

1. Regional competitiveness;

2. Balanced regional development;
3. Efficiency of national land infrastructures;
4. Sustainable management of national land resources;
5. Low-carbon and environment-friendly use of the national land;
6. Consistency with a comprehensive national land plan.

(2) The Minister of Land, Infrastructure and Transport shall determine necessary matters regarding detailed criteria and methods for evaluation, in consultation with the heads of competent central administrative agencies, specifying the criteria under paragraph (1) and reflecting the features and contents of relevant national land plans. <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

Article 8-3 (Preparation, etc. of Requests for Evaluation of National Land Plans)

(1) A person who has the authority to formulate a national land plan subject to evaluation shall determine detailed criteria and methods necessary for evaluation of the national land plan, among those provided for in Article 8-2 (2), reflecting the features and contents of the plan, and prepare a request for evaluation of the plan.

(2) A request for evaluation of a national land plan shall contain the following:

1. Summary of the national land plan subject to evaluation;
2. Overview of evaluation of the national land plan;
3. Detailed evaluation criteria and methods necessary for the national land plan;
4. Results of self-evaluation of the national land plan.

(3) Necessary matters regarding the submission, etc. of requests for evaluation of national land plans shall be determined and publicly notified by the Minister of Land, Infrastructure and Transport. <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

Article 8-4 (Procedures for Evaluation of National Land Plans)

(1) The Minister of Land, Infrastructure and Transport shall evaluate a national land plan within 30 days of receipt of a request for evaluation of the national land plan and refer the results to the National Land Policy Committee under Article 26 (1) of the Act for deliberation: Provided, That the period may be extended for up to 10 days if any unavoidable circumstances arise. <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

(2) Upon receipt of a request for evaluation of a national land plan, the Minister of Land, Infrastructure and Transport shall immediately request the Minister of Environment to present his/her opinion thereon in light of environment-friendly management of the national land. In such cases, the Minister of Environment shall present his/her opinion within 14 days of receipt of such request. <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

(3) If the Minister of Land, Infrastructure and Transport deems it necessary to supplement a request for evaluation of a national land plan submitted, he/she may request the supplementation of the request, specifying a period therefor. In such cases, a period required by the person having the authority to formulate the national land plan to supplement the request for evaluation of the national land plan shall not

be included in the period specified under paragraph (1). <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

(4) Necessary matters regarding the evaluation of national land plans, other than those provided for in paragraphs (1) through (3), shall be determined and publicly notified by the Minister of Land, Infrastructure and Transport. <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

(5) The Minister of Land, Infrastructure and Transport may request the Korea Research Institute for Human Settlements established under the Act on the Establishment, Operation and Fostering of Government-Funded Research Institutions to conduct on-the-spot surveys, to review requests, etc. for evaluation of national land plans, and to present its opinions thereabout, so that the national land plans may be evaluated more efficiently. In such cases, the Minister of Land, Infrastructure and Transport may, within the budgetary limits, reimburse expenses required to conduct on-the-spot surveys, review requests, etc. for evaluation of the national land plans, and present opinions thereabout. <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

(6) The Minister of Land, Infrastructure and Transport shall get the results of evaluation of a national land plan under Article 19-3 (2) of the Act deliberated upon by the National Land Policy Committee under Article 26 (1) of the Act and then immediately notify the person having the authority to formulate the national land plan of the details thereof. <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

Article 9 (Preparation of Annual Report on National Land Planning and Utilization)

(1) A report on major policies for national land planning and utilization provided for in Article 24 of the Act (hereinafter referred to as "annual report") shall be prepared by the Minister of Land, Infrastructure and Transport. <Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

(2) Where it is deemed necessary to prepare an annual report referred to in paragraph (1), the Minister of Land, Infrastructure and Transport may request the heads of competent central administrative agencies to submit any materials concerning national land planning and utilization. In such cases, the heads of competent central administrative agencies shall comply with such request, except in exceptional circumstances. <Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

(3) The Minister of Land, Infrastructure and Transport shall prepare an annual report based on the materials submitted under paragraph (2), the actual performance records of an implementation plan by competence submitted under Article 7 (2), the results of the national land survey conducted under Article 25 of the Act, etc. <Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>

Article 10 (Conduct of National Land Survey)

(1) "Matters prescribed by Presidential Decree" in Article 25 (1) of the Act means the following: <Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 23820, May 30, 2012; Presidential Decree No. 24443, Mar. 23, 2013>

1. Matters concerning geographical information, including topography and ground features;
2. Matters concerning agriculture, forest, ocean and fisheries;
3. Matters concerning the prevention of disaster and safety;
4. Other matters deemed necessary by the Minister of Land, Infrastructure and Transport.

(2) The national land survey provided for in Article 25 (4) of the Act shall be conducted according to the following classifications, and the Minister of Land, Infrastructure and Transport may formulate a plan for the national land survey after consulting with the heads of competent central administrative agencies and relevant Mayors/Do Governors about necessary matters, such as items to be surveyed and entities in charge of the survey, in order to efficiently survey the national land: *<Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>*

1. Regular survey: The survey that is conducted annually to make use of findings from the survey to formulate and implement policies and plans for the national land;
2. Occasional survey: The survey that is conducted on a specific region or a specific field, etc. that is deemed necessary to be surveyed by the Minister of Land, Infrastructure and Transport.

(3) Matters necessary to survey the national land, other than those provided for in paragraph (2), shall be prescribed by the Minister of Land, Infrastructure and Transport. *<Amended by Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 24443, Mar. 23, 2013>*

Article 10-2 (Efficient Management and Utilization of Results of National Land Surveys)

The Minister of Land, Infrastructure and Transport shall perform the following duties so that the results of national land surveys under Article 25 (1) of the Act (hereinafter referred to as “national land surveys”) may be managed and utilized more efficiently: *<Amended by Presidential Decree No. 24443, Mar. 23, 2013>*

1. Preservation and management of national land survey data;
2. Offering of national land survey data;
3. Preparation, maintenance, management, and utilization of the National Atlas System, using national land surveys.

Article 11 (Advisory Organization)

The Minister of Land, Infrastructure and Transport may establish an advisory organization to receive an advice on matters necessary for formulation, etc. of a national land plan. *<Amended by Presidential Decree No. 24443, Mar. 23, 2013>*

Article 12 (Organization and Operation of National Land Policy Committee)

(1) "Heads of the central administrative agencies prescribed by Presidential Decree" referred to in Article 27 (3) 1 of the Act means the Minister of Education; the Minister of Science, ICT and Future Planning; the Minister of National Defense; the Minister of the Interior; the Minister of Culture, Sports and Tourism; the Minister of Agriculture, Food and Rural Affairs; the Minister of Oceans and Fisheries; the Minister of Trade, Industry and Energy; the Minister of Environment; and the Administrator of the Korea Forest Service. *<Amended by Presidential Decree No. 24443, Mar. 23, 2013; Presidential Decree No. 25751, Nov. 19, 2014>*

(2) The chairperson of the National Land Policy Committee (hereinafter referred to as “Committee”) under Article 26 (1) of the Act (hereinafter referred to as “chairperson”) shall represent the Committee and exercise general control over the affairs thereof.

(3) If the chairperson is unable to perform his/her duties due to any unavoidable circumstances, the vice chairpersons shall act on behalf of the chairperson in the order designated in advance by the chairperson, and if both the chairperson and the vice chairpersons are unable to perform their duties due to any unavoidable circumstances, the members designated in advance by the chairperson shall act on behalf of the chairperson and the vice chairpersons.

(4) The chairperson shall call and preside over meetings of the Committee.

(5) The chairperson shall notify the members of the Committee of the date, venue, and agenda of a meeting by not later than seven days before the meeting is held: Provided, That in case of emergency, he/she may notify the date, etc. of the meeting by not later than the day before the meeting.

(6) A majority of the total members of the Committee shall constitute a quorum at all its meetings and resolutions shall be passed with the concurrent vote of a majority of the members present.

(7) The Committee shall have one executive secretary to deal with the clerical work thereof, who shall be appointed by the Minister of Land, Infrastructure and Transport from among public officials in Grade III belonging to the Ministry of Land, Infrastructure and Transport or from among public officials in general service who are members of the Senior Civil Service thereof. *<Amended by Presidential Decree No. 24443, Mar. 23, 2013>*

(8) Necessary matters regarding the operation of the Committee, other than those provided for in paragraphs (1) through (7), shall be determined by the chairperson, subject to resolution by the Committee.

Article 12-2 (Dismissal of Members)

The Prime Minister may dismiss a member where the member commissioned pursuant to Article 27 (3) 2 of the Act falls under any of the following:

1. Where the member is no longer able to perform his/her duties due to mental disorder;
2. Where the member has committed misdeeds related to his/her duties;
3. Where it is deemed that the member is inappropriate as a member due to neglect of duties, injury to dignity, or other grounds;
4. Where the member wishes to discontinue his/her duties.

Article 13 (Organization and Operation of Subcommittees)

(1) The Committee shall have a subcommittee on regional development and a subcommittee on the evaluation of national land plans under Article 28 (1) of the Act.

(2) The subcommittee on regional development under paragraph (1) shall deliberate on the matters determined by the chairperson in relation to Article 26 (2) 3, 4, 7, and 8 of the Act.

(3) The subcommittee on the evaluation of national land plans under paragraph (1) shall deliberate on the matters determined by the chairperson in relation to Article 26 (2) 5 of the Act and other provisions.

(4) Each of the subcommittees under paragraph (1) (hereinafter referred to as “subcommittee”) shall be comprised of not more than 20 members of the Committee designated by the chairperson including one chairperson of the subcommittee, who shall be designated by the chairperson from among the vice chairpersons of the Committee.

(5) A subcommittee shall have one executive secretary to deal with the clerical work thereof, who shall be appointed by the Minister of Land, Infrastructure and Transport from among public officials in Grade III belonging to the Ministry of Land, Infrastructure and Transport or from among public officials in general service who are members of the Senior Civil Service thereof. <Amended by Presidential Decree No. 24443, Mar. 23, 2013>

(6) Necessary matters regarding the operation of the subcommittees, other than those provided for in paragraphs (1) through (3), shall be determined by the chairperson, subject to resolution by the Committee.

Article 14 (Qualifications, etc. for Expert Members)

(1) The number of expert members assigned to the Committee under Article 28 (3) of the Act shall not be more than three.

(2) The terms of office of the expert members under paragraph (1) shall be three years.

(3) Matters regarding the qualifications for and duties of the expert members under paragraph (1) shall be determined by the chairperson, subject to resolution by the Committee.

Article 15 (Allowances, Travel Expenses, etc.)

Allowances and travel expenses may be paid to the members and expert members of the Committee to such an extent as the relevant budget permits: Provided, That the same shall not apply where a member who is a public official attends a meeting directly in connection with his/her official duties.

Articles 16 through 18 Deleted. <by Presidential Decree No. 20736, Feb. 29, 2008>

Article 19 (Delegation of Authority)

The Minister of Land, Infrastructure and Transport shall delegate the following authority to the President of the National Geographic Information Institute in accordance with Article 33 (1) of the Act: <Amended by Presidential Decree No. 18067, Jul. 26, 2003; Presidential Decree No. 20736, Feb. 29, 2008; Presidential Decree No. 23820, May 30, 2012; Presidential Decree No. 24443, Mar. 23, 2013>

1. Deleted; <by Presidential Decree No. 21671, Aug. 5, 2009>

2. The national land survey under Article 25 of the Act, request for the submission of materials, request for direct survey, entrustment of survey to any specialized institution, and formulation of a plan for surveying the national land under Article 10 (2);

3. The preparation, maintenance, management, and utilization of the National Atlas system using national land surveys under subparagraphs 3 and 4 of Article 10-2.

ADDENDA

Article 1 (Enforcement Date)

This Decree shall enter into force on January 1, 2003.

Article 2 (Abrogation of Statutes)

(1) The Enforcement Decree of the Act on Comprehensive Plans for Construction in the National Territory shall be hereby abrogated.

(2) The Rules on the Committee on the Promotion of Development of the West Coast shall be hereby abrogated.

Article 3 (Transitional Measures following Abrogation of Rules on Committee on Promotion of Development of West Coast)

Matters pending to be deliberated on and coordinated by the Committee on the Promotion of Development of the West Coast that is established pursuant to the Rules on the Committee on the Promotion of Development of the West Coast at the time of enforcement of this Decree shall be deemed the matters delegated to the subcommittee provided for in Article 12 (1) to deliberate thereon.

Article 4 Omitted.**Article 5 (Relationship to Other Statutes)**

In cases where, at the time of the enforcement of this Decree, the former Enforcement Decree of the Act on Comprehensive Plans for Construction in the National Territory or a provision thereof has been cited in other statutes, and if there is a provision falling into such provisions in this Decree, then the citation shall be regarded as having been of this Decree or a corresponding provision, in place of the former provisions.

ADDENDA <Presidential Decree No. 18067, Jul. 26, 2003>

Article 1 (Enforcement Date)

This Decree shall enter into force on the date of its promulgation.

Article 2 Omitted.

ADDENDA <Presidential Decree No. 19513, Jun. 12, 2006>

Article 1 (Enforcement Date)

This Decree shall enter into force on July 1, 2006.

Articles 2 through 4 Omitted.

ADDENDA <Presidential Decree No. 19563, Jun. 29, 2006>

Article 1 (Enforcement Date)

This Decree shall enter into force on July 1, 2006.

Articles 2 through 8 Omitted.

ADDENDUM <Presidential Decree No. 20486, Dec. 28, 2007>

This Decree shall enter into force on December 29, 2007.

ADDENDUM <Presidential Decree No. 20736, Feb. 29, 2008>

This Decree shall enter into force on the date of its promulgation.

ADDENDA <Presidential Decree No. 21671, Aug. 5, 2009>

Article 1 (Enforcement Date)

This Decree shall enter into force on August 7, 2009.

Articles 2 through 3 Omitted.

ADDENDA <Presidential Decree No. 23820, May 30, 2012>

Article 1 (Enforcement Date)
