

DECREE OF THE GOVERNMENT OF THE KYRGHYZ REPUBLIC

of 8 May 1992 # 214

ON REMOTE PASTURE PLOTS ON THE TERRITORY OF THE REPUBLIC OF KYRGHYZSTAN

With the object of stabilizing an economic situation of agrarian and industrial branch, the Government of the Republic of Kyrgyzstan states:

1. To retain for the period of time till 1996 free use (with no rent) of pasture plots allocated by farms for remote livestock-breeding outside their administrative boundaries on the territory of other rayons and oblasts of the Republic of Kyrgyzstan.
2. To determine that kolkhozes, sovkhoses and other agricultural enterprises using remote pasture plots on the territory of other rayons shall annually deposit land tax to the special accounts of the state administrations (Councils) of those oblasts, on the territory of which pasture plots are used, to the amount equal to interim land tax rates for pastures approved by the Decree of the Government of the Republic of Kyrgyzstan of November 10, 1991 #538. Resources from land tax deducted to the state administration shall be earmarked for improvement of remote pastures.
3. The Ministry of Agriculture and Food of the Republic of Kyrgyzstan, heads of oblast state administrations shall develop within the time specified a programme of specialisation of agricultural enterprises and jointly with the State Inspectorate on Land Management under the Government of the Kyrgyz Republic shall consider and introduce proposals about issues of use of remote pastures.
4. To charge the heads of oblast state administrations with control over execution of this Decree.

Chairman of the Government
of the republic of Kyrgyzstan.

A. Akaev
