

ANIMALS ORDINANCE 1953
(No.17 of 1953)
ORDER UNDER SUBSECTION 36(1)

Whereas, the disease of viral encaphalitis is a disease which exists in animals in the State of Perak;

And whereas, it is desired to control and eradicate the disease of viral encaphalitis in the State of Perak;

Now therefore, I, Tan Sri Dato' Seri (Dr.) Ramli bin Ngah Talib, Menteri Besar Negeri Perak, in exercise of the powers conferred by subsection 36(1) of the Animals Ordinance 1953, declares that the State of Perak to be a viral encaphalitis infected area, a viral encaphalitis control area and a viral encaphalitis eradication area;

And for that purpose, prohibit -

(a) the removal of any animal or carcass or any part thereof whether to or from the State of Perak or between any place in the State of Perak;

(b) the slaughtering of any animal;

(c) the sale or keeping of any carcass;

(d) the sale, keeping or rearing of any animal,

except with the written permission of the Director of Veterinary Services, the State of Perak; and further:

(i) require the production of animals for examination (including the taking of blood, milk, urine or other substance from such animal), vaccination, tattooing or otherwise the marking of such animal;

(ii) order the destruction of any animal which is infected or reasonably believed to be infected or suspected to be in contact with an animal infected with viral encaphalitis;

(iii) order the closure or destruction of any premises or structure.

2. This order shall come into force on 22nd March 1999.

Dated 31st March 1999.

JPH.Pk. 1/95/8(6); PU.PK.67/71-12.]

TAN SRI DATO' SERI (DR.) RAMLI BIN NGAH TALIB,

Menteri Besar,

Perak.
