 - (a) Brucellosis;
 - (b) Aujesky's disease;
 - (c) Tuberculosis;
 - (d) Other contagious animal diseases determined and publicly notified by the Minister of Agriculture, Food and Rural Affairs.

(2) Carcasses of livestock prescribed in paragraph (1) shall be recycled in any of the following facilities and by undergoing treating and verifying procedures to prevent fears about the spread of pathogenic organisms of contagious animal diseases:

1. Feed producing facilities prescribed in Article 8 (2) of the Control of Livestock and Fish Feed Act;
2. Heat treatment facilities determined and publicly notified by the Minister of Agriculture, Food and Rural Affairs, such as a rendering treatment facility (sterilizing facility at a high temperature and high pressure);
3. Fermentation treatment facilities determined and publicly notified by the Minister of Agriculture, Food and Rural Affairs.

(3) Carcasses of livestock treated pursuant to paragraph (2) may be used as feed ingredients for animals (excluding ruminants, such as cattle and sheep), fertilizer ingredients, industrial ingredients, or bio-energy ingredients.

(4) Carcasses of livestock used as fertilizer ingredients pursuant to paragraph (3) shall comply with the official standards prescribed in Article 4 of the Fertilizer Control Act.

Article 8-2 (Formulation of Measures for Procuring Equipment Necessary for Disposal of Carcasses)

The measures related to procuring equipment, materials, medicine, etc., necessary for the sanitary disposal of carcasses or objects mentioned in Article 23-2 of the Act shall include the following: <Amended on Jul. 2, 2019>

1. The appropriate number of units of equipment, such as excavators, forklifts, vehicles used to transport carcasses, mobile sterilization equipment, disinfectant spraying vehicles, and high-temperature and high-pressure sprayers for disinfection, and a scheme for procuring such equipment;
2. The appropriate quantity of various apparatuses and materials, including large or small storage tanks, personal protectors (such as safety helmets and working clothes), and a scheme for procuring such apparatuses and materials;
3. The appropriate quantity of medicine, including disinfectants, limewater, and quicklime, and a scheme for procuring such medicines;
4. The appropriate human resources for prompt disposal of carcasses and objects, and a scheme for procuring such human resources.

Article 9 (Agency to Which Animal Quarantine Officers Are Assigned)

"Administrative agency prescribed by Presidential Decree" in Article 30 (1) of the Act means the Animal and Plant Quarantine Agency. <Amended on Jan. 31, 2008; Dec. 29, 2010; Jun. 7, 2011; Mar. 23, 2013>

Article 10 (Qualifications and Duties of Quarantine Administrators)

(1) A qualified quarantine administrator referred to in Article 42 (5) of the Act (hereinafter referred to as "quarantine administrator") shall be required to be either a university graduate who majored in veterinary science, medicine, pharmacy, nursing, zootechnics, chemistry, or physics at a four-year university or a higher educational institution or a person who has academic attainments equal to or higher than the university graduate with an experience of having been in the service of animal quarantine for a period of one or more year. <Amended on Jan. 31, 2008>

(2) The duties of quarantine administrators shall be as follows:

1. Matters concerning the storage, delivery, movement and disinfection of designated goods subject to quarantine;
2. Matters concerning the actual inspection of designated goods subject to quarantine and the inspection and management of facilities in the service of quarantine facilities;
3. Matters concerning the collection and delivery of the inspection samples of designated goods subject to quarantine;
4. Matters concerning education on the prevention of epidemics for employees of quarantine facilities and other interested persons as well as the control of visitors and other persons having access to quarantine facilities;

5. Matters concerning the implementation of instructions issued by quarantine officers.

Article 11 (Compensation)

(1) The criteria for compensation payment and reduction thereof under Article 48 (1), (3), and (4) of the Act shall be as specified in attached Table 2. <Amended on Dec. 22, 2015>

(2) Standards and methods for the appraisal of livestock, etc., according to the criteria for compensation payment mentioned in paragraph (1), standards for the computation of appraised value of livestock by species, and other detailed matters concerning the appraisal of livestock, etc. shall be determined and publicly notified by the Minister of Agriculture, Food and Rural Affairs. <Amended on Feb. 29, 2008; Mar. 23, 2013>

(3) Necessary matters concerning persons eligible for the subsidies mentioned in Article 48 (2) of the Act, standards for the payment of subsidies, etc., shall be determined and publicly notified by the Minister of Agriculture, Food and Rural Affairs. <Amended on Jan. 31, 2008; Feb. 29, 2008; Mar. 23, 2013>

(4) “Contagious animal disease prescribed by Presidential Decree, such as foot-and-mouth disease” in Article 48 (3) 3 of the Act means any of the following contagious animal diseases: <Newly Inserted on Feb. 11, 2014; Dec. 22, 2015; Oct. 5, 2021>

1. Foot-and-mouth disease;
- 1-2. African swine fever;
2. Swine fever;
- 2-2. Newcastle disease;
3. Highly pathogenic avian influenza;
4. Brucellosis (limited to cases where cattle are involved);
5. Tuberculosis (limited to cases where deer are involved).

(5) Compensation (referring to the final compensation reduced and adjusted pursuant to Article 48 (3) and (4) of the Act; hereinafter the same shall apply) provided to a person under Article 48 (1) 1 of the Act shall be paid by the relevant Si/Gun/Gu (referring to the autonomous Gu). <Newly Inserted on Apr. 30, 2018>

(6) At least 80/100 of compensation provided to persons under Article 48 (1) 2 through 6 shall be paid by the State, and the remainder shall be paid by a local government in accordance with the following classifications: <Amended on Apr. 7, 2015; Apr. 30, 2018>

1. In cases of a Special Self-Governing City and a Special Self-Governing Province: The local government concerned shall fully subsidize expenses;
2. In cases other than those referred to in subparagraph 1: Expenses shall be subsidized at a ratio of 50/100 by the Special Metropolitan City, a Metropolitan City or a Do, and a Si/Gun/Gu (referring to an autonomous Gu), respectively.

(7) To recover compensation pursuant to Article 48 (5) of the Act, the head of a Si/Gun/Gu shall notify the relevant person in writing of the reason for the recovery, the amount to be recovered, the payment deadline, the payment institution, the payment method, etc. In such cases, the deadline for payment shall

be at least 30 days from the date of notification of the recovery. <Newly Inserted on May 4, 2020>

Article 11-2 (Payment of Business Closure Subsidies)

(1) "Causes prescribed by Presidential Decree including deterioration of business conditions" in Article 48-2 (1) of the Act means any of the following:

1. Where it is impracticable to continue the livestock farming business due to deterioration of business conditions owing to an increase in costs caused by the installation of facilities for disease control under Article 3-4 (3) of the Act;
2. Where it is impracticable to continue the livestock farming business due to the high risk of African swine fever caused by livestock or a certain vector of infectious diseases in livestock in the vicinity.

(2) The livestock eligible for the subsidy for business closure paid pursuant to Article 48-2 (1) of the Act (hereinafter referred to as "business closure subsidy") shall be pigs.

(3) The business closure subsidy shall be provided in cases where a person who has been engaged in livestock farming after obtaining permission or registering for the livestock farming business under Article 22 (1) or (3) of the Livestock Industry Act files a report on business closure pursuant to Article 22 (6) 2 of the same Act for any of the reasons under the subparagraphs of paragraph (1) and changes the use, demolishes, or discards a livestock breeding structure under subparagraph 8-2 of Article 2 of the same Act (hereinafter referred to as "livestock breeding structure") to prevent it from being used for its original purpose.

(4) Notwithstanding paragraph (3), no business closure subsidy shall be paid in any of the following cases:

1. Where not having raised livestock eligible for the business closure subsidy for one year or longer immediately prior to the date of designation as a district subject to intensive disease control under Article 3-4 (1) of the Act (hereinafter referred to as "district subject to intensive disease control"), or having removed or discarded the livestock breeding structure;
2. Where proceeding with actions such as construction of buildings, road opening, and installation of other facilities in order to use for purposes other than the livestock farming business, or demolishing or discarding the livestock breeding structure;
3. Where compensation is determined under other statutes or regulations.

(3) Except as provided in paragraphs (3) and (4), matters necessary for the payment standards for business closure subsidies shall be determined and publicly notified by the Minister of Agriculture, Food and Rural Affairs.

Article 11-3 (Method of Calculation of Business Closure Subsidies)

(1) The business closure subsidy shall be the amount calculated according to the following formula: Provided, That if it is deemed inappropriate to calculate the business closure subsidy according to the following formula, considering the breeding style, etc. of the livestock, the Minister of Agriculture, Food and Rural Affairs may determine a different formula and publicly notify it.

Amount of business closure subsidy = the number of livestock shipped per year × net profit per animal per year × 2 years

(2) The upper limit of the business closure subsidy is determined and publicly notified by the Minister of Agriculture, Food and Rural Affairs, taking into consideration the average income, etc. of livestock farmers.

Article 11-4 (Procedures for Providing Business Closure Subsidies and Implementation Period)

(1) One who intends to apply for the business closure subsidy shall submit to the head of a Si/Gun/Gu an application for business closure subsidy specified by Ordinance of the Ministry of Agriculture, Food and Rural Affairs, with the current status of livestock and the calculation details of the business closure subsidy attached thereto.

(2) The application for business closure subsidy under paragraph (1) shall be filed within six months from the date of designation of the district subject to intensive disease control.

(3) Upon receipt of an application under paragraph (1), the head of a Si/Gun/Gu shall investigate matters as necessary for providing the business closure subsidy, such as the current status of breeding of livestock eligible for the business closure subsidy and whether the business closure has been reported.

(4) If, based on the investigation under paragraph (3), it is deemed appropriate to provide a business closure subsidy to the applicant, the head of a Si/Gun/Gu shall inform the applicant of the fact and provide the business closure subsidy, as prescribed by Ordinance of the Ministry of Agriculture, Food and Rural Affairs.

(5) The business closure subsidy under paragraph (4) shall be provided within one year from the date of designation of the district subject to intensive disease control.

(6) Matters necessary for the investigation and provision of business closure subsidies under paragraphs (3) and (4) shall be determined and publicly notified by the Minister of Agriculture, Food and Rural Affairs.

Article 11-5 (Application for Payment of Compensation for Damage from Contagious Animal Diseases)

(1) Compensation and support for livestock owners or facilities, etc. who have suffered damage due to contagious animal diseases as prescribed in Article 48-3 (1) of the Act (hereinafter referred to as “contagious animal disease victims, etc.”) shall be based on the following business losses:

1. In cases of Article 48 (1) 1 of the Act: Costs incurred as the livestock breeding facilities cannot be used for its original purpose due to business closure, etc.;
2. In cases of Article 48 (1) 2 of the Act: The assessed value at the time of the examination, etc. of the dead or injured livestock or the stillborn or aborted fetus of the livestock;
3. In cases of Article 48 (1) 3 of the Act: The assessed value of the slaughtered livestock at the time of the slaughter;

4. In cases of Article 48 (1) 4 of the Act: The assessed value of the incinerated, buried, or chemically treated objects at the time of the incineration, burial, or chemical treatment;
 5. In cases of Article 48 (1) 5 of the Act: Manpower costs not utilized due to the movement restrictions;
 6. In cases of Article 48 (1) 6 of the Act: Costs incurred as the slaughterhouse cannot be used for its original purpose due to the order to suspend or restrict use.
- (2) Where requesting compensation for damage pursuant to Article 48-3 (2) of the Act, the contagious animal disease victims, etc. shall submit to the head of a Si/Gun/Gu a written request for compensation for damage specified by Ordinance of the Ministry of Agriculture, Food and Rural Affairs, with the data on business losses as classified in the subparagraphs of paragraph (1) attached thereto.
- (3) The head of a Si/Gun/Gu who has received a written request for compensation for damage under paragraph (2) shall prepare a written confirmation of damage after verifying whether there is damage and the extent of the business losses classified in the subparagraphs of paragraph (1), as prescribed by Ordinance of the Ministry of Agriculture, Food and Rural Affairs.
- (4) The head of a Si/Gun/Gu (excluding the Special Self-Governing City Mayor) shall submit to the Mayor/Do Governor the written request for compensation for damage under paragraph (2) with the written confirmation of damage under paragraph (3) attached thereto and shall request the holding of a meeting of the council for compensation for damage caused by contagious animal diseases (hereinafter referred to as "council") under Article 48-3 (1) of the Act.
- (5) Where intending to consult in advance with the applicant on compensation for damage pursuant to the latter part of Article 48-3 (2) of the Act, the council shall do so within 30 days from the date of receiving the request for the council meeting under paragraph (4), unless there is a compelling reason not to do so.

Article 12 (Expenses for Stabilization of Livelihood)

(1) Expenses for the stabilization of livelihood under Article 49 (1) of the Act (hereinafter referred to as "expenses for stabilization of livelihood") shall be subsidized to the owners (in cases of entrusting the rearing of livestock, it refers to those who are entrusted with the rearing and have actually raised the livestock; hereafter the same shall apply in this Article) of such livestock as were slaughtered or shipped to slaughterhouses, etc. for the purpose of culling due to rinderpest, bovine pleuropneumonia, foot-and-mouth disease, classical swine fever, African swine fever, or highly pathogenic avian influenza pursuant to the main clause and proviso of Article 20 (1) and Article 21 (2) of the Act: Provided, That expenses for the stabilization of livelihood need not be subsidized to any of the following owners of livestock: <Amended on Jun. 30, 2005; Jan. 31, 2008; Sep. 3, 2009; Dec. 22, 2015; Dec. 10, 2019; May 4, 2020>
